Every Piece of Me Jerusha Clark, 2017-08-01 Throughout Scripture God reveals himself as the great I Am He does not define himself with reference to any thing person or trait He is and that is enough Women find themselves in a far different situation When we introduce ourselves we typically describe ourselves in terms of our relationships the wife mother daughter sister or friend of someone else or in terms of our accomplishments our title position education or accolades When our identity is wrapped up in these external things we inevitably and exhaustingly strive to prove ourselves worthy of love attention or affirmation God never meant for us to focus on whether we are enough whether we measure up He made us every piece of us to be just as he is Jerusha Clark discovered this while exploring Jesus's seven powerful I am statements recorded in the Gospel of John She invites women to join her in embracing the life and truth of these words relishing the freedom of an identity fixed on Christ alone while leaving behind fear bitterness busyness and toxic thoughts that steal our joy and limit our power

Divine Healing Festus Akinnifesi,2005-06 **Leaves of Healing** ,1903 *Prospects for the Soul* Vera Von der Heydt,1976 Children's Books In Print 1998 Bowker Editorial Staff,R R Bowker Publishing,Bowker,1998 **Looking upon the Heart** Pete Carlson, MFT,2020-06-09 BY LOOKING UPON THE HEART WE CAN ALL BE CHANGED IN AN INSTANT AND LIVE LIFE MORE ABUNDANTLY The mystery of the biblical heart is unveiled by integrating psychology and Scripture to delineate the five dispositions of the heart the choice of which we morph into could either enhance or hinder the attainment of abundant life in Christ Throughout time people have been searching for the meaning of life and the way to find fulfillment It is the intention of this book to show how by Looking upon the Heart where Jesus may live we can actualize healing and holiness at any moment in time In this in depth Christian psychology and self help textbook the reader is enlightened as to what good and bad choices we can make about our character and personality the goal is to consistently be transformed morphed out of the unhealthy dispositions of the heart the broken heart and the hard heart into healthier ones the open heart sweet heart and the brave heart Our first basic premise is that we all believers and unbelievers alike can and do spontaneously morph continually in and out of various dispositions character states and personality styles and so are capable of immediate transformation The second premise is that grace must prevail we all would be hypocrites if we judged because we are all morphing having our good moments and bad at any particular moment in real time Ultimately the overall perspective is that the heart should be the most important human entity known to man The heart is the primary gatekeeper and decision maker and therefore the overall determiner of the whole person s behavior personal growth and spiritual maturity We are to embrace a complete understanding of the biblical heart its five dispositions in order to overcome psychological behavioral and relational dysfunction and sin Only then can we successfully and consistently experience oneness with God through Jesus living and actively operating within our hearts As a result of Looking upon the Heart the Lord reigns and leads us to a life of victory in Jesus *From Healing To Wholeness* Ebony Hudson,2022-03-11 From past traumas to current crises to the healing needed for the daily bumps and bruises of life we can no longer view our mental health outside of our Christian faith The story in Luke 17 tells us that after one of the lepers that Jesus healed returned to Him he was told that his faith has made him whole This book discusses how we as Christians can be healed and made whole in the area of our emotional and mental health This book identifies specific steps that can be taken to begin and continue on the path of healing and toward wholeness It will also examine lessons we can learn from individuals in the Bible who struggled with mental and emotional issues despite their relationship with God This book seeks to help the reader fight the

good fight of faith in the area of mental and emotional health and gives hope that with God all things truly are possible In a selfie driven society that depends on the current culture to determine norms and wellness this book returns the believer to the foundation of the Christian faith the Bible and the power of God to do what seems impossible In these pages is a message of hope that is desperately needed in the lives of individuals during these trying times Our mental and emotional health are important to God and it should be important to everyone within the kingdom of God Our struggles in this area do not represent weakness but instead they remind us that in this life we will have trials and tribulations yet we have been assured that we have a Savior who has overcome the world and as we depend on Him for healing we can be healed and made whole
