Gods Love Is Like:

God's Love Is Like... Rick Carrol, 2022-11-17 For some people sadly the only parts of God and the church they know about are the ones that turn them off like how people are judged and how God gets angry Author Pastor Rick Carrol acknowledges church leaders haven't done the best job of telling the right stories They've made people think the most important part about God is something other than the love he has for you In God's Love is Like Carrol demonstrates that the totality of God's love is so different than anything you've experienced in terms of loving each other Yet in many ways how you love others reveals small parts of how he loves you Carrol shares fun stories and verses in the Bible that show how God loves you like an artist a patient grandparent a kindergarten teacher an honorable judge an empathetic counselor a proud parent a broken hearted love a benevolent king a jealous spouse and an adoptive parent God's Love is Like creates an understanding of all the ways God really loves you pulling from examples of your everyday relationships The Gift Robert Holman, 2025-04-25 Ephesians 3:17b-19a I pray that that you being rooted and established in love may have the strength with all the saints to grasp how wide and long and high and deep is the love of Christ and to know this love that surpasses knowledge Our Triune God proclaims His love for us in the Bible some 300 times in over 280 verses In fact the Scriptures proclaim that God is love When God's Word proclaims that God is love it is not just a comforting phrase it is a profound truth that has the power to transform our understanding of God and how we relate to and praise Him While we may find ourselves familiar with the fact that God loves us we may not necessarily have a clear understanding of what His love is like Drawing from Scripture alone The Gift is designed to clarify what God is love means Specifically What does God's Love Look Like How is God's Love Expressed to Us Why does God Love Us The goal of this self-guided Bible study is to better understand God's love so as to encourage us in Christ and to inspire in us a growing amazement of the grace of God so that we would praise and worship Him more now than ever before **To Love as God Loves** Roberta C. Bondi, 1987 Being a Christian means learning to love with God's love But God's love is not a warm feeling in the pit of the stomach It has definite characteristics we learn in the course of our life in the behavior and teaching of the early monastics as we ponder over what we can say about God as God deals with us and finally as we model our own lives on what we have learned **Memoirs from the Word of God Volume 2** Rev. Ronald Davis, 2020-07-22 This book is a compilation of inspirational encouragement from the word of God messages I have preached and taught over the years in ministry from past to present over thirty something years inspired by the word and Spirit of God words of hope and spiritual enlightenment and revelation I have spent years before the Lord listening to Him getting these messages and words and I really feel they will bless you Amen God's Love is Like a Rainbow Scott Barker, 2020 **God's Love Is Like Sunshine** Sarah Parker Rubio, 2022-01-04 Explore the infectiously cheerful nature of God's love with this heartwarming board book A joyful celebration of God's deep love for little ones God's Love Is Like Sunshine takes a subject that could be confusing God's love and makes it accessible to kiddos How

By comparing that love to objects and ideas children know and love such as warm sunshine overflowing orange juice and soft clouds These comparisons paint a beautiful picture of a love that is kind gentle and generous But most importantly God's Love Is Like Sunshine celebrates how God's love fills up our hearts so they overflow with kindness gentleness and generosity for other people With illustrations that radiate childlike joy and a message that encourages little ones to love God and the people around them this sweet board book is sure to make you smile

The Beauty of God Ben Pugh, 2023-02-08 Ever get the feeling that so much of what we give our time to is an exercise in missing the point The path towards recovering meaning purpose and right order in our lives is the path towards a fresh vision of our Creator Here in this short book you get to contemplate God From sixteen different angles you will have the chance to dwell upon who God is what we call the divine attributes It will remind you of why God is worthy of worship and in the process it may just realign your priorities

God and Bible Antony F. Campbell, 2008 GOD AND BIBLE demonstrates that the Bible is not a rigidly fixed Fundamentalist narrative describing events of long ago but an exciting treasury of spiritual questions dramatic surprises competing theological perspectives and even conflicting ideas all of which challenge the contemporary reader to deeper reflection and stronger faith In a series of brief engaging essays the author discusses the Creation accounts the Flood story Abraham the entry into Canaan the Judges David and the Kingship the Prophets Jonah Job and much more Each section begins with an introduction outlining the latest scholarship in accessible language and ends with a series of personal reflections Assuming that the Bible is not about a distant then the author explores Biblical texts for what they tell us about ourselves today For example why are there multiple Creation accounts in the Bible and what insights do they give us about unchanging human nature How do these insights apply to the world we live in now Drawing on the best of cutting edge Biblical scholarship this book unlocks the meaning and meanings of the Scriptures and shows how they challenge us to ask the questions that will truly transform our lives

Great Is the Lord Ron Highfield, 2008-08-15 In keeping with the classic Christian tradition Great Is the Lord sets out the doctrine of God in a way that illumines the mind moves the heart and stirs the soul to praise the triune God Ron Highfield introduces students ministers and others to the traditional doctrine of God held by the majority of the church from the second to the twentieth century God is triune loving merciful gracious patient wise one simple omnipotent omniscient eternal omnipresent immutable impassible and glorious Irenically challenging open theism and process theology Highfield shows that the classical doctrine of God actually preserves our confidence in God's love and his liberating action better than its opponents do This traditional doctrine Highfield argues grounds our dignity and freedom in the center of reality the trinitarian life of God Highfield's work maintains the highest intellectual standards throughout even as it offers a true theology for the praise of God

about 14 or 15 years old asked me to give him some money for lunch I thought Some lawmaker had the idea that he would
lower the amount of money that a parent can make to receive free lunches for their kid That lawmaker saved money by
taking food out of a kids mouth The kid said Will you lone me enough money to buy lunch I really mean Will you give me
enough money because I cant pay you back I saw a tear in his eye I just knew he was telling the truth I never saw this boy
before I hoped this would be the last time The boy had long hair an old green army type shirt and old blue jeans I condemned
him as not being good enough Anyone could wear better than that to school I gave him the money he wanted I was surprised

to see him walk out of the lunchroom and down the hallway If he wanted to eat lunch why was he not staying in line Even

Michalek,2017-07-19 You are holding a valuable and worthwhile expository tool that unfolds a fundamental theme the Kingdom of God The author labors with vigor to show that we have perhaps failed to examine the various aspects of the Kingdom of God God wants you to incorporate the Life of Christ in order for you to discover a new deeper experience of His incredible self sacrificial life unfolding in your journey with Him Christ the Key to Bible Knowledge Elliotte Ambrose Tuttle,1905

Ethics Karl Barth,2013-11-01 Originally published in German in an edition edited by Dietrich Braun Karl Barth s Ethics is at last available in English This volume containing lectures given as courses at the University at Munster in 1928 and 1929 represents Barth s first systematic attempt at a theological account of Christian ethics Although composed over fifty years ago just prior to Barth s thirty year devotion to Church Dogmatics many of its themes problems and conclusions are astonishingly relevant today his critique of competitiveness and of technology for example While this work is concerned with the foundations of ethics it also reveals Barth s highly practical interest in ethics and his special concern to avoid legalism and yet to maintain a structured divine command Barth s ethics are arranged on a Trinitarian basis dealing in succession with the command of God the Creator life the command of God the Reconciler law and the command of God the Redeemer promise Religion of the Gods Kimberley Christine Patton,2009

In many of the world s religions both polytheistic and monotheistic a seemingly enigmatic and paradoxical image is found that of the god who worships Various interpretations of this seeming paradox have been advanced Some suggest that it represents sacrifice to a higher deity Proponents of anthropomorphic projection say that the gods are just big people and that images of human religious action are simply projected onto the deities However such explanations do not do justice to the complexity and diversity of this phenomenon In Religion of the Gods Kimberley C Patton uses a comparative approach to take up anew a longstanding challenge in ancient Greek religious iconography why are the Olympian gods depicted on classical pottery making libations

The sacrificing gods in ancient Greece are compared to gods who perform rituals in six other religious traditions the Vedic gods the heterodox god Zurvan of early Zoroastrianism the Old Norse god Odin the Christian God and Christ the God of Judaism and Islam's Allah Patton examines the comparative evidence from a cultural and historical perspective uncovering deep structural resonances while also revealing crucial differences Instead of looking for invisible recipients or lost myths Patton proposes the new category of divine reflexivity Divinely performed ritual is a self reflexive self expressive action that signals the origin of ritual in the divine and not the human realm Above all divine ritual is generative both instigating and inspiring human religious activity The religion practiced by the gods is both like and unlike human religious action Seen from within the religious tradition gods are not big people but other than human Human ritual is directed outward to a divine being but the gods practice ritual on their own behalf Cultic time the symbiotic performance of ritual both in heaven and on earth collapses the distinction between cult and theology each time ritual is performed Offering the first comprehensive study and a new theory of this fascinating phenomenon Religion of the Gods is a significant contribution to the fields of classics and comparative religion Patton shows that the god who performs religious action is not an anomaly but holds a meaningful place in the category of ritual and points to a phenomenologically universal structure within religion itself
