Goddesses Mythology And Symbols Of The Goddess:

The Song of Eve Manuela Dunn-Mascetti,1990 The Song of Eve is the song of all women It s a chant sounding from centuries ago out of the mouths of the goddesses who gave women their strength and individuality Lover mother priestess creator destroyer virgin muse here lie the most powerful female images in a rich tapestry of words and pictures for the woman of today to discover and celebrate the goddess in herself

The Language of the Goddess Marija Gimbutas,1991 The purpose of this book is to present the pictorial script for the religion of the Old European Great Goddess consisting of signs symbols and images of divinities These are our primary sources for reconstructing this prehistoric scene and are vital to any true understanding of Western religion and mythology

Mythology and Symbolism of Eurasia and Indigenous Americas Małgorzata Oleszkiewicz-Peralba,2022-12-09 A system of myths symbols and rituals dating back to the Paleolithic and Neolithic survives in present day imagery In exploring this system special attention is drawn to the linkage between ancient and contemporary civilizations of Eurasia and Mesoamerica as seen in their cosmology and expressed in common mythological and iconographic themes The author examines contemporary Middle American and eastern European textiles especially women s garments that contain an elaborated sacred code of symbols and include remnants of the four horizontal directions and the three vertical worlds that portray the structure of the universe The cosmology contained in patterns around the world denotes striking parallels that attest to internal connections between different cultures beyond time and place

Myths, Symbols and Legends of Solar System Bodies Rachel Alexander,2014-11-04 This book is an amateur astronomer s guide to the mythology and symbolism associated with the celestial bodies in the Solar System and even includes some of the legendary tales of people who had or have a connection with these objects It explores different cultures for example the Greco Roman and the Norse and different times and how stories were used to explain the worlds they saw above them You d be amazed how much of our world today reflects the myths and stories of these cultures Most amateur astronomers are familiar with the various Solar System objects but they will be only peripherally aware of what ancient cultures thought of these other worlds In fact the mythology of the planets challenges many twenty first century concepts and beliefs There are other books available on astromythology but this one focuses mostly on our own Solar System as opposed to the constellations and deep sky objects Alexander offers a new angle on timeless subjects and is exciting informative and dramatic as well as surprisingly relevant to everyday life Find out for yourself how our modern world is steeped in the bygone worlds of yesteryear

Encyclopedia of Goddesses and Heroines Patricia Monaghan,2009-12-18 This two volume set provides a comprehensive guide to the vast array of feminine divine figures found throughout the world Drawn from a variety of sources ranging from classical literature to early ethnographies to contemporary interpretations the Encyclopedia of

Goddesses and Heroines provides a comprehensive introduction to the ways goddess figures have been viewed through the ages. This unique encyclopedia of over thousands of figures of feminine divinity describes the myths and attributes of goddesses and female spiritual powers from around the world. The two volume set is organized by culture and religion, exploring the role of women in each culture's religious life and introducing readers to the background of each pantheon as well as the individual figures who peopled it. Alternative names for important divinities are offered as are lists of minor goddesses and their attributes. Interest in women's spirituality has grown significantly over the last 30 years both among those who remain in traditional religions and those who explore spirituality outside those confines. This work speaks to them all.
