God's New Testament Economy

Witness Lee, 1986

God's New Testament Economy Witness Lee, God's New Testament Economy is a thorough study of the New Testament. It does not provide superficial inspiration nor is it a dry systematic analysis. However, in this book, Witness Lee presents a revelation of the Triune God's plan that will both inform and encourage the reader to pursue a full experience of our wonderful Triune God.

The Conclusion of the New Testament (1) Witness Lee, In the Lord's recovery during the past five hundred years, the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set, Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life, nourishment, or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

The Conclusion of the New Testament Witness Lee, 1985

The Economy

of God and the Mystery of the Transmission of the Divine Trinity Witness Lee, 2001-08-01 The first three chapters of this book give a general discussion of four great matters in the Bible: the economy of God, the dispensing of God, the union of God with His believers, and the corporate expression of God. The subsequent chapters go on to explain the profound truths and the experience of life related to these four great matters according to the book of Ephesians, the Gospel of John, and the Gospel of Matthew. Following this, the book proceeds to offer guidance to all those who have a heart to serve the Lord full time concerning the building up of themselves in the matters of life, truth, character, learning languages, knowing the church, living a healthy life, and managing personal finances as living witnesses of the Lord so that they may become useful vessels in the Lord's hands.

One Accord for the Lord's Move Witness Lee, 1986 *The Advance of the Lord's Recovery Today* Witness Lee, Throughout the centuries of church history the Lord has progressively carried out His work of recovery In this book Witness Lee shows that the Lord's present advance is to recover the priesthood of the gospel the organic building up of the Body of Christ the perfecting of the believers and the speaking of God's word for the building of the Body of Christ He concludes with help as to how we can practice these four matters *The Ministry, Vol. 11, No. 01*

Various Authors, 2007-01-01 This issue of *The Ministry* contains a complete record of the twelve messages given during the 2006 winter training on the Crystallization study of Mark held December 25-30 in Anaheim California The crucial truth and the burden embodied in these twelve messages may be summarized in four statements

- 1 When we live in the mingled spirit we are learning Christ according to the reality in Jesus by the Spirit of reality so that His biography becomes our history to be the reality of the Body of Christ
- 2 The kingdom of God is the Lord Jesus sown as a seed into the believers and developing into a realm over which God can rule in the divine life
- 3 Christ's person with His all inclusive death and His wonderful resurrection is our all inclusive replacement for the producing of the one new man so we must hear Him and see Jesus only
- 4 Let us go forth and preach Christ to all the creation proclaiming the gospel presenting the truth and ministering life for the growth development and manifestation of the kingdom of God

These messages are being published immediately following the

training in order that they may benefit the saints participating in the many video trainings that are held throughout the earth. The Announcements section includes a presentation of the present burden in the recovery concerning the Lord's move to Europe and the latest fellowship regarding the plan to build a ministry conference center in Anaheim California. In the Announcements section we also include the 2007 calendar giving the dates and locations of the seven Living Stream Ministry conferences and trainings, the seven annual feasts. One cannot measure the benefits derived from the Lord's rich speaking in His ministry and the mutual blending and building up of the saints and the churches in the Lord's recovery from every continent during these feasts.

Life-study of Mark Witness Lee, 2023-09-26. Matthew Mark and Luke are synoptic in portraying the Savior's humanity in different aspects with His deity. In the Life study of Mark Witness Lee leads the reader

into Mark's perspective and purpose in composing his Gospel and he shows how Mark's particular presentation of Christ applies to the believer's experience of Christ. Witness Lee shows that in his Gospel Mark presents the Savior as a slave. He explains that Mark does not tell the Savior's genealogy and status because the ancestry of a slave is not worthy of note. He further shows that in contrast to Matthew who presents to us the Savior's marvelous teachings and parables concerning the heavenly kingdom and John who presents His profound revelations of the divine truths, Mark's intention is not to impress us with the Slave's wonderful words but with His excellent deeds. In His gospel service, Mark's Gospel provides more details than the other Gospels in order to portray the Slave Savior's diligence, faithfulness, and other virtues in the saving service He rendered to sinners for God. In Mark's Gospel are the fulfillment of the prophecies in Isa 42:1, 4, 6, 7, 49:5, 7, 50:4, 7, 52:13, 53:12 concerning Christ as the Slave of God. His diligence in labor, His need of food and rest, His anger, His groaning, and His affection display beautifully His humanity in its virtue and perfection while His lordship, His omniscience, His miraculous power, and His authority to cast out demons, to forgive sins, and to silence the wind and the sea manifest in full His deity in its glory and honor. What a Slave of God! How lovely and admirable! Such a Slave served sinners as their Slave Savior with His life as their ransom for the fulfillment of the eternal purpose of God, whose Slave He was.
