Windows on Easter Bill Crowder,2011-03-01 See the death and resurrection of Christ through the eyes of those who were there A different perspective can revolutionize our appreciation of the familiar This is what Bill Crowder does as he examines the familiar Easter story By looking through the windows provided by some of the people who were there Malchus the Centurion Joseph of Arimathea Mary Magdalene and the other women disciples and the disciples on the road to Emmaus we

see and feel what they saw and felt and learn from their responses As we enter into the events that altered the world forever we get what we need most fresh perspective *Light Through Little Word Windows* Donald L. Totten PhD, 2018-09-21

LITTLE WORDS can be windows through which the light of Christ can shine So often we miss the little words in a verse This book explores some little two letter words in the Bible that make a BIG difference Many little words are explored IN for instance is an important little word Therefore if anyone is IN Christ he is a new creation old things have passed away behold all things have become new 2 Corinthians 5 17 When we are IN Christ we are a temple of the Holy Spirit In order to fully benefit from being His temple we need to be instructed structured using material from His word I have found that paying attention to little words gives more insight into and more powerful meaning to Bible passages Hopefully a year in this book of devotions will help in your understanding appreciation and use of the Bible Each month begins with a definition of that month s little word with information about its power and usage The definition is followed by a verse for each day of the month using that little word with thoughts for meditation and spiritual growth I wish for you the love joy grace and peace of God Please enjoy the impact of LITTLE WORDS

The Complete Works of C. H. Spurgeon, Volume 51 Spurgeon, Charles H., Volume 51 Sermons 2916 2967 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor

homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon

Give the Gun to God Richard A. Mamula, 2021-04-16 Have you encountered problems or disappointments in your life You are not alone Every day we deal with these things but God can help us if we will only trust Him In this book experiences from over fifty years of living are shared to offer encouragement and hope as we deal with life and the challenges it presents We are all human and make mistakes This book helps you to identify where you are and what you can do about it through prose poems and a plan to help you deal with whatever comes your way Why do you need to carry a gun People who carry guns often say it is their right or for their protection A gun can protect you but this book helps you learn how to give God the gun for not only your protection but your salvation as well In His Word God says Come unto me all who labor and I will give you rest The Word also states The Lord is my light and my salvation in whom shall I fear Neither scripture implies inaction but both encourage your reliance on God So give the gun to God and see what He can do for you

See You at the Finish Line Donald J. Wilton, 2006-10-15 Every Christian knows that life can be tough at the best of times Just as the running of a race takes extreme effort so it is that the Christian life is often a struggle but one well worth the effort The reality of life s journey can present major challenges Like a runner we need proper training and encouragement to make it to the finish line Dr Don Wilton uses the Book of Hebrews while drawing on his personal journey as a training manual for the race God has called us to run As we maneuver the course and cross the finish line we show others that living the Christian life really does make a difference
