**Crisis Counseling Workbook** Danny Ray Christian, 2021-09-28 I wrote this workbook because it disturbs me that a lot of individuals and communities are constantly living their lives in Crisis Mode with little or no time and opportunity to realize their dreams I believe a certain stigma is attached to those who are deemed by society others as always needing someone to rescue them from one crisis after another Without naming names I will say that for some this trend grows more prevalent with each passing generation I want my family and peers to realize that we do not have to live on the edge as though we lack a foundation culture to stand on There inevitably is more to all of us than our struggles but until we get past having our finger on the Panic Button we will not get a chance to display our audaciousness I am confident that this Crisis Counseling Workbook can aid anyone whose life has gotten off track or who simply wants to succeed at creating a

better life for themselves and their family as well as improve the community they live in In the darkest hour a pinprick of light is all that s needed to guide the lost home That said please feel free to tweak this crisis counseling program to meet the particular needs and circumstances of those you are counseling      **Free Mother to Good Home** Kay Taylor,2011-11-14 Have you heard the words I never dared to treat my parents the way kids do today If you are a baby boomer or the parent of a tween teen or adult child not only have you heard those words you may have uttered them yourself If in this new age of childparent relations youve ever felt like a helpless puppy or kitten inside a box marked Free to Good Home if in spite of all your love and the care with which you embraced parenting your child has grown into an entitled and thoughtless power broker in your relationshipread on Author Kay Taylor has studied sociology parenting blended families and personal growth for years in this bold groundbreaking book she explores the changes in our culture that she believes have given birth to what she describes as the E generationa generation of teens and young adults that feel so empowered and entitled that they often clash with their parents creating a palpable power struggle within the family This often leaves good parents alone depressed and completely befuddled as to what they did wrong Free Mother to Good Home comes from the heart and experiences of an everyday parent in the trenches Taylor offers a mothers perspective as well as a remedy for parental blues helping parents know what they can do to get their houses and their lives back in order      *Steps to Freedom* Danny Ray

Christian,2022-02-06 Freedom is not free it took me nearly forty years to realize this fact about freedom It was not until I fully embraced the grace and love of God and the Lord Jesus Christ that I experienced true freedom This book gives a concise description of the byways and highways I took in order to arrive at the point in my life where I could honestly say FREE AT LAST THANK GOD ALMIGHTY I AM FREE AT LAST In the course of me going from a man who spent 3 5th of his life behind prison bars and insane asylum fences I can tell you that freedom was wasted on me as long as I took it for granted I was delivered from all the mental emotional and spiritual shackles that held me bound the day I gave my life over to God Now I can declare that I not only talk about the joy of being free but can also testify that there is no more liberating freedom than that which comes with Christs blood bought Salvation and the peace of mind that the Father gives all those whose mind is stayed on Him It is my belief that none of us can get the full benefit out of freedom in its true form until we understand that The One we serve determines the rewards we get for our servitude The reality is that as long as we live on this earth we are going to serve either God and Jesus or Satan and our flesh Trust me when I tell you Your life will be a hundred times better off if you commit yourself to being in the will of God I hope that you will read my testimony as it is summed up in this small book and know that what Jesus did for me once I accepted the freedom he purchased for me on the Cross of Calvary he will do the same thing for you      101 Signs You're Spending Too Much Time with Your Cat John Baynham,1999-09
