Charles Von Hammerstein, 2010-01-26 The loss of the fear of God has been the greatest devastation to our nation and to the body of Christ It is the sign of the end times the mark of falling away from the Lord O how we need to recapture the fear of God in this day so that we all might be found prepared for the Lord s return We are living in the very

days before the Lord's return when the prophecies of scripture are being fulfilled all around us Yet few are being prepared for his return with the holiness that He will demand We must follow after holiness without which no man shall see the Lord Heb 12:14 Such holiness cannot be obtained without the fear of the Lord being brought back into the church and especially into its leadership This book shows how the fear of God has been forsaken and it exposes the heart of compromise that is the spirit of our age Ask yourself how are you being prepared by the preaching of the fear of the Lord so that your life meets Christ's holy eyes

Building a Relationship with God and with Others John Onu Odihi, 2012-07-24 In a world that seems to be turning away from God author John Onu Odihi writes from his heart about the Christian life and its challenges in the modern era Even while our culture emphasizes independence and moral relativism Odihi is unafraid to remind us that our victory can come only through loving and trusting God and living in obedience to him Building a Relationship with God and with Others helps us do just that with essays on such topics as gratitude patience and the mystery of God's love But the essays go beyond the theoretical to the real dynamics in our relationship not only with God but also with each other Reflections on how to live out our Christian faith address forgiveness encouragement the value of confession and ways to cope with fear You'll even find an essay on the difficult challenge of how to lovingly confront someone who is in the wrong Each section is followed by suggested biblical passages that you can return to again and again for support and reference Throughout this book is an emphasis on the joy and fulfilment that is ours when we learn to truly love not only our neighbours but our enemies Jesus' ultimate message as we work to bring his kingdom to this earth Whether you're a new Christian or have been one for many years you'll welcome this chance to learn more and to deepen your understanding of what it means to walk with God

The Way, the Truth, and the Life: The Way Rev. Charles Thomas Comella, 2016-10-14 The earliest Christian church was called The Way It was called this because Jesus Christ's advent life death and resurrection did not focus upon theology as such or doctrines as such or upon achieving warm fuzzy feelings as such Jesus's teachings and life were all focused upon a way of life A way of life focused upon a relationship with God and a way of life focused upon our relationships with our fellow men and women Jesus shined a spotlight on how we are to live yearly weekly daily act by act step by step decision by decision under the watchful eyes of a gracious loving God who knows us and calls us by name Even Jesus's death and resurrection were pointers revealing the way the way of the journey we will all take one day This small book is called The Way because it focuses as Jesus did upon the how-tos needed to cope with an increasingly irreligious if not anti-Christian culture How do I deal with fear How do I deal with my guilt How do I From my observation and experience these are the questions in the mind of the man or woman in the pew There are ways There is a way They were pioneered for us by Jesus He and his way is The Way

God's Will in Your Life Lloyd John Ogilvie,1982 **The Angry Christian** Andrew D. Lester,2003-04-30 In this work respected scholar Andrew Lester discusses and incorporates the newest behavioral research models contemporary biblical and theological scholarship constructivist philosophy and narrative theory into a comprehensive pastoral theology of anger In revisiting through the lens of theological anthropology the very subject that brought him to the forefront of scholarship in pastoral care Lester presents engaging new material and innovative new methods of interventions for dealing with this often confusing human emotion His Hands, His Feet, and His Voice Dr. Ted A. Duck,2022-02-24 Pine Drive Baptist Church had been devastated by Hurricane Harvey in August 2017 Then after the recovery from Harvey the COVID 19 pandemic had a devastating effect on the nation and particularly on the churches in America These daily messages of His Hands His Feet and His Voice are intended to bring encouragement hope and strength from God's inerrant Word to those who desperately need His touch These messages are also intended to encourage you to give to the Lord your hands feet and voice as His instrument in response to the many crying out to Him in fear uncertainty and need for wisdom It is my heartfelt prayer that God will inspire you to trust in Him with all your heart no matter what you see in the world around you or even how you may feel at any given time God's Word is filled with thousands of promises some of which pertain to whatever crisis or situation you may encounter In America and our culture today these hands feet and voice messages will help you to stand strong even for one more day and then pass them along to those who need the reminder God is our refuge and strength a very present help in trouble Therefore we will not fear though the earth gives way though the mountains be moved into the heart of the sea though it waters roar and foam though the mountains tremble at its swelling Ps 46 1 3 ESV **God's Promises for Your Finances** Doreen Claggett,Joseph Bartling,1989-07 **The Great I Am** Ronald J. Lavin,1995 Who is Jesus Christ These fourteen chapters answer that question in his own words I AM the light of the world I AM the way the truth and the life I AM the Good Shepherd I AM the alpha and the omega Why a book on the I AM sayings of Jesus Because so much of our religious emphasis today focuses on feeling more fulfilled or improving our relationships with others While these are important and have their place in our discussions this book puts the emphasis on the place of God in our lives The questions are practical What shall I believe What shall I do And so Lavin writes for the people in the pews as well as for their pastors When Ron Lavin preaches it is close to the ground relevant for the right now absent of high sounding theological verbiage and reveals a

Fallen Justice Lee Wallace, 2018-10-12 Truth faith and sound reasoning collide with criminal justice after a toddler dies from catastrophic head injuries allegedly inflicted by a young mother at her daycare center Her fight against murder charges is fraught with numerous unexpected and inexplicable roadblocks and struggles that often tests her faith in the justice system a loving God and in others However the names of all individuals businesses entities and locations are fictional and any names resembling an actual person living or dead are purely coincidental However all facts and events are as they actually happened and documented by personal and court records Although written from the perspective of a paralegal and the mother of the defendant it is not an analysis or critique of all the legal and medical forensic issues involved However important evidence and facts not previously known by the media the public the judge and jury are revealed The first postscript to the story discusses several criminal justice defects and makes radical suggestions that will make the systems more efficient and just The second postscript discusses several medical myths associated with children's short distance falls SDF Shaken Baby Syndrome SBS and intentional infliction of traumatic brain injuries TBI It also recaps some of the latest forensic research and discoveries that explain alternative causes to claims of child abuse Finally this story encourages faith in God and developing an eternal perspective when life is not fair and does not make sense
