Ravhudzulo,2020-02-24 THE BEAUTY IN BROKENNESS Have you ever tried picking up the broken pieces of a broken ceramic objects or glass and putting them back together If so wasn't it a conscientious task First depending on the size of the destruction you would probably have to search all over the place to recover the broken pieces Then after collecting all the broken pieces you are left with yet another formidable task of putting the broken object back to its original form God makes broken things beautiful Consent God to heal the wounds of your past heartbreaks and people who left and anyone who couldn't fully love you Allow Him teach you the lesson behind each heartbreak Broken things are despised as meaningless but God can take what has been broken and remake it into something better something that He can use for His Glory Sometimes God just wants you to surrender This is a key element of Faith Surrendering is an act of strength not weakness Because it takes a great deal of strength and wisdom to admit that you don't have all the answers and you can't change your life Broken things and broken people are the results of sin

Through My Lens: A Glimpse of God's Magnificent Creation William E. Moberly,2016-02-29 Let the heavens be glad and let the earth rejoice and let them say among the nations The Lord is king 1 Chronicles 16 31 God s creation is magnificent Creation gives us insight into the very nature of God through the amazingly intricate details of even the simplest element of His handiwork Our busy lives make it difficult to see those details and we lose touch with the true path God would have us walk The photographs and words of Scripture in this book are a gift to help you slow down be still and hear the quiet gentle voice of God saying My beloved child I am always with you you are mine and I love you They serve to remind us that darkness cannot overcome the light of the world that God gave us in His son Jesus Peace be with you

Shake Free Samuel Rodriguez,2019-04-23 Based on the story of the apostle Paul s near catastrophic shipwreck see Acts 27 28 this is a call to individuals to shake off problems and disasters in life and move forward to new health and wholeness Some days you feel as if you take one step forward only to fall back two or ten steps You struggle and push through one obstacle after another You know God is present but when is he going to rescue you from all the storms shipwrecks and snakes surrounding you The apostle Paul faced a great crisis such as this on his epic voyage to Rome which ended with a disastrous shipwreck yet every person aboard was saved by grasping broken pieces of wood In Shake Free Samuel Rodriguez issues a powerful call for you to shake off your problems He writes When the storm breaks in your life you will be driven by the past or the future the pathetic or the prophetic problems or promises nightmares or dreams the flesh or the Spirit Google searches or godly churches the drama of the storm or God s destiny for your life Rather than merely

surviving circumstances you can discover how to navigate through life's challenges to truer wholeness and bigger victories from God. Shake Free will help you break free of emotional, mental, and spiritual burdens. This book is necessary for all those who are ready to take back control of their lives. DeVon Franklin, producer and New York Times bestselling author. *Misfits Welcome* Matthew Barnett, 2014-10-14. Being a misfit does not disqualify you from a dynamic life; it prepares you for it. Matthew Barnett knows a thing or two about misfits. As founder of the Dream Center in Los Angeles, a twenty-four-hour church that ministers to thirty-five thousand hurting people a week, Barnett has seen a little of everything: gangsters, addicts, orphans, taggers, cutters, the sick, the suffering, the hopeless. All the misfits of the world come through the Dream Center's doors in search of hope. But when Barnett first arrived in LA, it was he who felt like the misfit. In *Misfits Welcome*, he shares the simple life-changing lesson he has learned from twenty years of ministering to the forgotten: Being a misfit prepares you to do the work of the Lord. Have you found yourself in a jarring new era of life? Have your circumstances deviated drastically from your plans? Maybe you've felt like a misfit all your life, or maybe you're still haunted by yesterday's mistakes. Whatever the case, rejoice! It is at your most broken that you are most ready for what God has in store. *Misfits Welcome* is not just about embracing the misfits around us; it is about embracing the misfits within us and using them for the glory of God. Broken Tools in God's Hands Keith Ellerbrock, 2010-10. I may be forgiven, maybe, but after what I've done, my life is basically over. I'm damaged goods now. Forgiven? Sure. Able to be used? Maybe for little stuff, maybe, but never again for anything important. Ever thought things like that? Join the club. They're lies, though. Lies we often speak to ourselves. *Broken Tools in God's Hands* was written so you can know God's rescuing grace more deeply and be set free to serve Him with new hope and joy in your heart. Do you think God can't use you when you're broken? Then ponder this: The truth is, God can only use you as He desires when you're broken when you plainly see your sinfulness, your helplessness, your need for the Savior. That's when Jesus can pour out His blood, bought declaration of not guilty into your life, declare you to be His perfect tool, and use you for mighty things. Author Keith Ellerbrock invites you to take a close look at the ugly underbelly of some of the biblical heroes of faith so you can see that they were just as messed up by nature as you are, then take a closer look at God's amazing grace toward them to see that since the blood of Jesus was able to forgive and cleanse these flawed and tainted saints, it's more than able to forgive and cleanse you. Just as God gave them second, third, and however many chances, so He gives those clean do-overs to you. And He will use you. You have His Word on it. St. Louis native Keith Ellerbrock has been a pastor in the Lutheran Church Missouri Synod for 25 years. He currently serves Trinity Lutheran Church in Bridgeton, Missouri. He's the undeservedly blessed husband of Dawn and father of Erin, Adam, and Daniel. **Shattered** Bryan Dixon, 2021-10-28. It is the trying seasons of our lives that really test our character and reveal what we're made of. This cliché motivational tag line sounds all well and good until you're actually in the middle of that season and feel like giving up. In this nonfiction account, Bryan Dixon reveals how the trying seasons of our lives are extremely personal and thus very dissimilar to anyone else's. However, the spiritual

psychological and emotional damage that surfaces as a result of it often remains constant It was the trying season of his life that Bryan thought would break him and maybe even his family that he realized that the pain caused by such seasons are directly related to the matters of our hearts In this he claims that for the first time in his life he pursued God not because it was the right Christian thing to do but out of genuine need and desperation Bryan concluded that so many of our trying seasons are directly related to the actions of others If this is the case the only path to healing from these seasons of trials is something that Christians claim we do consistently when in reality it goes against our very human nature forgiveness When you can reflect back on the Shattered seasons of your life with a spiritual lens you will discover the truth that God truly does use our broken pieces

A Light to the Nations Michael W. Goheen,2011-04-01 There is a growing body of literature about the missional church but the word missional is often defined in competing ways with little attempt to ground it deeply in Scripture Michael Goheen a dynamic speaker and the coauthor of two popular texts on the biblical narrative unpacks the missional identity of the church by tracing the role God's people are called to play in the biblical story Goheen shows that the church's identity can be understood only when its role is articulated in the context of the whole biblical story not just the New Testament but the Old Testament as well He also explores practical outworkings and implications offering field tested suggestions for contemporary churches
