God's Word and Our Words Ronald Eugene Sleeth,1986      **God's Word and Our Words** W. Hulitt Gloer,Shawn E. Boyd,2019-09-18 Written by nationally and internationally known homileticians and preachers this book offers a fascinating survey of the significant developments in preaching beginning with the Old Testament moving through the history of preaching and concluding with a look into the future all while offering practical suggestions for meeting the challenges that lie ahead In a unique way it addresses both the academic issues raised during each period and the practical implications for preaching today and in the future      Preaching Words John S. McClure,2007-01-01 John McClure sPreaching Wordshighlights the most important ideas in homiletics and preaching offering short explanations of these ideas what scholars of preaching are saying about them and how they can help in today s preaching Topics range from elements of the sermon introduction body and conclusion to aspects of delivery types of preaching in different Christian traditions and theories of preaching      Homiletical Handbook Donald L. Hamilton,1992-10-01 Homiletical Handbook is a primer for those who are called to preach It is intentionally simple in its explanation of the homiletical task and straightforward in getting to the point It is solid in its theology and biblical in its approach      **Good News Preaching** Gennifer Benjamin Brooks,2025-10-01 In an update to her foundational work Good News Preaching Brooks frames the essential methodology of good preaching the importance of real transformative good news This second edition of Good News Preaching accounts for changes in the landscape of church and culture including a global pandemic and shrinking congregations and argues that the good news of God s grace and liberation is ever more essential for Christian discipleship      **Preacher and Cross** André Resner,1999 Numerous books are available on the meaning and methods of preaching but nothing has been written that specifically addresses the character of those who would preach Preacher and Cross helps fill this gap in homiletic studies by examining the relationship between the message of Christian proclamation and the preacher with specific attention to ministerial character and the preacher s use of self in sermons Andr Resner discusses the two dominant approaches to homiletics the rhetorical approach typified by Augustine and the theological approach typified by Barth and then compares and contrasts these approaches to what the apostle Paul says on the issue Essential reading for those involved in ministry this work offers invaluable insights into the relationship between preachers and the message they proclaim      **A Manual for Preaching** Abraham Kuruvilla,2019-10-15 Abraham Kuruvilla s A Vision for Preaching offered an integrated biblical and theological vision for preaching A Manual for Preaching addresses the practical and perennial issue of how to move from the biblical text to an effective sermon The author a well respected teacher of preachers shows how to discern the text s theological meaning and let that meaning shape the development of the sermon Clearly written and illustrated with Old Testament and New Testament examples the book helps preachers negotiate larger swaths of Scripture and includes two annotated sermon manuscripts from Kuruvilla      Handbook of Contemporary Preaching Dr. Michael Duduit,1993-03-01

Contributors included Calvin Miller Joel Gregory Stuart Briscoe James Cox Elizabeth Achtemeier Thomas Long James Earl Massey and many more

**Preaching** Jason C. Meyer, 2013 The sermon is under attack This comprehensive biblical theology of preaching examines what it is how to do it and why it is so important exploring the concepts canonical development and relevance for key doctrines

**The Witness of Preaching, Third Edition** Thomas G. Long, 2016-10-01 This is a newly revised edition of one of the standard introductory preaching textbooks on the market today Beginning with a solid theological basis veteran preacher and best selling author Thomas G Long offers a practical step by step guide to writing a sermon Long centers his approach around the biblical concept of witness To be a preacher Long posits is to be a witness to God's work in the world one who sees before speaking one whose task is to tell the truth the whole truth and nothing but the truth about what is seen This updated edition freshens up language and anecdotes contains an extensive new analysis of the use of multimedia and its impact on preaching and adds a completely new chapter on plagiarism in preaching Included for the first time are four complete sermons with Long's commentary and analysis The sermons were written and originally preached by Barbara Brown Taylor Cleophus J LaRue Ginger Gaines Cirelli and Edmund Steimle With this third edition The Witness of Preaching reaffirms itself as the essential resource for seminary students as well as new and experienced preachers

*By the Book* Nomer Bernardino, **The Witness of Preaching, Second Edition** Thomas G. Long, 2005-10-20 This thorough and detailed revision of The Witness of Preaching is even clearer and more helpful than the first edition Long has updated the language expanded the key chapter on biblical exegesis and included more examples of sermon forms illustrations and conclusions He continues to critically engage the best thinkers in the field of homiletics bringing into the conversation both important new voices and the latest works of those who appeared in the first edition In addition he addresses some of the new forces at work such as the use of video clips and PowerPoint presentations in sermons

**Preaching from Memory to Hope** Thomas G. Long, 2009-03-19 In this compelling and hard hitting book respected preacher and teacher Thomas Long identifies and responds to what he sees as the most substantive theological forces and challenges facing preaching today The issues he says are fourfold the decline in the quality of narrative preaching and the need for its reinvigoration the tendency of preachers to ignore God's action and presence in our midst the return of the church's old nemesis gnosticism albeit in a milder form evidenced in today's new spirituality and the absence of eschatology in the pulpit Long once again has his finger on the pulse of American preaching demonstrated by his creative responses to these challenges Whether he is calling for theologically smarter and more ethically discerning preaching providing a method of interpretation that will allow pastors to recover the emphasis on God in our midst or encouraging a kind of interfaith dialogue with gnosticism he demonstrates why he has long been considered one of the most thoughtful and intelligent preachers in America today

*The Anatomy of Preaching* David L. Larsen, 1989 Insight and commentary on fifteen issues that affect a pastor's effectiveness including making a sermon flow escaping predictability and using narrative effectively

*Homiletics* Wilfried Engemann, 2018-11-19 In a dialogue with all of the theological disciplines and also with closely related human and philosophical sciences this standard work sets out criteria for a contemporary approach to preaching The assumptions arguments models perspectives and methods for analyzing the homiletic process are presented in an understandable form Figures and practical guidelines offer helpful illustrations This comprehensive and engaging format makes this volume a supportive textbook a reliable reference work and a stimulating aid for preaching all in one     **The Relational Pulpit** Scott W. Alexander, 1993 Includes personal profiles methods for effective sermon writing and suggestions for improving the speaker audience connection     *Sharing the Word* Lucy Atkinson Rose, 1997-01-01 Lucy Atkinson Rose proposes a nonhierarchical communal relationship between pastor and congregation that questions traditional assumptions of preaching and offers insight from those on the margin and those outside the field of homiletics She invites preachers to practice a style of conversational preaching rooted in connectedness and a sense of mutuality between preacher and worshipers     **The Witness of Preaching** Thomas G. Long, 2005-01-01 This thorough revision of this classic text is even clearer and more helpful than the first edition Long has updated the language expanded the key chapter on biblical exegesis and has included more examples of sermon forms illustrations and conclusions     *Holman New Testament Commentary - 1 & 2 Thessalonians, 1 & 2 Timothy, Titus, Philemon* Knute Larson, 2000-02-15 One in a series of twelve New Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike     **The Homiletic Review** , 1886
