God Said I Promise:

The Answer: God's Covenants of Promise John E. Hollywell, 2015-10-28 Many years of biblical study have showed John E Hollywell that most people have never had an accurate explanation of biblical truths and do not know what an amazing inheritance the Bible says they may have once they make Jesus their Lord and Saviour The chaos the world suffers was foretold in the Bible Scientists offer explanations but governments politicians and educators have no answers as to why there is such poverty crime war disease mental health problems and other forms of misery in the world today Are there solutions to all of these issues Emphatically the author says Yes Hosea 4 6 says that Gods people are destroyed through lack of knowledge This book provides some such knowledge in a simple readable format The Answer God s Covenants of Promise will have achieved its purpose if it can open a readers eyes to see the Word of God as it was meant to be understood why seemingly good people worldwide are so hostile and inhumane to each other and who Jesus is and what was His true purpose for coming The Answer God s Covenants of Promise was written for everyone who might seek to know where humanity came from why we are here and where we go in the future into eternity The Answer God s Covenants of Promise seeks to answer such scientific evolutionary and spiritual questions as What is faith in God to be found through Jesus of Nazareth Gods son

The Promises of God Kevin P. Conway, 2014-10-29 This study is the first to investigate why Paul makes exclusive use of epangelia for the divine pledge when referring to the Abrahamic covenant a usage of the term never found in the OT LXX After examining Jewish writings and Greek literature of the classical and Hellenistic periods this study demonstrates that Paul is rather unique in his exclusive use of the epangelia word group for the divine pledge and for using the term predominantly in reference to the Abrahamic promises This exclusive usage is further deemed unexpected in that the horkos and onymy lexemes are by far the terms most commonly associated with God s promises to Abraham in the OT the literature with which Paul was most familiar The study then moves to explain why Paul has chosen this path of discontinuity where it is argued that Paul s exclusive choice of epangelia for the divine promise is driven by its conceptual and linguistic correspondence with the euangelion one of the terms Paul adopted from the early church that forms the core of his ministry This conceptual word study of the divine promise will benefit Pauline scholars interested in Paul s use of the OT as well as his association of the euangelion and epangelia word groups All the Promises of the Bible Herbert Lockyer, 2017-06-06

Promises You Can Stand On Through Thick and Thin The Bible is filled with hundreds of what the apostle Peter called exceeding great and precious promises definite explicit declarations God has made that you can count on In All the Promises of the Bible Dr Herbert Lockyer discusses the nature of God s promises their substance simplicity surety source security scope Lockyer s in depth look at the scope of God s promises arranges them in categories that cover the full array of human concerns from the spiritual to the material and the corporate to the personal As you come to understand God s promises and how they apply to every aspect of your life you ll gain a trust in God that will sustain you through the worst of times and be

Thiselton, 2020-11-12 In the Bible promise and prayer are essential and connected components of the inter personal relationship between God and his people And both promise and prayer are kinds of action undertaken by means of speaking utterances philosophers refer to as speech acts In the case of promises this is clear they constitute firm commitments to act in certain ways under appropriate conditions This book considers biblical examples of divine promise from both Old and New Testaments All speech acts depend upon institutional facts and Thiselton argues that in the biblical writings Divine promises are based on the prior institution of God's covenant That same covenant forms the institutional context of prayer Thiselton shows how different kinds of prayer blessing thanksgiving and praise petition and intercession count as speech acts in different ways and to different degrees **The Canaan Promise** Garrits McLean, 2014-02-27 God has ordained a predetermined destiny in each and every one of our lives It is our responsibility to learn to let go We have to learn to trust God and trust that through faith in him He always keeps his promises God made a promise to Abraham and although he died before the promise was fulfilled God still brought the promise to pass God never lost a battle from Genesis to Revelation and never will **Candid Reasons for renouncing the principles of Antipædobaptism** Rev.
