Lee,2013-03-06 The parable of the Bula man river is the story of the miraculous life God promises man from the beginning By creating man in His own likeness He forever placed man on a path of living the miraculous life He is divine and we are mortal and whenever the two intersect miracles happen As humans it s impossible for man to experience the glory of God s divine Being so he experiences miracles the divine spark Miracles are foretastes of man s future in the glorious presence of God It s a life of unimaginable awe inspiring wonder both now and future From the beginning Adam and Eve experienced this miraculous life firsthand God lovingly and miraculously planted them a garden home which had all the resources for their survival and happiness God did not point to a jungle and charged Adam with planting a garden himself No God planted it with His own hands This miraculous life was man s destiny from the start and continues to this day The whole earth hanging in the blackness of space is the larger Edenic home we all share as co inhabitants of it But man fails to respond with gratitude to dress and keep it Lost in the jungle of his own narcissistic self man seeks for life s answers which only the BULA man river can supply For those who change into the likeness of God s love God leads them to a new Eden This is where the miraculous life is lived as naturally as breathing This is what this book is about miracles It begins with the life of the BULA man river He is the product of God s love It begins with love gifts from the Father which form the substance of the three dimensional life of the BULA man river the Miracle Man Read about the two wonderful love gifts of the Father **Love Like**
