## **Gods People Worship:**

Worship That Pleases God James W. Bartley, True Worship David Whitcomb, 2017-04-25 Discussions of worship often have a polarizing effect doing little more than firming the impasse between the sides of traditional and contemporary Because meaningful discussion has become increasingly difficult a book about worship that returns to the basics will prove useful to the body of Christ This book avoids the rhetoric from either side confining strictly to what is said in Scripture True Worship is an effort to go beyond the categorizations of traditional and contemporary to explore what is truly biblical worship In so doing important illustrations of worship in the Scriptures are discussed from the foundational requirements of true worship to the distinctiveness of its expression Questions at the end of each chapter make this book ideal for Sunday School small group and personal devotional study *(re)Aligning with God* Brian D. Russell, 2015-12-22 How do we communicate the message of the Scriptures in our twenty first century post Christian context *re Aligning with God* Reading Scripture for Church and World answers this question by presenting the Scriptures through the lens of mission and by teaching a method for reading Scripture with a missional hermeneutic The biblical story seeks to convert us to its perspective and to transform its readers and hearers into God s missional community that exists to reflect and embody God s character to for in the world Ready to revolutionize your reading of the Bible and expand your ability to unleash the Scriptures in your context *re Aligning with God* will give you rich content and practical tools to become a profound inspiring and confident reader of the Bible for all who are seeking to hear its good news **Crossroads** Edward T. Welch, 2008-10-31 To walk with an addict is both a gift and a grief In the *Crossroads A Step by Step Guide Away from Addiction Facilitator s Guide* Welch walks leaders through the process of loving connecting with and speaking truth to a group of addicts This book contains helpful observations about the mental physical emotional and spiritual state Red State, Blue State John Grevstad, 2005-04 The presidential election of 2004 demonstrated that the United States is divided in a number of ways not only by the ever present alienation between conservatives and liberals Religion and politics have become intertwined and a new trend is sweeping the nation that accompanies the ever widening rift between conservative and liberal Christians We are a divided nation In *Red State Blue State* author John Grevstad challenges the ideals and morality of the conservative right How would the traditional moral values of the Red State conservative hold up to the words and philosophy of Jesus Christ himself Grevstad both asks and answers the question Citing Biblical text Grevstad alleges that Jesus was a card carrying liberal whose message has been destroyed by Red State conservatives Additionally Grevstad uses a humorous tone and clever insights as he compares the lifestyle values and culture of Red States and Blue States These comparisons are intelligent controversial and enlightening *Red State Blue State* is an entertaining and eye opening contribution to the cause of the American liberal It offers profound insights while being a clever highly volatile and courageous attempt to speak out and do something about the political and religious climate of this country *Red State Blue State* is filled with words of wisdom the country needs to hear The
