

The background of the slide is a high-contrast, black and white photograph of a rugged landscape. A river flows through a valley, with steep, rocky mountains on either side. In the foreground, a group of about six people are standing on a grassy bank, looking towards the river. The overall mood is one of awe and natural grandeur.

Gods Arms Around Us:

When God went from Absolute Zero to 98.6 Art Compere, 2018-01-15 This book presents my view of God and his relationship to what he created God is totally good and wants all people to turn from evil and live good lives putting their trust in his Son Jesus But making Jesus Lord and Master of our lives does not provide immunity against what naturally happens in a world that has gone bad The Evil One has a strong foothold on Planet Earth and causes trouble by getting his followers to make bad things happen to good people God s love for us is shown through his Comforter who gathers us in his arms and carries us close to his heart God also shows his love by providing a place for us in his Kingdom his Son Jesus will eventually reign over God himself causes some disasters to remind us not to store up treasures on earth We look upon birth defects crippling diseases painful mishaps and torture in concentration camps as God s way to let us see what happens to those cast into outer darkness where there is suffering with no sympathy or relief This book presents God as totally good and ready and willing to provide good things for us **The Collected Sermons of David Bartlett** David L. Clarke, 2015-10-13 There is no doubt that we are entering the final stages of the history of this world Lawlessness abounds terrorism is on the increase and wars and rumors of war abound Natural disasters such as tsunamis volcanic eruptions cyclones floods and tornados are also becoming more common as the earth struggles under the burden of humankinds rebellion So what does the future hold for the beloved of Christ Finding God in a Broken World provides insight into the steps to remaining free in Christ during the turbulent days ahead The book explores seven key areas from embracing

the love of God finding God's purpose for our lives and overcoming the world to living the victorious Christian life and remaining free in Christ regardless of the circumstances we find ourselves facing in the coming days. Author John R. Clarke's scientific background gives him a distinctive insight into the Bible and the Word of God and it allows for a different perspective on the events of the end times and Christian living than those normally provided by theologians. Although the times of the last days can be fraught with tension, unease, and even hostility, it is important for Christians to know that by understanding the difficult aspects of God's teachings, his positive purposes, and his plans for eternity, we will come into a better perspective. By meditating on these teachings, the hope and prayer is that believers can find inspiration, comfort, and blessings.

Messages from the Master Lisa Canter, 2024-09-17. This devotional is unlike any that you have ever read. In it, you are taking a journey with me, a fellow Believer, as you and I navigate the daily ups and downs of a Christian's life. God never promised us that this life on earth would be easy. To be truthful, He said in John 16:33, "In the world, ye shall have tribulation; but be of good cheer, I have overcome the world." He also never promised us that we would always receive the answer to our prayers immediately. To be exact, there are over 101 scriptures in the KJV Bible that tell us we should wait on the Lord. Facing trials and waiting on God are both handled best when you have a friend. Through the words found in this daily devotional, you will find a companion for these times in your Christian life. You will find a fellow Believer who knows that life can be hard, but who also realizes that laughter and a deeper relationship with God make it so much easier. God said that our Christian walk would be better when shared with a friend or brother. As a fellow Christian, you and I are sisters and brothers in Christ. Through that relationship, it is my desire that in this journey together, that you will learn more about God, gain a deeper understanding of His Word, build a deeper and more intimately personal relationship with Him, and that you

will realize that you never walk alone God saved us for a purpose Sharing this journey with you is mine Let s get started

Shahar and the godling Sieh must face off against the terrible magic threatening to consume their world in the incredible conclusion to the Inheritance Trilogy from Hugo award winning and New York Times bestselling author N K Jemisin For two thousand years the Arameri family has ruled the world by enslaving the very gods that created mortalkind Now the gods are free and the Arameri s ruthless grip is slipping Yet they are all that stands between peace and world spanning unending war Shahar last scion of the family must choose her loyalties She yearns to trust Sieh the godling she loves Yet her duty as Arameri heir is to uphold the family s interests even if that means using and destroying everyone she cares for As long suppressed rage and terrible new magics consume the world the Maelstrom which even gods fear is summoned forth Shahar and Sieh mortal and god lovers and enemies Can they stand together against the chaos that threatens Includes a never before seen story set in the world of the Inheritance Trilogy *From the Cottage to the Clouds* Mike and Lynne Bolinger,2015-06-09

Helpless to hope Fear to faith Nice comfortable folks going about the daily tasks of living Mike and Lynne Bolinger loved by God held in His hands When God placed the ultimate trial in our lives He showed up to lead us through it Many friends joined with us in prayer and God engaged them in a miracle and a testament to His care His power and His love What began as a blog to update our friends became a chronicle of His faithfulness and love We invite you to walk with us through the adventure of our life **A Jest of God** Margaret Laurence,2010-04-30 In this celebrated novel Margaret Laurence writes with grace power and deep compassion about Rachel Cameron a woman struggling to come to terms with love with death with herself and her world Trapped in a milieu of deceit and pettiness her own and that of others Rachel longs for love and contact with another human being who shares her rebellious spirit Through her summer affair with Nick Kazlik a schoolmate from earlier years she learns at last to reach out to another person and to make herself vulnerable A Jest of God won the Governor General s Award for 1966 and was released as the successful film Rachel Rachel The novel stands as a poignant and singularly enduring work by one of the world s most distinguished authors **God's Arms Around Us** William R. Moule,1960 **The God Impulse** Jack Alexander,2018-07-31 For Jesus truth and mercy went hand in hand Where he preached he also healed He didn t outsource one or the other to biblical scholars or nonprofit ministries He presented the truth of the gospel through his words and his actions and he did it all in a hands on relational way And the reaction was the same wherever he went people were amazed Today we seem to have lost this powerful pattern of self giving love focusing on truth at the expense of mercy or on

mercy at the expense of truth and often failing to build genuine lasting relationships with the people around us In The God Impulse Jack Alexander helps us recover Jesus s model showing through biblical and modern real life stories that God s first impulse toward us is mercy He then sets forth a pattern for us to follow to see go do and endure that not only spreads truth and love to those around us who are suffering but also causes them to gasp in amazement and consider the claims of the gospel for themselves

My Journey Linda Walker, 2012-07-20 Throughout history God has used dreams visions and the prophetic word to instruct and encourage His people He still uses these methods to communicate with us today all we have to do is listen My Journey is a collection of revelations the Lord has given Linda Walker over the years Some of these prophetic words offered direction or warning while others were simply messages of love from the heavenly Father to His beloved child Although Linda did not immediately understand some of these messages looking back she can clearly see how God used each word to keep her on the right path God speaks to each of us in unique ways We must learn to listen for His voice My Journey will bless and encourage you to seek God with your whole heart and get to know Him more intimately each day God is speaking Are you listening
