Sebastian Barry

God Time And Being:

God, Time, and Being Ghislain Lafont, 1992 Two currents in contemporary theology seek to know and name God One is the understanding of God with us where knowing God is to live inseparably with him The other is the eternal incomprehension of transcendence This book weaves these threads together to explore the mystery at the heart of hermeneutics the revelation of Jesus Christ and the cloud of unknowing English translation by Leonard Maluf of Lafont's book *Dieu le Temps et l'Etre* **God, Time, and Eternity** W.L. Craig, 2001-09-30 In this highly original and groundbreaking work the author brings together discussions in the philosophy of time and space philosophy of language phenomenology philosophy of science Special and General Relativity classical cosmology quantum mechanics and so forth with the concerns of philosophy of religion and theology in order to craft a philosophically informed and scientifically tenable doctrine of divine eternity and God's relationship to time *God, Time, and Knowledge* William Hasker, 2019-06-30 This outstanding book is a genuinely pivotal contribution to the lively current debate over divine foreknowledge and human freedom Hasker's book has three commendable features worthy of immediate note First it contains a carefully crafted overview of the recent literature on foreknowledge and freedom and so can serve as an excellent introduction to that literature Second it is tightly reasoned and brimming with brisk arguments many of them highly original Third it correctly situates the philosophical dispute over foreknowledge and freedom within its proper theological context and in so doing highlights the intimate connection between the doctrines of divine omniscience and divine providence Faith and Philosophy *God Time and Knowledge* is an elegantly written forcefully argued challenge to traditional views and a major contribution to the discussion of divine foreknowledge Philosophical Review This is a very competent thorough analysis of the conflict between free will and divine foreknowledge or on some accounts timeless divine knowledge of our future It is exceptionally clear Theological Book Review **God, Time, and the Incarnation** Richard A. Holland Jr., 2012-02-20 The dominant view among Christian theologians and philosophers is that God is timeless that he exists outside of time in an atemporal eternity In *God Time and the Incarnation* Richard Holland offers a critical evaluation of this traditional view in light of the most central doctrine of Christianity the Incarnation of Christ Holland reviews the history of this controversy highlighting the various theological problems for which atemporal models have been offered as a solution He asserts the central importance of the Incarnation for Christian theology and evaluates several atemporal models in light of this doctrine Finally he suggests that the traditional atemporal view is not compatible with a robust and orthodox view of the Incarnation This book rejects the traditional atemporal view of God's relationship to time and argues based on the Incarnation that God experiences temporal sequence in his existence *God, Time, Infinity* Mirosław Szatkowski, 2018-05-07 The issues of the nature and existence of God time and infinity respectively and how they relate to each other are some of the most complicated problems of metaphysics This volume presents contributions of thirteen internationally renowned scholars who deal with various aspects

of these complex issues The contributions were presented and discussed during the international conference God Time Infinity held in Warsaw September 22 24 2015

God and the Nature of Time Garrett J. DeWeese, 2017-03-02 Is God temporal in time or atemporal outside of time Garrett DeWeese begins with contemporary metaphysics and physics developing a causal account of dynamic time Drawing on biblical material as well as discussions of divine temporality in medieval and contemporary philosophical theology DeWeese concludes that God is temporal but not in physical time as we measure it Interacting with issues in the history of philosophy contemporary philosophy of science and philosophy of religion this book offers students a thorough introduction to the key issues and key figures in historical and contemporary work on the philosophy of time and time in theology

God's Time For Us James J. Cassidy, 2016-09-28 The relationship between eternity and time is a common subject for theologians and philosophers What difference does it make for this discussion that God became man and inhabited time in Jesus Christ In God's Time for Us James J Cassidy examines the theology of Karl Barth to show that God is our Father who does not neglect us for lack of time he is the God who has time to be with us God also quite literally has time in his own being by virtue of the incarnation Cassidy shows that Barth seeks a rapprochement between eternity and time which is overcome by Jesus Christ There is today a resurgence in interest in the theology of Barth especially among evangelicals Yet Barth is often read without discernment and discussed in churches without full understanding Cassidy illuminates his thought so evangelicals can make a better more well informed appraisal of the man and his theology

God and Time Gregory E. Ganssle, 2001-09-28 Editor Gregory Ganssle calls on four Christian philosophers to present and defend their views on the place of God in a time bound universe The positions taken up here include divine timeless eternity eternity as relative timelessness timelessness and omnitemporality and unqualified divine temporality

Living at God's Speed, Healing in God's Time Charles W. Sidoti, 2011 God's time often differs from our Time says the author and in this compelling book written with Rabbi Akiva Feinstein he provides spiritual insights about how to cope with constant change and the worry about the future that comes with it His hope is that when using this book readers will become increasingly aware of God at work in the universe and within the context and changes of their own lives He believes that this growing awareness will make a profound difference in the way they live

Spending Time with God Charles E. Jordan Jr, 2012 Do you have a desire to spend time with God a desire to glean golden nuggets from His truth Perhaps you long to draw closer to your maker but you are having trouble learning how to trust God through the various circumstances that have occurred in your life Spending Time with God will help you view all of life's situations as being beneficial to your spiritual growth and personal relationship with your heavenly Father Christ showed the importance of having intimacy with God the Father as He would oftentimes steal away to a secluded area to be alone with Him In a world that tries to keep us busy we too must place a priority on intimacy with our Father for at the Lord's feet we receive power guidance and knowledge to seek His face Spending Time with God is a Christian devotional that equips you with wisdom

encouragement and strength to remain faithful to God and give thanks to Him in all circumstances 1 Thessalonians 5:18 As you dedicate yourself to spending time with your Father get ready to discover how He has destined you for greatness **In God's Time** Peggy Curtice Harris, 2011-06-01 These are stories of people wading through life here on this small blue planet As they encounter remarkable and sometimes tragic events we see how the great God of the Universe reaches down through the atmosphere of sin meets helps and encourages frail human beings where ever they are **In God's time.**
