*Inspirational Short Stories* Dennis E. Bailey, 2025-06-05 These short inspirational writings were written in a five year time of my life starting in 1996 through 2001 Most of these stories were written while I was on vacation traveling the USA on an escorted motor coach When I was able to lay aside the everyday walk of life even on vacation I was inspired to write the story God gave me I learned quickly that when the Holy Spirit spoke I needed to make time soon to write what the spirit led me to write Some of these places were Niagara Falls Grand Tetons Yellowstone National Park and Alaska Special thanks to my wife for helping me get this book to this level My favorite Bible verse during these stories and still today is 2 Chronicles 7 14 If my people which are called by my name shall humble themselves and pray and seek my face and turn from their wicked ways then will I hear from heaven and will forgive their sin and will heal their land

**The Inspiration of God** Dr. Allen K. Hand Sr., 2022-05-04 Firstly the objective of that research was to assess the actions of the Civil Rights and the Progressive National Baptist Convention Inc PNBC movements Based on 37 returns to a questionnaire of 39 reduced to 24 identified key criteria e mailed to 158 persons across the country with forwarding permission 92% of the respondents indicated that they either agreed or strongly agreed that the actions of the Civil Rights and PNBC movements were inspired of by God Additionally this research identified some serious concerns and issues that each movement mainly PNBC has to address if each will continue to exist survive Secondly the objective of that research was to document our history through our struggles through our pains and gains through our good times and bad times through the ups and the downs in other words good bad or indifferent it is what it is our story his story not their story Rev Dr Herbert D Daughtry Sr constantly admonished us to make history to interpret history and to record history or something to that effect and not necessarily in that order When we do not do it ourselves in an accurate precise truthful etc manner then others will tell their story which nine out of ten times usually is not accurate precise truthful etc The old prophet acclaimed And the LORD answered me and said Write the vision and make it plain upon tables that he may run that readeth it Habakkuk 2 2 Thirdly and lastly the objective of that research was to share information that we do not want to be locked in our minds only to take it to the so called grave Many persons who were super knowledgeable as I define it about so many things that could have blessed the world took that super valuable information to the grave what a tremendous lost As an aside the lost is on multiple levels Level one we lost them Level two we lost what they did not share with us while they were alive Level three we lost the value of that buried information That is someone could have taken that information and transformed it to new information For example Dr Gabriel A Oyibo solved the Unified Field Theorem that Albert Einstein did not live long enough to solve So many things evolved from solving that equation Just think what would have happened to those many things that evolved from solving that equation if Dr Oyibo would not have solved that theorem All those many things that evolved from solving that equation would not be in existence Level four those persons who took from those many things that evolved from solving that equation and incorporated that value into what they were doing Etc etc etc The number of these levels conceivably and theoretically approaches infinity That is there is no end to the theoretical lost when just one person does not bless the world with their knowledge wisdom and understanding

Healing Haiku, Poems, and

Inspirations from the Great White North P. M. R. M. Messing, 2022-01-15 This humble book takes you on a unique adventure of spiritual healing in the Great White North of Michigan Through poetry and humor the author shares the story of his healing redemption and growing closer to his Creator This book is like nothing you have read before and prayerfully will inspire you to find the same healing he found Peace be to you These poems are not only endearing because they capture the spirit and beauty of Michigan's Upper Peninsula but they speak to the heart because they elevate the form beyond mere physicality platitudes and superficial spirituality to present the truth of who God is and who we are in relation to him The strikingly simple haiku reaches its fullest potential when wed to the truth of God's love for his wayward children as expressed in the self giving sacrifice of his Son in the beauty of his creation and in the fullness of the faith of the Catholic Church Obviously the fruit of deep prayer this collection can bring the reader to the same place of contemplation healing and gratitude for God's many gifts to us Deacon Jeremiah Mason P M R M Messing's journey from brokenness to healing is told eloquently through both prose and poetry He reminds us that God loves us each and every one of us and that it's never too late for us to run to Him God never gives up on us Mr Messing juxtaposes the beauty of God's creation in Michigan's Upper Peninsula with haiku an ancient form of Japanese poetry to paint a vivid picture of his journey and a glimpse into his soul Catholic Educator Christy Miron

**Judgement Line** Nadine M. Riggs, 2009-09 Tommy didn't expect it to be like this At such a young age he never expected to face death nor his sins until later in life Now face to face with the Father he quickly sees that he is not prepared for this day Uncertain as to what he'll say Tommy listens to what those around him confess One told of his mission work of helping others in foreign lands another of her achievements as a movie actress and how fame and fortune had allowed her to donate to charity Inching closer to the throne Tommy is seized by panic and is tempted to turn and run but where He knows there is no place to hide from God Tommy soon realizes that no one escapes the final judgment Is Tommy ready He has no choice for he's next in The Judgment Line

**God's Inspiration of the Scriptures** William Kelly, 2007 William Kelly 1821 1906 was an outstanding classical scholar in his generation preacher teacher editor of several influential religious magazines and of John Nelson Darby's Collected Writings and a prolific author in his own right He was a major figure in the late nineteenth century return to basic biblical teaching usually known as the Brethren movement often seen as the cradle of dispensationalism A Canadian contemporary described him as second only to Mr Darby in knowledge of the Truth and first in ability to state the Truth clearly A frequent lecturer he subsequently revised and published many of his lectures in book form His familiarity with the original languages of the Bible led to well researched expositions of both Old and New Testament books which were widely read and highly regarded by Christians in his own time and still today With a genius for exposition he combines scholarship and spirituality so that his readers gain a real sense of his unrestrained love for the Lord of whom the inspired pages of scripture speak This book exhibits with unanswerable faith and proof the perfection of Divine revelation It considers the great subject of the Inspiration of the Bible under the main headings of Divine

Authority Apostolic Doctrine Its Uniformity The Human Element and Divine Design The latter topic which occupies the major part of the book consists of an introduction to each book of the Bible in turn demonstrating the evidence of its inspiration and relating it to the inspired themes of the whole The author s purpose in writing the book was to present the positive proofs that God speaks in it the Bible to every conscience and heart more particularly of Israel in the Old Testament and of the Christian in the New He shows us that one directing Author presides over each several part imparting a special character to it and at the same time causing all to contribute to the common purpose of revealing His counsels of glory and His ways of grace while fully making known the weakness or the wickedness of the creature in resisting His will and doing its own William Kelly s desire was that this work should be of help to the spiritual understanding of all who value the Bible from beginning to end

**Ultimate Inspiration-God's Plan of Love** Effie Darlene Barba, 2012-06-01 Ultimate Inspiration Gods Plan of Love begins with the question What is Mans Purpose on this Earth It delves deeply into mankinds search for meaning and inspiration in this life Religions philosophers scientists and even the atheists continue on this search for a purpose for man and why evil exists This book deals with the hard questions and proposes a logical answer to both mans questions and mans dilemma It step by step breaks down the answers to many of the questions that the modern day church tries to avoid presenting the truths found within the Bible in such a way as to make it simple to understand and at the same time even answer those questions raised by the agnostics and atheists This book deals with the question of evil justice Gods righteousness and most of all Gods desire to share in His Joy and His love It is a must read for anyone who has ever asked the questions Why do I exist and or What is my purpose in life

**INSPIRATIONAL MUSINGS** Magdala Marie Gilbert, OSP, 2009-04-29 It is amazing what can be done when you put your trust in the Lord Who would have thought that this book of poetry would finally be written for everyone to enjoy Not in my wildest dream had I ever thought I would be writing poetry much less putting it out there for all who have a poetry muse to enjoy Many poets in the World of Poets say that poetry is the DNA of the soul and maybe it is The Psalms surely give our souls much food for thought to ponder and to praise God Perhaps

some of these poems will lift someone's heart to the Father Son and Holy Spirit If only one person finds some peace solace or laughter from these poems then all the hard work will have fulfilled its mission Most of this poetry is a prayer some of it is from the very depth of my being and I often wondered if I want the world to see the real me Being a private individual it is very humbling to have others read my soul Be that as it may here it is for all to see the naked truth and nothing but the truth
