Northfield Echoes, 1897 *The James Club and the Original A. A. Programs Absolute Essentials* Dick B., 2011-07-26

For years A A has quietly acknowledged primarily through one publication that the early A A pioneers in Akron believed firmly that the answer to all their problems was in the Good Book as they called the Bible A A cofounder Dr Bob said that all the basic ideas were taken from their study of the Good Book And he added many many times that the three parts of the Bible the old timers considered absolutely essential to their spiritual program of recovery were 1 The Book of James 2 Jesus s Sermon on the Mount Matthew 5 7 3 1 Corinthians 13 Paul s famous chapter on love You can find the foregoing remarks in A A s DR BOB and the Good Oldtimers in pamphlets published by Akron AA and in several talks given through the years by Dr Bob himself And it was even his co founder friend Bill Wilson who spoke of the studies of James the Sermon and Corinthians the reading of these passages by Dr Bob s wife Anne to Bill and Bob and the fact that as Bill put it James was our favorite And he added that many favored calling the A A fellowship The James Club But this title offers a great deal more In three major parts it provides a detailed framework for studying each of the three Bible parts just as the A A pioneers did The reader can sit with his Bible open beside him his Big Book available for reference and Dick B s The James Club title before him He can study each of the three parts digest their messages compare with the A A program and its ideas and then apply these biblical truths in daily life in practicing the Twelve Steps and in understanding the miracles that the Creator Yahweh wrought when the pioneers read and believed The first part of the book covers Jesus Sermon on the Mount Matthew 5 7 which both Bill W and Dr Bob said contained the underlying spiritual philosophy of A A The title begins with the Book of James however Dick B details why it has primacy in the study based in part on its being the AAs favorite and in part on the ease with which it can be read and understood Yet the meat of this wonderful book of the Bible lies in its explicit formula for cure especially the cure of the alcoholic James speaks of patience He speaks of enduring temptation He speaks of seeking God s wisdom without doubting He speaks of temptation as the enticement which turns into sin and finally death He strongly suggests that the readers be doers of the word the Bible not hearers only deceiving themselves He spells out what doing the Word is It s about action it s about following the royal law of loving thy neighbor its about benevolent giving without respect of persons and with specific aim at the downtrodden it s about backing up one s faith with deeds works as James called them it s about guarding the tongue and guarding the thoughts and guarding the actions so that devilish thoughts and impulses do not take over and finally it s about the importance of prayer confession of faults and the Lord s forgiveness and about prayer for healings In a nutshell this book summarizes the whole pioneer approach in Akron and of course it has nothing to do with

steps or a basic text or the Oxford Group For there were no Steps no Traditions no Big Books no drunkalogs and no meetings as we know them today It s about God s healing ministry as A A old timer Clarence Snyder put it Then there s 1 Corinthians 13 and its relationship to Henry Drummond s famous treatise *The Greatest Thing in the World* Life of the Rev. G. Trosse, of Exeter George TROSSE,1832 In the Secret Place Peggy Britt,2006-10 For those who feel lost and hurt Britt offers a guide to help them come into God s Secret Place Motivation **Religious Books 1876-1982** ,1983 *The Pursuit of God (Religious Classic)* A. W. Tozer,2020-12-17 The Pursuit of God is an inspirational guide for Christians seeking to get closer to God The author identifies one of the major problems of the Christian Church He suggests that the Church is making a new type of Christian who understands the Christian doctrine better than ever throughout the history but still fails to understand what it really means to be a follower of Christ Having identified the problem Tozer offers a beautiful solution that is more practical and mystical than theological He encourages the Christian to take the seeking of God and make it the foundation upon which their life is built Being a mystic he focuses on experience feeling and hearing God s voice as important to faith
