Gods False Gods And The Untouchables:

Gods, False-gods, and the Untouchables Swapan Kumar Biswas,1998 **Dr. B.R. Ambedkar : True Leader, Not A False God** Manoj Kumar Trivedi,2023-11-07 Gain understanding of Dr B R Ambedkar s legacy with True Leader Not A False God where insights into his life and ideals illuminate his enduring impact on Indian society This Book Dr B R Ambedkar True Leader not a false God is written as a rejoinder to Mr Arun Shourie s book Worshipping False Gods inwhich Mr Shourie had made various allegations against Dr Ambedkar The author has tried to give point to point rebuttal of Mr Shourie insinuation against Dr Ambedkar The book tries to cover Dr Ambedkar s work from 1932 to 1953 Poona Pact to his resignation from Nehrus Cabinet his struggle for political and social empowerment of his people depressed class and confrontation with Mahatma Gandhi over issue of reservation for depressed class his tenure as member of Executive Council of Viceroy and his attitude towards Quit India Movement and finally his work in the formation of the Constitution as Chairman of Drafting Committee A separate chapter is also added which is summary of his seminal work Thoughts on Pakistan to dispel the wrong notion that he was in support of demand for Pakistan Dr Ambedkar s speech while resigning from the Nehru Cabinet is also added as last chapter to highlight his commitment to Hindu Code Bill which he termed as biggest reform of Hindu society and his frustration and anguish over his failure to get it passed in Parliament *The Exposure of Anti Christ's League of the Untouchables, Inc.* Archbishop John Wesley Ellis Sr.,2006-08-22 This book is both allegorical and has the evidence of concealed truths The multitude of lies that have come through the minds of ungodly men and women which were made to be manifested by Satan are about to be destroyed with the Truth Everyone that is of a lie or of evil will face the Judgments of the Truth If you decided to read this book you will be obligated in the Day of Judgment of its contents THE GREATEST MEN AND WOMEN ON EARTH ARE AFRAID TO READ THIS BOOK **God of the Untouchables** Dave Hunt,John S. Gupta,1999 The son of a high caste Hindu moneylender Vankateswami Gupta broke with tradition in a land steeped in religion Upon his conversion he was renamed Paul after the great apostle because of his unusual zeal After being put out of his home and owning nothing more than the clothes on his back and a Bible Paul learned to walk with God **Fake Gods and False History** Jonathan Galton,2023-11-23 In an age where history is a global battleground and fake news proliferates culture wars are being waged across India over its future majoritarian or inclusive neoliberal or socialist religious or secular Fake Gods and False History takes us to the BDD Chawls a central Mumbai neighbourhood of tenement blocks chawls on the brink of a controversial redevelopment It reveals how contested narratives of Indian history play out in the daily life of this divided neighbourhood and how the legacies of certain godlike but very human historical figures such as Dr Babasaheb Ambedkar and Chhatrapati Shivaji are invoked by different communities Jonathan Galton draws on research conducted among the formerly untouchable Dalit Buddhist community who are staunchly opposed to the redevelopment plans and deeply critical of the religious nationalism they perceive in their Hindu neighbours We also meet young male migrants living in village linked

dormitory rooms called Gramastha Mandals trapped in a liminal space between urban and rural Throughout the book which is woven through with candid reflections on methodology and research ethics readers are challenged into drawing connections with their own experiences of history impinging on their lives A story that might initially seem parochial will thus resonate with a diverse global audience Impressing the Whites: The New International Slavery Richard

Crasta,2011-04-09 Imagine Edward Said George Carlin and Malcolm X jointly writing a book about universal racism from a cosmopolitan Indian s perspective and compiling The Fourteen Commandments of Impressing the Whites delivered by a White God Impressing the Whites is exactly that kind of book It had a controversial reception when first published in India where it was featured on national television and briefly made an online bestseller list Ferociously satirical and idealistic in turns Impressing the Whites suggests ways in which the world might be made fairer for its increasingly multicolored inhabitants The book also urges that diverse cultures and peoples retain their authenticity what makes them unique rather than succumbing to the universal tendency towards standardization The reader laughs squirms recognizes his her own hypocrisy and the blatant absurdity of most unquestioned social conventions Zany exuberance mischievous says one review Ferociously satirical idealistic and politically incorrect because political correctness becomes a barrier to thought and expression it is an argument for diverse cultures and peoples remaining authentic rather than succumbing to a global McDonaldsized culture It also examines the dilemma faced by non white people forced to strive to be judged and found worthy by the West but also yearn to be authentic What does this situation mean for authenticity honesty integrity and a mutually respectful and honest communication between West and East Boldly goes where no Indian writer has gone before The Asian Age Book Pick of the Fortnight **Nine Decades of Marxism in the Land of Brahminism** Saugat K.

Biswas,2008 *AMBEDKAR AND THE MAKING OF MODERN INDIA: SOCIAL TRANSFORMATION, DEMOCRACY AND GENDER JUSTICE* Dr. Chittaranjan Mallik, The idea of writing this book has been germinating in my mind for long time but due to certain unavoidable reason could not get it finished Really it is very tough task to put together Dr Babasaheb Ambedkar s ideas and thoughts on entirety in a single book yet this book is an attempt to provide a coherent account on his socio political struggles to establish an egalitarian transformative society with the ideas of liberty equality fraternity and social justice through the Constitutional means with all odds of caste indignities and challenged the age old social structure intellectually rooting on the ground and rendered unwavering contributions in making modern India *The Children of Sorrow* Manohar Patil,2020-09-18 The Children of Sorrow is not a fictitious literature though it is written in a fashion of a novel It is a kind of historical document of particular period What author has done only that he recreated all characters and thrown into new and dramatic circumstances This is a lamentable tale of untouchables who were victims to unequal social system poverty and discrimination The author minutely observed the twists and turns in their life till their involvement in three point formula of Dr Ambedkar educate organise and agitate The author explained how the untouchables were trapped

in poverty hunger dearth and starvation at all times How the villages were turned in to prison by the high caste people and how the untouchables put to torture there with a view to castrate their brain and morale Cruelty was the law of the land and it was destroying them physically and spiritually They were rendered to that position where the crocodile tears also didn't fall to their share

No Other Gods Ana Levy-Lyons, 2018-03-06 Ana Levy Lyons a public theologian who is equally at home in secular and religious worlds offers a deeply perceptive reinterpretation of the Ten Commandments for our modern lives The Ten Commandments are a spiritual resource for social justice A politically and spiritually brazen prescription for living the Ten Commandments would turn our world upside down if we actually followed them Far from being only ethical norms on which everyone already agrees or a remnant of a bygone oppressive era the Commandments are actually countercultural practices Today the Ten Commandments are a divisive part of American culture Religious conservatives champion them even if they don't always practice them Religious liberals and the nonreligious may bristle at what they perceive as antiquated moral restrictions But this ancient code still has vital contemporary relevance Rev Levy Lyons explores ways the Commandments bring us meaning illuminate our values and help us navigate through the turbulent waters of social injustice environmental crises and societal inequity No Other Gods looks at each Commandment in new ways moving beyond interpersonal morality to the global economy and our hyper connected age From the first You Shall Have No Other Gods Besides Me Dethrone the Modern Deities of Political Social and Corporate Power to the tenth Do Not Covet Practice Your Liberation You Have Enough You Are Enough and all those in between she underscores how the Commandments can produce a bold spiritual consciousness Whether you are deeply religious or spiritual but not religious learn how the Ten Commandments can guide you to resist injustice heal our earth and find personal dignity amid the free for all of modern life We don't have to invent a bunch of new practices for a meaningful way to live out our spirituality and social justice politics says Levy Lyons There is a perfectly good set of ten of them all ready to go with as much progressive firepower as any of us can handle that has existed for some three thousand years

Disenchanted India Johannes Quack, 2012 India is frequently represented as the quintessential land of religion Johannes Quack challenges this representation through an examination of the contemporary Indian rationalist organizations groups who affirm the values and attitudes of atheism humanism or free thinking Quack shows the rationalists emphasis on maintaining links to atheism and materialism in ancient India and outlines their strong ties to the intellectual currents of modern European history At the heart of Disenchanted India is an ethnographic study of the organization Andhashraddha Nirmulan Samiti Organization for the Eradication of Superstition based in the Indian State of Maharashtra Quack gives a nuanced account of the Organization's specific mode of unbelief He describes the group's efforts to encourage a scientific temper and to combat beliefs and practices that it regards as superstitious Quack also shows the role played by rationalism in the day to day lives of the Organization's members as well as the Organization's controversial position within Indian society Disenchanted India contributes crucial insight into the nature

of rationalism in the intellectual life and cultural politics of India **Gandhi against Caste** Nishikant Kolge,2018-02-15 In 1909 while still in South Africa Gandhi publicly decried the caste system for its inequalities Shortly after his return to India though he spoke of the generally beneficial aspects of caste Gandhi s writings on caste reflect contradictory views and his critics accuse him of neglecting the unequal socio economic structure that relegated Dalits to the bottom of the caste hierarchy So did Gandhi endorse the fourfold division of the Indian society or was he truly against caste In this book Nishikant Kolge investigates the entire range of what Gandhi said or wrote about caste divisions over a period of more than three decades from his return to India in 1915 to his death in 1948 Interestingly Kolge also maps Gandhi s own statements that undermined his stance against the caste system These writings uncover the strategist Gandhi who understood that social transformation had to be a slow process for the conservative but powerful section of Hindus who were not yet ready for radical reforms Seven decades after it attained freedom from colonial powers caste continues to influence the socio political dynamics of India And Gandhi against caste the battle is not over yet *Who Worship False Gods* Ganga Das,1997 *No Other Gods* H. M. Vroom,1996 Christianity is no longer the dominant belief system in today s pluralistic culture Eastern religions especially have attracted wide interest Pressing the theological and dialogical dimensions of religious pluralism Vroom offers a broad study of the views of Christianity Buddhism Hinduism and Islam especially their views on truth *The Truth about the Gita* Nārāyaṇa Veṅkaṭeśvararāvu,1988 Presentation of the thesis that the Bhagavadgītā is a non ethical work

Close Encounters with God Dr. Reginald O. Crosley,2014-07-09 Close Encounters with God presents a study of multiple close encounters with Yahweh the name of God in Hebrew Scripture These encounters enable us to have a clearer portrayal of the self revealed God one who is different from the conceptualized deity envisioned through such means as transcendental meditation vision quest or mystical rapture By rediscovering the true personality of the self revealed God we will be able to understand the great mysteries of the universe that have baffled mankind for millennia Why do the blameless suffer Why does evil persist in the world Why do the wicked prosper Must the chosen people suffer the destiny of martyrdom And why should Yahweh remain the hidden God **God, Jesus, and Other Foolishness** Jeffrey A. Kramer,2022-09-13 In our post Christian society many skeptics atheists and agnostics assume that the Christian faith involves belief in spite of a lack of evidence and that Christianity encourages its adherents to be satisfied with not understanding the world This is untrue Christianity has a legacy of thought and logic and a convincing case can be made that modern science and Western culture could only have sprung from the Judeo Christian worldview Although questions of origins purpose and meaning are not easily proved true in a scientific or empirical sense things can be true without empirical proof It does not follow that religion is untrue or that religious belief is for the credulous and the gullible Many of the presuppositions underlying any worldview cannot be proven empirically and acceptance of many of the truth claims of atheism and postmodernism requires just as much faith as acceptance of the fundamentals of Christianity This book is an attempt to demonstrate that biblical

Christianity is true in the sense that it is a logical interpretation of reality and our lived experience and that the implications of Christian faith make more rational sense than a rejection of that faith **Christian Advocate** ,1929 *The People and the People of God* Hans Ucko,2002 The Jewish Christian dialogue continues to be a challenge for Christian theology calling for a rethinking of Christian hermeneutics Hans Ucko widens the arena for Jewish Christian dialogue and proposes a constructive interaction between contextual theologies and Jewish Christian dialogue Minjung theology from South Korea and Dalit theology from India have creatively worked with the concepts people peoplehood and People of God The Jewish Christian dialogue has likewise delved into the question of People of God An encounter between these two worlds might be mutually enriching and challenging **The Other Fifties** Joel Foreman,1997 From the Edsel to Eisenhower from Mau Mau to Doris Day and from Ayn Rand to Elvis contributors to *The Other Fifties* topple the decade's already weakened image as a time of unprecedented peace prosperity and conformity Representing the fifties as a period of cultural transformation contributors reveal the gradual unmaking of traditions and value systems that took place as American culture prepared itself for the more easily observed cultural turbulence of the 1960s Well known contributors demonstrate how television the novel the Hollywood movie the Broadway musical and rock and roll assaulted midcentury American attitudes toward sexuality race gender and class so altering public sensibilities that what was novel or shocking in the fifties seems tame or even downright difficult to grasp today They also rebut the widely held view that 1950s consumerism led to cultural homogeneity replacing this view with a picture of robust popular markets that defied conservative controls and actively subverted conventional norms and values Brushing away the haze of an era *The Other Fifties* will help readers understand the decade not as placid or repressed but as a time when emancipatory desires struggled to articulate themselves
