## **Hidden Histories of Pakistan**

Sarah Fatima Waheed, 2022-01-20 Censorship Urdu literature Islam and progressive secular nationalisms in colonial India and Pakistan have a complex intertwined history Sarah Waheed offers a timely examination of the role of progressive Muslim intellectuals in the Pakistan movement She delves into how these left leaning intellectuals drew from long standing literary traditions of Islam in a period of great duress and upheaval complicating our understanding of the relationship between religion and secularism Rather than seeing religion and the secular as distinct and oppositional phenomena this book demonstrates how these concepts themselves were historically produced in South Asia and were deeply interconnected in the cultural politics of the left Through a detailed analysis of trials for blasphemy obscenity and sedition and feminist writers Waheed argues that Muslim intellectuals engaged with socialism and communism through their distinctive ethical and

cultural past In so doing she provides a fresh perspective on the creation of Pakistan and South Asian modernity Indian Review of Books ,1993 **Gods of God's Own Country - Theyyam Stories** Tiger Rider,Saji Madapat,EPM

Tahir,Qalandar Bux Memon,Vijay Prashad,2014-05-01 Since 9 11 Pakistan has loomed large in the geopolitical imagination of the West A key ally in the global

war on terror it is also the country in which Osama bin Laden was finally found and killed and the one that has borne the brunt of much of the ongoing conflict's collateral damage. Despite its prominence on the front lines and on the front pages, Pakistan has been depicted by Western observers simplistically in terms of its corruption, its fundamentalist Islamic beliefs, and its propensity for violence. *Dispatches from Pakistan* in contrast reveals the complexities, the challenges, and the joys of daily life in the country from the poetry of Gilgit to the graffiti of Gwadar, from an army barrack in Punjab to the urban politics of Karachi. This timely book brings together journalists, activists, academics, and artists to provide a rich, in-depth and intriguing portrait of contemporary Pakistani society. Straddling a variety of boundaries—geographic, linguistic, and narrative—*Dispatches from Pakistan* is a vital attempt to speak for the multitude of Pakistanis who, in the face of seemingly unimaginable hardships from drone strikes to crushing poverty, remain defiantly optimistic about their future. While engaging in conversations on issues that make the headlines in the West, the contributors also introduce less familiar dimensions of Pakistani life, highlighting the voices of urban poets, rural laborers, industrial workers, and religious feminist activists, and recovering Pakistani society's inquilabi revolutionary undercurrents and its hopeful overtones. God and Country: A True Story of My Journey through Indoctrination, Violence, and Jihad Will Prentiss, 2019-01-16. Will Prentiss grew up in a broken home, struggling for guidance. As a teenager, he moved in with his mother, who was part of a Christian group. But he was subjected to violent abuse until he fled in fear of his life. Searching for meaning, still seeking his grounding through faith, he eventually found himself at a mosque and decided to become a Muslim. He became a strong advocate of his new community, married a Muslim woman, and faced discrimination after the 9/11 terrorist attacks. But when Muslim friends began planning to go abroad to carry out jihad, he started working with the FBI. Although he felt compromised and conflicted, he took pride in knowing that he was protecting his community and serving his country, but that did not assuage the guilt he felt in betraying his community. Focused on themes such as morality, justice, and what it means to be an American, this account offers insights into a religion that is deeply misunderstood while sharing the true story of someone weighing the balance between faith and patriotism.
