God Will Teach Me To Fly:

Like a Butterfly Evelyn D. Gaskin, 2010-08 Today despite the significant emotional events that purposed to destroy me I am still standing Not just standing but I am armed with faith and confidence and I know that it does not matter what I have experienced in life with perseverance lots of prayer and courage I can overcome anything Evelyn D Gaskin has had her share of trials and tribulations She suffered sexual abuse as a child resulting in a skewed view of what love meant and hindering her ability to have healthy relationships She was hurt by words as a child words that told her she was ugly and unwanted She went through two divorces and found herself a single parent She struggled to help her children with their grief when their father died suddenly of a heart attack But Evelyn has also found hope healing and encouragement with God leading her and comforting her in her trials We all suffer but there is hope to be found Evelyn will share with you the keys to letting go of what s past to walk in the newness of life like a butterfly leaving behind its cocoon to soar in the sky Her inspiring story will motivate you to become Like a Butterfly just as she has **Not My Secret** Kara Ramirez, 2022-03-10 It s not her secret to keep Having been diagnosed and treated for breast cancer for the past seven years the author has emerged on the other side of living with the disease She is now sharing her story of how God has used suffering and pain to bring her to a place of A Theology of Suffering and Difficulty Michael E. Lewis, 2007-01-01 By carefully considering the full theological context of trials this book seeks to show that Christians can realistically count it all joy when various trials come upon them This is not a natural response but it is the only response that the Bible permits However it is not simply commanded without good reason there is tremendous biblical evidence that would convince us to so respond From a personal perspective it is one of the most important means that God uses to conform us to the image of his Son enabling us to more effectively glorify him and drawing us closer to himself If we believe that knowing God is of the greatest value we will value the trials he brings From a corporate perspective that is the kingdom of God the body of Christ the church we find an even larger context in which God uses trials The church as we find in Acts 4 is powerful as it expresses concrete love seeing to it that there are no needy among it The needy are those in trials and as the church loves its needy by caring for them it bears witness to God's care and love to those in need and witnesses to those outside the church in a most powerful way So we see that God is truly at work in trials both personally and corporately glorifying himself conforming us to the image of Christ witnessing to the world and building his kingdom It is a picture of God at work in a particularly powerful way
