Kwiyani,2020-04-30 Multicultural Kingdom explores some of the causes and implications of ethnic diversity on the British Christian landscape and the landscape of theology itself Why do we prefer to remain segregated in our ecclesiology Why do several churches of different ethnic heritage use the same building for services on Sunday but not worship together      Practicing Ministry in the Presence of God John Jefferson Davis,2015-07-13 Practicing Ministry in the Presence of God presents a new paradigm for church ministry one that is based on fundamental truths of the Christian faith such as the Trinity union with Christ and the already presence of the Holy Spirit in the church This new paradigm can help busy pastors avoid burnout in the ministry and model Trinitarian New Testament patterns of ministry to their people Practicing Ministry in the Presence of God reflects the best of recent New Testament scholarship sensitivity to the contexts of globalized postmodern cultures dominated by digital media and practical applications for Christian life discipleship worship and mission      **The Mission of Worship** Sandra Maria Van Opstal,2012-10-03 In this Urbana Onward minibook Sandra Van Opstal argues that culturally diverse worship practices create a space for us to encounter the mission of God Such a missional approach to worship she promises will renew the church s vision and witness proclaiming that the kingdom of God is here accomplishing reconciliation justice and shalom      **Gather Into One** C. Schreiter,2007 In 2002 Philip Jenkins wrote The Next Christendom Over the past half century the centre of gravity of the Christian world has moved decisively to the global South says Jenkins Within a few decades European and Euro American Christians will have become a small fragment of world

Christianity By that time Christianity in Europe and North America will to a large extent consist of Southern derived immigrant communities Southern churches will fulfil neither the Liberation Dream nor the Conservative Dream of the North but will seek their own solutions to their particular problems Jenkins book evoked strong reactions a bit to his own surprise as the book contained little new In the United States of America the prospect of a more biblical Christianity caused reactions of alarm in liberal circles In contrast conservatives were delighted by the same prospect In Europe the book landed in the middle of the debate on Europe as an exceptional case It was detested by those who stick to the theory of ongoing and irreversible secularisation and welcomed by those who see a resurgence of religion also in Europe In the present volume scholars of religion and theologians assess the global trends in World Christianity as described in Philip Jenkins book It is the outcome of an international conference on Southern Christianity and its relation to Christianity in the North held in the Conference Centre of Radboud University Nijmegen the Netherlands
