God Without Dogma A Path To Reclaiming Your Spiritual Life:

God Without Dogma Hugo Fruehauf, 2004-06-30 This book is in the personal growth and spiritual self help category It is all about the ills of religious dogma and how a believer in God can be freed from it More often than not when fervent believers become disenchanted with their religious group chucking it all is the response These disillusionments usually have very justifiable reasons but because of the believers lack of knowledge feelings of guilt and the pressure from faithful peers the separation is traumatic However this life changing period can be turned into a rewarding spiritual experience and this is where this book comes in It analyzes religious dogma how it begins what perpetuates it and demonstrates how dogma is the result of man made religious procedures that in time become God The outcome of all the analysis is a path for the troubled believer to embrace a new and spiritual walk with God one not imposed by others *Snap Out of It* Barry Bragg, 2005-03 In the short but powerful book *Snap Out of It* author Barry Bragg invites you to discover that a questioning mind an independent spirit and a sense of humor are the holy trinity of spiritual sanity An honest examination of religion takes us to a place of humility not rigid dogma or superiority We discover at long last that the Universe does not behave in a way that makes us comfortable and in fact is bursting with unpredictability and diversity Doubt is essential for illusion and self deception are the hallmarks of the human mind With wishful thinking on one end and paranoid delusion on the other the ability to see through these products of human imagination takes us to safety and sanity This book gives you the information and inspiration to resist the pressure to conform to shoulds either from religion or society Refuse to pretend you know when you don't know Stand tall and celebrate the gifts of your innate reason intuition and individuality If you walk a spiritual path make sure it comes from the light of your own being a spontaneous personal free flowing natural spirituality Traditional religion tells us the word of God is true However if you begin with the idea that whatever is true is the word of God and make that search for yourself you're on the journey to inner freedom May this book be a source of light and liberation and yes laughter Reclaim your spiritual sanity and integrity and know that the true will set you free *Reclaiming Your Divine Birthright* Bishop Kwabena Rainey Cheeks, 2011-04-20 *Reclaiming Your Divine Birthright* serves as a guide for all who seek the kingdom of God within their own hearts It draws upon the insight that when God blew into Adam the breath of life he gave people his kingdom as their divine birthright Bishop Kwabena A Rainier Cheeks takes readers on a journey through the life of Jesus from his birth through his transfiguration He shows how to apply to one's own life the spiritual truths revealed in Jesus's life The approach of *Reclaiming Your Divine Birthright* encompasses four parts setting a foundation of understanding the nature of spiritual truth beginning the journey to the kingdom of God appreciating the reality of Jesus's life and exploring the stages of enlightenment You may feel in your heart a yearning to know the deep truths of life an attraction to exploring the life of Jesus as a way to gain personal insight and a calling to reach out and to grasp the fruit of knowledge God has promised you If you have these feelings then *Reclaiming Your Divine Birthright* will give you the guidance rooted in an

exploration of the Bible's witness and God's revelation of his kingdom for discovering the kingdom of God in your own heart

The Culture Is I-God Book I & II Divine39 Allah,2016-11-22 It requires only a small book to explain the truth of science history law psychology sociology mathematics etc However it requires a very large book to cover up the truth of science and or history by using Mythology Theology Isms Race and Fiction The Black men women and children continue to be economic and social slaves because of a lack of knowledge of history and science the world over The Great Pyramids of Giza was built by Khufu a great Asiatic builder who sees a Black man of Nile and his family The fallen sons and daughters of the Asiatic Nations need to learn to love instead of hate and to know of their higher self and lower self This is the uniting of the tribes and families for teaching and instructing all families of the planet earth and in the universe Upon The Nature and Significance of the Culture of the Asiatics The Book Culture is I God has for its primary object the construction of a map of the history of the world from an Asiatic Blackman's perspective **The Culture Is I-God I & II** Divine39 Allah,2016-12-04 The Five Percent Nation are the Gods He was teaching in the Temple in 1963 and left in June or July He was there for three and one half years 1960 1963 All men lie when they are afraid Some tell many lies some but a few Some have only one great lie they tell so often that they almost come to believe it though some small part of them will always know that it is a lie and that will show up on their many faces On the Edge of the Field Richard Sievers,2018-06-13 These poems are the recordings of my journey from neophyte farmer and father to a more seasoned and solid soul These words are the chronicle of eight years working on and stewarding an organic farm in the Pacific Northwest of the USA I wrote most of these poems in an old cabin sitting behind a picture window above the farm and pasture You may notice how the first entries reflect a steep learning curve on how to be a sensitive man in an intense world of parenting marriage and business For these were my first years inhabiting all three of these labels These years began with hope and idealism They end with both losing the farm and gaining a much deeper set of inner resources to be alive and to be of service *Comparative Mysticism* Steven T. Katz,2013 This collection of primary texts introduces readers to the mystical literature of the world's great religious traditions Beginning with an introduction by Steven T Katz a leading scholar of mysticism the anthology comprises poetry prayer narrative and other writings from Jewish Christian Muslim Hindu Buddhist Taoist Confucianist and Native American traditions This collection provides readers not only with the primary mystical texts from each religious tradition but with an explanation of the context of the source and tradition *Comparative Mysticism* shows how the great mystical traditions of the world are deeply rooted in the religious traditions from which they originated The contextual methodological approach taken throughout the anthology also addresses the critical question of what these mystical traditions at their highest level have in common Despite the prevailing view that mystical traditions throughout the world are essentially similar the presentation of the sources in this volume suggests that in fact the various traditions have distinct teachings and different metaphysical goals The writings collected in *Comparative Mysticism* address the most fundamental and important methodological

epistemological and hermeneutical questions regarding the study and interpretation of mysticism and mystical sources across cultures This anthology will be an invaluable resource to students and scholars of mystic tradition for years to come
