Gods Character Understanding Bible Teaching:

Understanding and Using the Bible Christopher J. H. Wright, Jonathan Lamb, 2015-07-01 Understanding and Using the Bible is an engaging and exciting introduction to biblical methods and practices of study edited by two trusted teachers in collaboration with a diverse array of contributors Part one explores key Christian beliefs about the Bible and why it matters guides effective use and application of the Bible in different cultural and social contexts and encourages readers to take the Bible as a whole and build a biblical worldview Part two illustrates applied Bible use in different contexts with contributions from a variety of authors What You Need to Know About Bible Prophecy in 12 Lessons Max Anders, 1997-04-23 Prophets Rapture Tribulation Judgment End times Learn what the Bible has to say about prophecy how Christians differ in their views of the end times and what the universals are on which all Christians agree *Growing God's Family* Samuel L. Perry, 2017-06-13 Illustrates the hidden challenges embedded within the evangelical adoption movement For over a decade prominent leaders and organizations among American Evangelicals have spent a substantial amount of time and money in an effort to address what they believe to be the Orphan Crisis of the United States Yet despite an expansive commitment of resources there is no reliable evidence that these efforts have been successful Adoptions are declining across the board and both foster parenting and foster adoptions remain steady Why have evangelical mobilization efforts been so ineffective To answer this question Samuel L. Perry draws on interviews with over 220 movement leaders and grassroots families as well as national data on adoption and fostering to show that the problem goes beyond orphan care Perry argues that evangelical social engagement is fundamentally self limiting and difficult to sustain because their subcultural commitments lock them into an approach that does not work on a practical level *Growing God's Family* ultimately reveals this peculiar irony within American evangelicalism by exposing how certain aspects of the evangelical subculture may stimulate activism to address social problems even while these same subcultural characteristics undermine their own strategic effectiveness It provides the most recent analysis of dominant elements within the evangelical subculture and how that subculture shapes the engagement strategies of evangelicals as a group *UNSHAKABLE BELIEFS* Edward D.
