God Dependency Lynne Bundesen,1991 *GodDependency* Lynne Bundesen,1989 *When People Are Big and God Is Small* Edward T. Welch,2023-06-11 Overly concerned about what people think of you Edward T Welch uncovers the spiritual dimension of people pleasing what the Bible calls fear of man and points the way through a true knowledge of God ourselves and others *The Self on the Shelf* Gary Greenberg,1994-01-01 The Self on the Shelf examines the cultural and philosophical determinants of popular recovery books Greenberg argues that this literature can be read as documents of the prevailing understanding of the self in American society The construction of the self promoted by recovery literature is seen as a nihilistic one insofar as it denies the significance of what continental philosophy calls the Other In this sense the self help books are correct in their assertion that we have lost sight of how to love but their proposed solution shows up as a recapitulation and strengthening of the conditions that gave rise to this situation in the first place Greenberg s critique provides a commentary on the difficulties that face our culture in achieving any sense of meaningful community and on the way that this problem surfaces in a highly popular discourse *Digest of Neurology and Psychiatry* ,1989 *RIC.* ,1990

The Happy Heretic Leo Booth,2012-12-03 Religion can be source of comfort when facing struggles both personal and universal But clinging to religion as a codependent fix for all problems can cultivate excessive fear shame guilt and low self esteem Acclaimed author Reverend Leo Booth a Unity minister and former Episcopal priest warns that a belief in tenets like Everything happens for a reason and This is in God's hands can be the first step in developing religious codependency Rev Leo turns traditional thinking and spirituality upside down by suggesting that many toxic messages emanate from core religious beliefs In The Happy Heretic he challenges beliefs like original sin a dogmatic one way path to God the shaming of human sexuality religious codependency and the exclusiveness of Jesus perfection within the human race The arguments he presents are derived from Pelagius a fourth century monk who challenged the teachings of St Augustine and Rumi a revolutionary thirteenth century poet and philosopher In his confessions St Augustine's states It is only by Your grace and mercy that You have melted away the ice of my evil Pelagius felt this idea lacked balance It affirmed only God's role and didn't speak to our involvement Likewise Rumi believed that God's spirit exists within all human beings and enables divine creativity in life The theology philosophy and recited prayers we learned through organized religion often emphasize the idea that we are sinful people who are dependent upon a powerful and punishing God The Happy Heretic provides an escape from this shadow by encouraging readers to enter into a partnership with God affirming personal dignity alongside responsibility

in other words free will and the choices we make determine much of the success or failure we encounter Real life examples of the core issues surrounding religious codependency along with Seven Spiritual Insights help readers rethink their religious beliefs including the prayers they grew up with to form a deeper more spiritual understanding of who they are and their connection with God In this thought provoking read Reverend Leo calls himself a heretic a person who is willing to think differently and he invites readers to discover an alternative explanation for how we experience God s grace The Happy Heretic explains this divine relationship in ways that make us feel alive empowered and still true to who we are The Happy Heretic confronts toxic religious messages and brings a spiritual awareness that affirms human possibility and responsibility This book is not for the fainthearted John Bradshaw author of Homecoming [Confessions of an X-Codependent](#) Jami Salters,2020-05-11 Confessions of an X Codependent is the chronicles of a woman s journey of seeking and finding true freedom in Christ Author Jami Salters takes her readers on an intricate voyage through the deepest darkest recesses of abuse abandonment depression shame guilt lies bitterness fear rejection and much more Her goal in scribing this book was not merely to express her emotions about her tribulations but rather to expose the lies of an invisible enemy who is always afoot one who purposes to kill steal and destroy all of us She desires to reveal the heart of God who saved her wholly and completely not just from eternal hell Holy Spirit became her guiding source into the liberty that can come only from God By discovering her true identity founded in Christ she became empowered so as to overcome the false identities the world encroached upon her from numerous outside sources Currently her directive in this life is the same as that of Jesus Christ which is stated in Luke 4 18 19 and Isaiah 61 1 to open blind eyes bring good news to the poor comfort the brokenhearted and to proclaim liberty to captives and freedom to prisoners I had the honor of working with Jami on this fantastically vital book What I knew instantly and what I have found to be true over the last many years is that Jami is an amazing humble woman of God whose spirit and heart are pure through and through She is a gentle kindhearted woman whose only desire is to serve the Lord and aid others in their journey through life Her story will lead people out of bondage and into the liberty of Christ Her life is nothing short of a miracle Jami is a rare gem in this world and what she offers is priceless to anyone attempting with futility to walk this earth while bound in the shackles of codependency Codependency is a vicious insidious villain who once it gets its claws in a person refuses to willingly let go One must first learn and accept that they are codependent Secondly they must recognize their situation isn t hopeless regardless of how it may feel in the moment In Confessions of an X Codependent Jami has well articulated the problem as well as the solution In between the problem and solution she takes her readers on a harrowing journey of sorrow and heartache all the way into relief and peace Join Jami in her experiences so as to discover whether or not this may be you or someone you love I implore you to take a serious and genuine look at yourself and your life Ask the hard questions of Is this me Could this be me on some level Knowledge is power and once we gain knowledge and learn what to do with it power is combined with authority Everyone has authority

over their own life whether or not one can realize it We all have a choice We all have the power to change our narrative Christ is the answer and the narrative changer No one has to be what they've always been unless they so choose Alexys V Wolf Author and Minister Founder of The Fiery Sword Global Ministries and The Fiery Sword Publications **A Practical Guide to Self-Deliverance** Dr. Dennis Clark, Dr. Jennifer Clark, 2016-11-15 You were created for the devil to fear you Deliverance Made Simple shows you how to receive freedom for yourself and empowers you to make sure that every door to the enemy in your life gets closed and stays closed Sid Roth host It's Supernatural Deliverance is Simpler Than You Thought Deliverance hellip *Angel S Wings* Angel Nally, 2017-11-07 This is a book written in hopes of bringing inspiration to those who may suffer codependency a toxic understanding of love Having a false sense of responsibility for others In this book is a collection of one woman's personal journey of recovery that took years Suffering years of verbal abuse emotional neglect betrayal and divorce has experienced the pain of emotional healing to spiritual freedom Discovering who she is along the way has led her to finding faith in God and learning how to fly No longer just surviving but living an abundant life in knowing who she is A vintage soul living in a gypsy world A book of spiritual insight encouragement and devotional scripture to bring strength and courage to others looking for freedom from those that control and manipulate Yes you can love yourself without guilt The greatest fear Walking away from ones you have loved too much for so long only to realize they will let you walk and you will be replaced This is the heart of a codependent Fear of not being loved or valued by others **The Boy and The Ogre** Chip Dodd, 2023-08 The Boy and The Ogre is a story about the restoration of the Six Freedoms that we come into life with as God's gift to us The Six Freedoms are to be developed nurtured and grown so that we can live fully in relationship with ourselves others and God When we are taught to give up the heartbeat of the freedoms the result is codependency In its simplest form codependency is the loss of self awareness self trust self expression and inherent sense of worth that allow us genuinely to depend on others and God for relational connection which is the food of life We lose the capacity to thrive as we are created by God to do In codependency survival takes the place of our inherent desire to thrive Recovery ushers us into the lives we are created to have **I Am** Kathleen Delia Rogers, 2005-10-01 Codependency is idolatry Interdependency is love There is a fine line between the two Crossing over the bridge from one to the other can be done through the saving grace of Jesus Christ Emotional abuse torments the soul but God can heal every wound It is His intent that His people live in Shalom which means peace prosperity protection healing and wholeness This book is intended to help wounded souls who have not been able to find a safe place to rest their heads Come home to the arms of a loving Father a caring spouse a faithful friend and the ultimate mentor Come to me all ye who are weary and heavy laden and I will give you rest Take my yoke upon you and learn from me for I am gentle and lowly in heart and you will find rest for your souls For my yoke is easy and my burden is light Matthew 11:28-30
