**Voices and Echoes** Jo-Anne Elder, Colin O'Connell, 2010-10-30 Every time we raise our voices we hear echoes Jo Anne Elder from the Foreword Through short stories journal entries and poetry the women in *Voices and Echoes* explore the changing landscape of their spiritual lives Experienced writers such as Lorna Crozier Di Brandt and Ann Copeland as well as strong new voices appear to speak to each other as they draw from a wealth of personal resources to find a way to face life's questions and discover meaning in their lives There is something familiar about these stories and poems they echo those we've heard before and those we've half forgotten Whether they search for a voice in a world where men monopolize or journey into painful memories to free the self from the past they do not despair they do not end Individual entries become the whole story an unending story of rebirth and reaffirmation The book begins with an illuminating foreword that introduces readers to the cultural and philosophical background of many of the stories and concludes with the reflections of scholars writers and artists that are intended to provoke further discussion Jesus: Miriam's Child, Sophia's Prophet Elisabeth Schüssler Fiorenza, 2015-11-19 In *Jesus Miriam's Child Sophia's Prophet* Elisabeth Schüssler Fiorenza makes a unique contribution to two quite different discussions of Jesus the Christ On the one hand she looks at biblical christology from a critical feminist perspective in the tradition of liberation theology On the other she examines the feasibility of a feminine christology by considering such problems as Christian anti Judaism ideological justification of domination religious exclusivism and the formation of patriarchal identity Reimagining the Jesus movement in a feminist key transcends the boundaries set by history gender and doctrine By assessing various Jesus traditions and interpretations in terms of whether they can engender liberating visions for today Schüssler Fiorenza seeks to challenge and transform a Christianity dominated by masculinity and exclusivist theological frameworks so that it offers a vision of justice and well being for all the central image in which is the reign the coming world of God This Cornerstones edition features a new extended introduction which takes into account the developments in the field since the work was originally published in 1994 **Cauldron of Changes** Janice C. Crosby, 2023-10-26 The spiritual dimensions in the fantastic works of both firmly established and newer writers including such talents as Marion Zimmer Bradley Alice Walker Patricia Kennealy Octavia Butler Toni Morrison and Ntozake Shange are examined in this book The author links their fantastic novels to actual currents within the feminist spirituality movement addressing the genre's use of goddess worship psychic phenomena and reverence for the earth Special emphasis is given to both the struggle to provide an alternative to men centered experience and to the need to articulate ways in which feminists can achieve personal and social power **The WomanSource Catalog & Review** Ilene Rosoff, 1995 Syzygy, 1993 *The Writers Directory*, 2013 **Feminist Collections**, 1995 *Elenchus of Biblica*, 1995
