## **Gods Calendar:**

**A Revelation of God's Calendar** Rabbi Elliot Hass,2023-02-09 In this book you will learn There is an ancient calendar that connects Heaven to Earth Before the Bible was written God s appointed times as written in Leviticus were observed What God did on those appointed calendar dates in the past is what He is doing today and what He is going to do in the future How God is still unfolding His calendar in a revelation to us today and manifesting Himself to us through every part of His calendar Here you will find the meaning of your salvation experience in Messiah Y shua Jesus through the times and seasons of His calendar You will find out the many ways believers in His true church have been lied to The scriptures say the truth will set you free You will find out how these appointed times with their teachings are shown beautifully in the shadow of many events in the world today You will see some appointed times that will be proclaimed in the future but are hidden to many today This is a book that can be used to disciple and train people in the Word knowing His voice and living the kingdom life He placed in every born again believer This will prophetically and spiritually prepare you for what is coming quickly upon this world

**God's End-Time Calendar** Rod Parsley,2015-09-01 UNFORTUNATELY WE LIVE IN A CULTURE that has made a habit of not just ignoring but overthrowing time tested principles that would direct us to virtue and victory if we would observe them As we see catastrophes and calamities around the world and the continual upheaval of the foundations and values we hold so dear we can t help but wonder what God in heaven is saying to His church HOW SHOULD WE INTERPRET THE TURMOIL WE SEE AROUND US AND IN THE WORLD Is there a message God wants to relay by the four blood moons that appeared on the feasts of Passover and Tabernacles in 2014 and 2015 Delve into the prophetic meaning of these signs in God s End Time Calendar This book holds a road map to help you uncover the deep mysteries of God s intentions for celestial signs to reveal the connection between the old and new covenants and to prepare you as we head toward the dawn of eternity

**Ecclesiastical Authority: God's Sabbath and Biblical Calendar** James Malm,2018-05-23 An in depth study into the duties and responsibilities of the priesthood ministry and the parameters and limits of their ecclesiastical authority Includes studies on the Mosaic Priesthood of Aaron Melchisedec Jesus Christ and such matters as the Primacy of Peter Binding and Loosing the Keys and Door to eternal life legitimate ministerial authority and the mark of the beast Also studies the change of God s Sabbath to Sunday by professing Christianity and the change from God s Biblical Calendar to the modern Rabbinic Calendar by the Rabbins

God's Law of Love Tara Lang Chapman,2010-12 Has God s Law as defined by the Ten Commandments been done away as has been supposed by many Does the new covenant allow free picking and choosing Does the fourth commandment not matter anymore or did God change the sabbath to another day Are Christmas and Easter God s holy days Does grace make the Law unnecessary Is it okay to erect a sun god statue and other images in our nation to

represent liberty Is God okay with the popular sexual lifestyles our nation s Christian professing people have Should true Christians be pro war Is it okay to live richly on credit when one is only able to pay the interest It is time for our nation to repent and turn back to our liberty giver the true God of Israel God s Law of Love is needed for liberty to thrive The Ten Commandments still apply today Find the thorough answers to the questions above and more within the pages of this book

**God's SCRIPTures** Robert F. Dinger,2023-05-03 The printed word in the Holy Scriptures reveals all the truths that God in His infinite wisdom wants us to know The Bible tells us that all creation in heaven and on earth is destined to follow a preset plan that is under God s total control This book explains that preset plan as God s Script God s Script reveals several themes that run from Genesis to Revelation God s Script will show you how you personally have a role in God s eternal mystery drama

**God's Calendar as Found in His Word, the Bible, His Sabbath and Feast Days; Or, the Roman Calendar and Its Holiday, Which?** George E. Faucher, **The Red Mark On God's Forehead** Rabbi Darryl Weinberg,2022-10-14 A book that will shake the modern day church to its core The Red Mark on God s Forehead trumpets the call to Christians to return to the true roots of their faith the worship of God as He commands in the Torah In an engaging and thought provoking manner Darryl Weinberg outlines the path Christianity has taken lured by pagan practices away from God s plan for His people and toward the crisis facing us in these end times The ultimate end of this journey is the denial of Messiah Himself From moving the Sabbath from Saturday to Sunday to its troubling involvement in festivals such as Easter Christmas Valentine s Day and Halloween the Church has grieved the heart of God splintered its own unity and engaged in a lifestyle abhorrent to the Lord Most shocking however is the thorough exploration of the outright anti Semitic sentiment particularly as expressed in the Church Fathers that led us to this point Through this troubling message however shines a light of great hope Our ever merciful loving God desires to draw us back to the true worship and lifestyle that brings us into fellowship with Him He is anxious to forgive and redeem and His Word contains all that is needed to serve and worship Him in spirit and in truth

**God's Man Plan** Mike Taylor,2022-07-06 Today the chatter among evangelical teachers and preachers concerning the end of time seems almost deafening at times Books videos feature films magazine and newspaper articles you name it they all have something to say regarding the end times And please hear my heart I m not disagreeing with them at all I totally agree that we are today living in prophetic times However it seems to me that no one wants to address the question that appears to be on the minds of so many people That question When will these things come to pass Hey the disciples asked Jesus the same question in Matthew 24 right Well that s precisely what this book attempts to do I want to answer that question as best as it can possibly be answered and while I won t be able to give you the exact day or the exact hour of the coming events if I m correct and I really think that I am in what I share within this book I m totally convinced that I can get you in the proverbial ballpark so to speak And I will do so biblically in other words by using only what the Bible gives us If you ll commit to reading this simple little book for many if not most people I can all but guarantee

you that you will exit with a much better understanding of the chronology of God's Word. You will read and perhaps for the first time ever be able to comprehend the Gospel or good news of Jesus Christ plus you'll come to appreciate just how little time may actually remain before the end time events that everyone is talking about begins to unfold across the face of the whole earth. In other words you will be able to better understand God's man plan and thereby you will be better able to prepare for what lies ahead for all mankind.

**God Is Counting!** R. J. Plugge, 2020-12-03. Prophetic time periods given in 4 books of the Bible show God's foretold timeline.

The Lost Thread of God's Love Phyllis Gruesbeck, If you've ever wondered what day God wants us to worship on or if He even really cares by the time you finish this book there will be no doubt in your mind that the seventh day Sabbath is the Sabbath of the Lord. The author traces the Sabbath's history from creation through the last days of this earth's history and into heaven and the new earth. Jesus said, "If you love me obey my commandments." John 14:15 NLT. This book details this commandment and shows that keeping the Sabbath is one way to show our love to God. When we love someone we take pleasure in doing things they ask us to or know they like. So it is with God. When we love him it is a pleasure to obey His commandments. Obedience is never a burden when love is the motive. Another facet of this book is giving Bible proof that the God we serve is a three in one God: three Persons, one God: God the Father, Jesus Christ and the Holy Spirit. Each with His own role to fulfill yet one in purpose and one in ways humans can't begin to grasp.

**Israel and the Covenants in New Testament Times** Peter Williams, 2016-05-23. Second Edition Updated and Revised. A Bible student reference. A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end. Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us. How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God. In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God. The route to take is the strait and narrow way. Mat 7:13-14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel. Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions. Be a serious open minded Bible student and trust what the Bible teaches but remember that time is short. What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way. Be prepared for major challenges to your understanding just as God has challenged me. In the epistles Paul refers to two Israels whom he calls Israel after the flesh 1 Cor 10:18 and the Israel of God Gal 6:16. I focus mainly on the latter but I also explain an unexpected but critically important connection between them. Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me. Looking back I find this absolutely staggering. Very few Christians understand that the new covenant

also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that

**Fulfilled In Their Season** Joseph Nathan Smith, 2011-02-15 *Fulfilled In Their Season* examines the Earth's chronology from a Biblical point of view It focuses on the seasons in which many past events have occurred and in which many future events will occur Amazingly the Bible specifies the season of the year for many events As found in the Bible events like creation the yearly feasts Jesus birth and the final harvest are all associated with a particular season of the year This information provides a unique perspective on end time events

*God Has Something to Say About That...* Danielle Martin Moffett, 2009-01-29 No profit on the earth is worth our eternal soul There is a barrier that has been erected that hinders the church from receiving the fullness of God's Kingdom Blessings Excessive reasoning is the culprit There is only one answer powerful enough to tear down this stronghold of the mind When this truth is obeyed God supernaturally positions us to be fruit bearing disciples of Jesus Christ We are able to turn the world upside down by our good works and enabled to speak the Word of God with great passion and boldness The wealth of the Kingdom is ordained to be in the hands of God's people for a purpose

*Flying Free: A Journey from Fundamentalism to Freedom* John Morgan, 2009-03-10 *Flying Free* thoroughly covers the background of the Worldwide Church Of God WCG cult its history leadership doctrines beliefs and its membership This book contains never previously published research explaining Herbert Armstrong's Holiness Quaker upbringing It also includes extensive research on the WCG's comparison to a cult and the characteristics that actually define a cult *Flying Free* documents the impact of the Armstrong teachings on individual lives but then goes on to show a priceless freedom found in life beyond fundamentalism *Flying Free* is a valuable practical resource for ex WCG members and for relatives or friends attempting to come to terms with the reality of loved ones joining a cult It should serve as a warning to those contemplating entering a fundamentalist church The book also includes a balanced assessment of the origins of the Bible the authority of the Bible and an appraisal of organised Christianity's influence on the individual Christian

*God's Events, Now and Forever* Miss Nan, Nan Thompson, 2009-05 Are we living in the end times The condition of the world today would seem to suggest that we indeed may be As a result this book is quite timely It presents God's events in an easy to understand manner The beginning prophecy student as well as the advanced student can study this book and have a better understanding of God's events now and forever and a better understanding of how our Lord Jesus fits into the picture MISS NAN spent many years in the educational field She started as an English teacher moved into administration and served as president of a private junior college in Jackson Mississippi for twenty years a position from which she retired in 1995 It was in Jackson that she found her true calling teaching the Word of God in a local church Colonial Heights Baptist Church Soon after becoming a member she began to teach Sunday School first to older women and currently to younger women during a span of over thirty years

Throughout the years she has taught men and women of all ages in other Bible studies particularly studies concerning end times Soon after she began to teach prophecy she came to understand that no one book tells the whole story God s events now and forever are presented from Genesis through The Revelation of the Lord Jesus Christ She has pieced together God s plan by consulting the whole Bible Some people may not hold all the views Miss Nan has presented but it is important to understand that she wrote what God laid on her heart as she studied His Word      The Seven Spirits of God -- Building According to the Pattern of the Kingdom J. Scott Husted,2015-10-28 This work represents the rediscovery of an ancient pattern that God has given to his people in order to build His Kingdom on earth This pattern can be found throughout the Bible The scripture shows that the Hebrew writers of Old and New Testaments thought wrote and lived according to this pattern We can see that they considered this pattern as foundational to planting building and living out God s Kingdom here on Earth As we recognize the pattern of the Kingdom and begin to understand its elements we can begin to use it to structure every effort pertaining to the Kingdom of God Indeed the scripture urges us Build everything according to the Pattern that I God have shown you Once recognized as God s intended pattern of the Kingdom this pattern is applicable and necessary to every part of Godly worship service and life today In fact as we implement our ministry work and life according to God s plan we begin to see that God s plan is the only way to build His Kingdom in the Earth      **Exploring Heavenly Places - Volume 5 - The Power of God, on Earth as it is in Heaven** Paul Cox,Barbara Parker,2017-09-02 The Exploring Heavenly Places series thus far has spoken of experiences occurring through discernment in dimensions existing beyond our normal everyday perception in seemingly far away places However both the dimensional heavenly places and the Power of God are also very close at hand We frequently consider the Lord s Prayer but how often do we stop and consider the magnitude of the fact that His kingdom is already here and dwells within us It s so easy to simply assume that on earth as it is in heaven is future tense for we know it will become evident in the millennial kingdom when Jesus literally returns to rule and reign from His throne in Jerusalem We must change our focus so that we do not miss the current reality of The Power of God on Earth as it is in Heaven
