Gods Hammer The Bible And Its Critics:

God's Hammer ,2011 **A Theology for the Church** Dr. Daniel L. Akin,2014-06-01 The revised edition of *A Theology for the Church* retains its original structure organized under these traditional theological categories revelation God humanity Christ the Holy Spirit salvation the church and last things Each chapter within these sections contains answers to the following four questions What does the Bible say What has the church believed How does it all fit together How does this doctrine impact the church today Contributions from leading Baptist thinkers R Albert Mohler Jr Paige Patterson and Mark Dever among others will also appeal to the broader evangelical community Included in this revision are new chapters on theological method from a missional perspective Bruce Ashford and Keith Whitfield and theology of creation providence and Sabbath that engages current research in science and philosophy Chad Owen Brand Chapters on special revelation David Dockery and human nature John Hammett have also been updated *The Debaters of This Age* Steven H Propp,2019-02-05 It is June 2018 as an unusual group of scholars professors lecturers and students gather in a California hotel They are all attendees of an Apologetics conference intended to join qualified representatives of Christian Deist and Atheist thought for a two week no holds barred debate and discussion of their respective positions that will ultimately be included in a book published after the conference Evangelical Christianity is represented by advocates of Evidentialist and Presuppositionalist approaches to Apologetics Catholicism liberal Christianity and Deism are also well supported The Atheist perspective is advocated by a polemical author and a college professor notorious for attacking the views of his Christian students As the participants argue over controversial issues such as cosmology evolution The Bible historical evidence for Jesus the resurrection biblical prophecies and the problem of evil intellectual fireworks result But what will result when such a volatile and eclectic group is placed face to face for more than two weeks The Debaters of this Age is the tale of what happens inside a California hotel in 2018 when a group of intellectuals gather to vigorously discuss the religious issues of our time **Many Infallible Proofs** Henry Morris,2021-12-02 Evidence for the inspiration of the Bible the deity of Christ testimony of fulfilled prophecy and the argument for the existence of the God of the Bible The uniqueness of Christianity authenticity of God s Word and character of God Many people in Christian circles today no longer believe that the Bible is reliable in its traditional literal and historical sense They have come to feel that their religious experience must be realized either through some sort of subjective encounter with Christ or else through involvement in social action movements The emphasis is now on relevance and fulfillment rather than truth The purpose of this book is to survey the many infallible proofs of the unique truth and authority of biblical Christianity together with a refutation of its alleged fallacies and a reconciliation of its alleged discrepancies Not only is there no mistake or contradiction in the Bible but also there are innumerable evidences of its divine inspiration and authority *Is My Bible the Inspired Word of God?* Edward W. Goodrick,2007-05-15 Evangelical Christians vigorously defend the Bible as the inspired Word of God yet we limit that term just to the autographs those original writings

of the Scriptures that no longer exist What does this say for the reliability of your Bible Can you honestly and truthfully claim that your Bible translation is the inspired Word of God Ed Goodrick believes that we need to adjust our thinking about inspiration a change that argues that the Bible that you actually hold in your hand is also rightly described as the inspired Word of God His enlightening discussion of the nature of God s revelation the accurate copying of these original writings the careful comparison of the manuscripts textual criticism and their translation into contemporary languages will give you a renewed confidence in the trustworthiness of your Bible Goodrick also explores the issues that surround interpreting the Bible for if it is misused by present day readers it does little good practically to assert its divine origin Ray Lubeck has sought to bring this very important work back into print for a new generation of believers who now need more than ever in this increasingly postmodern culture to learn that the Bible is worthy of your trust commitment study and confidence Though Goodrick s arguments are timeless his wording and sources have now been completely updated giving the second edition of *Is My Bible the Inspired Word of God* an easy to read style for today *Hidden and Revealed* Dmytro

Bintsarovskiy,2021-07-14 A major contribution to ecumenical reflection on the doctrine of God The past century has seen renewed interest in the doctrine of God While theological traditions disagree their shared commitment to Nicene orthodoxy provides a common language for thinking and speaking about God This dialogue has deepened our understanding of this shared way of thinking about God but little has been done across ecumenical lines to explore God s hiddenness in revelation In *Hidden and Revealed* Dmytro Bintsarovskiy explores the hiddenness and revelation of God in two separate theological streams Reformed and Orthodox Bintsarovskiy shows that an understanding of both traditions reflects a deep structure of shared language history and commitments while nevertheless reflecting real differences With Herman Bavinck and John Meyendorff as his guides Bintsarovskiy advances ecumenical dialogue on a doctrine central to our knowledge of God 7

Reasons Why You Can Trust the Bible Erwin W. Lutzer,2015-07-24 Can you trust the Bible Many answer this question with a staunch No Critics increasingly attempt to poke holes in the authority of Scripture and deflate faith among believers But ask Dr Erwin Lutzer if you can trust the Bible and he ll give a resounding Yes In this revised and expanded edition of the popular book *7 Reasons Why You Can Trust the Bible* Dr Lutzer offers seven foundational arguments for the reliability of Scripture In clear easy to follow language he explores The Bible s claims about itself The historical reliability of the Bible The prophetic predictions of the Bible The claims of Christ concerning Scripture The harmony between science and the Bible The providence of God in preserving Scripture The power of the Bible to change lives In the court of truth the Holy Spirit testifies to the authority of Scripture and all the evidence lines up Read *7 Reasons* and let your confidence in God s Word increase Dig deeper with the *7 Reasons Why You Can Trust the Bible* DVD and Study Guide *The Presbyterian Philosopher* Douglas J. Douma,2017-01-24 This is the story of Gordon Clark 1902 85 respected philosopher and prolific writer who held that Christianity as a logically coherent system is superior to all other philosophies Clark fought no wars and conquered no

kingdoms Yet he was a leading figure in many theological wars fought for the Kingdom of God These battles for the minds and souls of men were every bit as crucial as physical wars between nations In an age of increasing secularization he put up an intellectual defense of the Christian faith This faith he believed was a system All of its parts link together a luxury of no other philosophy His stance shows a Christianity that is in fact intellectual not relying on appeals to emotion or experience In propounding this view he encountered frequent opposition not from the secular world but from within his own denomination This biography helps explain why his thought was so profound why resistance mounted against him and how his struggles impacted American Presbyterianism Additionally this book calls for a reappraisal of Clark's views which have been maligned by controversy Understanding and applying his views could significantly fortify Christians combating irrational and non systematic ideas prevalent in today's churches

Seven Reasons Why You Can Trust the Bible Erwin W.

Lutzer, 2008-09-20 In a society where relativism is the most acclaimed philosophy it is of utmost importance that Christians believe absolutely that the Bible is the inerrant Word of God Erwin Lutzer takes readers on a journey of faith where they are asked some of the most fundamental questions a person could ask In his readable yet profound style Lutzer critically examines proof that will determine supernatural authenticity of the Bible

Dictionary of Modern American Philosophers
