God's Revelation: a Way Through the New Testament Ulrich Wilckens, 1967 *The Advance of the Lord's Recovery* Today Witness Lee, Throughout the centuries of church history the Lord has progressively carried out His work of recovery In this book Witness Lee shows that the Lord's present advance is to recover the priesthood of the gospel the organic building up of the Body of Christ the perfecting of the believers and the speaking of God's word for the building of the Body of Christ He concludes with help as to how we can practice these four matters God, the World, and Hope Harald Hegstad, 2018-10-31 Who is Jesus Christ What does it mean to say that we are created in the image of God What does salvation mean What is the meaning of baptism What characterizes the Christian fellowship What hope does a Christian faith give for the future These are only a few of the questions that this textbook on dogmatics takes up This book begins the discussion of the various topics by looking at what the Bible has to say Hegstad then examines how the church's doctrine has developed over the course of history and discusses how the Christian faith can best be formulated today This book understands the Christian faith as an answer to universal existential questions that challenge all religions and worldviews Dogmatics is understood here as the expression of a Christian interpretation of life Hegstad himself belongs to the Lutheran church tradition but his perspective is consistently ecumenical This introduction to dogmatics will interest not only students but everyone who is looking for a deeper insight into the Christian faith **A Commentary on Hebrews** David Pawson, 2014-02-07 Hebrews warnings and appeals Don't go back do go on are needed by Christians teetering on the slippery slope of backsliding or simply standing still For the eager believer still running the race this letter offers a new perspective on both the Old Testament and the Lord Jesus **Practical Reflections on Every Verse of the New Testament: The holy Gospels**, 1883 *The Vision of the Divine Dispensing and Guidelines for the Practice of the New Way* Witness Lee, 1990-12 **Church Dogmatics: The doctrine of the word of God (2 pts.)** Karl Barth, 2004-01-01 Described by Pope Pius XII as the most important theologian since Thomas Aquinas the Swiss pastor and theologian Karl Barth continues to be a major influence on students scholars and preachers today Barth's theology found its expression mainly through his closely reasoned fourteen part magnum opus *Die Kirchliche Dogmatik* Having taken over 30 years to write the *Church Dogmatics* is regarded as one of the most important theological works of all time and represents the pinnacle of Barth's achievement as a theologian T T Clark International is now proud to be publishing the only complete English translation of the *Church Dogmatics* in paperback Homely Thoughts on the City of God and the Way to Find it John Coutts, 1921 **A Critical Study on T. Portraits of God Allan Coppedge,2009-09-20 What is God like Answering this is the great quest of human existence Because God is so different from us we struggle to describe him While doctrinal statements about God certainly have their place in Christian understanding the Bible more often uses God s actions and roles to help us know him better Indeed some of the most helpful insights in Scripture arise when God is compared to something else a rock an eagle or a tower And many human metaphors metaphors taken from the world of actions and relationships bring us even closer to

understanding of God In Portraits of God Allan Coppedge suggests we look carefully at God as our Father Redeemer King Judge Priest and Creator These portraits taken together give us an understanding of the Holy One for which no single category is adequate These images work their way through the whole of Scripture They are the doorway allowing us into the mysteries of God's very being In Portraits of God Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles Approaching God in this way transforms us as churches and individuals to reflect God's own holy character This is a book for students pastors and churchgoers alike Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in Portraits of God a treasure of scholarship and truth
