Prosperity Is the Whole Gospel Blessing Okechukwu Ezema, 2013-10 The word prosperity has been misunderstood by many to mean only increase in material possessions However both the dictionary definition and biblical references to the term are all encompassing Scripturally prosperity means the total well being of man which includes his spirit soul and body 3 John 2 Isa 3 10 This perfectly described Abraham s life at his old age and we are commanded to follow his footsteps Gen 24 1 Isa 51 1 2 In Joshua 1 7 8 God commanded Joshua to be strong and very courageous in order to observe and to do the things written in the Scripture so that he will make his way prosperous and to have good success Similarly Jesus declares in John 10 10 that His purpose of coming is to give us life and that we may have it more abundantly Every good sermon therefore will usually include all or one of the following Prosperity of man s spirit which enhances his

harmonious relationship with God culminating in eternal prosperity Prosperity of the soul of man which leads to abundance of wisdom in dealing with all issues of life including generation of wealth Prosperity of his body leading to divine health and vitality All the above prosperity packages have righteousness as their foundation The understanding of this truth will help you to be self motivated towards serving God This is certainly one of the most important books written on the subject of prosperity for Christians It is a must read for all who desire to know the real meaning of prosperity and why God prospers those who serve Him Elder Dr Gospel Ikpeme provost Apostolic Theological College Abuja
