Edge, 2014-02-01 When the original Encyclopedia of Southern Culture was published in 1989 the topic of foodways was relatively new as a field of scholarly inquiry Food has always been central to southern culture but the past twenty years have brought an explosion in interest in foodways particularly in the South This volume marks the first encyclopedia of the food culture of the American South surveying the vast diversity of foodways within the region and the collective qualities that make them distinctively southern Articles in this volume explore the richness of southern foodways examining not only what southerners eat but also why they eat it The volume contains 149 articles almost all of them new to this edition of the Encyclopedia Longer essays address the historical development of southern cuisine and ethnic contributions to the region's foodways Topical essays explore iconic southern foods such as MoonPies and fried catfish prominent restaurants and personalities and the food cultures of subregions and individual cities The volume is destined to earn a spot on kitchen shelves as well as in libraries **The New Encyclopedia of Southern Culture** Melissa Walker, James C. Cobb, Charles Reagan Wilson, 2014-02-01 Volume 11 of The New Encyclopedia of Southern Culture examines the economic culture of the South by pairing two categories that account for the ways many southerners have made their living In the antebellum period the wealth of southern whites came largely from agriculture that relied on the forced labor of enslaved blacks After Reconstruction the South became attractive to new industries lured by the region's ongoing commitment to low wage labor and management friendly economic policies Throughout the volume articles reflect the breadth and variety of southern life paying particular attention to the region's profound economic transformation in recent decades The agricultural section consists of 25 thematic entries that explore issues such as Native American agricultural practices plantations and sustainable agriculture Thirty eight shorter pieces

cover key crops of the region from tobacco to Christmas trees as well as issues of historic and emerging interest from insects and insecticides to migrant labor The section on industry and commerce contains 13 thematic entries in which contributors address topics such as the economic impact of military bases resistance to industrialization and black business Thirty six topical entries explore particular industries such as textiles timber automobiles and banking as well as individuals including Henry W Grady and Sam M Walton whose ideas and enterprises have helped shape the modern South **Favor in**

Business Saul Flores Jr.,2022-12-13 FAVOR IN BUSINESS In a world where success is predominately measured by how much money we have in the bank the size of our financial portfolio and how prestigious our lives are there have been great American Entrepreneurs who have chosen to take the path less traveled to be truly compassionate and giving They risked judgement ridicule and their fortunes but in doing so they realized they could never out give God Author Saul Flores Jr Brilliantly depicts in this book Favor in Business the incredible and encouraging stories of men and women who define what giving truly looks like From William Colgate of the Colgate Palmolive empire to Mary Kay of Mary Kay Cosmetics 12 unique stories compiled from in depth research and Biblical Scriptures grace the pages of the book to educate and bring awareness to what it means to be anointed to succeed in business Favor in Business is uplifting inspiring and thought provoking It gives new light on what it truly means to have faith and prosper because of it **Formula for Fortune** Ann Uhry Abrams,2012

Asa Candler rose from a rural background to reap a fortune His windfall came from purchasing the Coca Cola formula in 1888 and establishing the company that became a national phenomenon in less than a decade In Formula for Fortune author Ann Uhry Abrams narrates the life and times of Candler from his ancestral background to the death of the last of his five children Formula for Fortune not only shows how he turned his entrepreneurial genius into an empire but also relates his status in Atlanta Georgia as a prominent banker realtor philanthropist civil servant and mayor Painting a lively portrait of the past this biography tells a fascinating American story that covers a century of American and Southern life as seen through the eyes of a middle class family elevated to prominence by their patriarch s incredible success It not only provides a peek into the horse and buggy days of one of the nation s major corporations but also follows Coca Cola s fascinating transformation from patent medicine to international phenomenon Family dynamics weave through this drama of love disappointments and disaster played out against the background of four wars a race riot technological revolutions and numerous courtroom dramas

well as economics sociology and political science and to historians They employ a range of qualitative and quantitative methodologies but all share a belief in the importance of understanding change over time The Oxford Handbook of Business History has brought together leading scholars to provide a comprehensive critical and interdisciplinary examination of business history organized into four parts Approaches and Debates Forms of Business Organization Functions of Enterprise and Enterprise and Society The Handbook shows that business history is a wide ranging and dynamic area of study generating compelling empirical data which has sometimes confirmed and sometimes contested widely held views in management and the social sciences The Oxford Handbook of Business History is a key reference work for scholars and advanced students of Business History and a fascinating resource for social scientists in general

Mad for Speed Elsa A. Nystrom, 2013-06-13 This book covers Joan Newton Cuneo's life and her roles from 1905 to 1915 as the premier female racer in the United States and spokeswoman for women drivers and good roads Beginning with her family history and marriage to Andrew Cuneo it traces her life in New York society the birth of her children and Joan's growing interest in automobile touring and racing and partnership with Louis Disbrow her racing mechanic The book covers Joan's experiences in three Glidden Tours including her notes on the 1907 tour her first races and her rivals It also looks at the growth and change of automobile culture and the battles for control of racing among the American Automobile Association the Automobile Club of America and the American Automobile Manufacturers Association which ended in banishing women racers shortly after Joan's greatest racing victories at New Orleans in 1909 The book then follows Joan's attempts to continue racing the end of her marriage her move to the Upper Peninsula and her remarriage and death The book also includes a chapter on her female rivals in racing and touring

The New Encyclopedia of Southern Culture (Volume 2 of 3) (EasyRead Super Large 24pt Edition) , **The Child in American Evangelicalism and the Problem of Affluence** David A. Sims, 2009-06-01 This work presents an evangelical theology of the child nurtured in the context of American evangelicalism and affluence It employs an eclectic theological critical method to produce a theological anthropology of the affluent American evangelical child AAEC through interdisciplinary evangelical engagement of American history sociology and economics Sims articulates how affluence constitutes a significant impediment to evangelical nurture of the AAEC in the discipline and instruction of the Lord Thus the problem he addresses is nurture in evangelical affluence conceived as a theological anthropological problem Nurture in the cultural matrices of the evangelical affluence generated by technological consumer capitalism in the U S impedes spiritual and moral formation of the AAEC for discipleship in the way of the cross This impediment risks disciplinary formation of the AAEC for capitalist culture cultivates delusional belief that life consists in an abundance of possessions and hinders the practice of evangelical liberation of the poor on humanity's underside The result is the AAEC's spiritual moral lack in late modernity Chapter 1 introduces the problem of the AAEC Chapters 2 and 3 provide a diachronic lens for the theological anthropology of the AAEC through critical assessment of the theological anthropologies of the child in Jonathan

Edwards Horace Bushnell and Lawrence Richards Chapters 4 and 5 constitute the synchronic perspective of the AAEC Chapter 4 presents an evangelical sociology of the AAEC drawing upon William Corsaro s theory of interpretive reproductions and chapter 5 constructs an evangelical theology of the AAEC through critical interaction with John Schneider s moral theology of affluence Chapter 6 Whither the AAEC concludes with a recapitulation of the work and a forecast of possible futures for the AAEC in the twenty first century Holy Hype Susan H. Sarapin,Pamela L. Morris,2022-01-13 Holy Hype Religious Fervor in the Advertising of Goods and the Good News defines and explores the intersection of the sacred religious symbols themes and rhetoric within the profane realm of advertising and promotion Susan H Sarapin and Pamela L Morris trace the historical overlap of consumer and religious ideologies in society offering detailed examples of its use throughout history through analyses of over a hundred collected advertisements from monks selling copiers to billboard messages from God to angels and the worship of vodka Throughout the book the authors continually evaluate if and when the technique of holy hype is effective through its use of recognizable sacred symbols that capture audiences attentions and inspire both positive and negative emotions Scholars of communication media studies religion advertising and cultural studies will find this book particularly useful **Country Capitalism** Bart Elmore,2023-04-06 The rural roads that led to our planet changing global economy ran through the American South That region s impact on the interconnected histories of business and ecological change is narrated here by acclaimed scholar Bart Elmore who uses the histories of five southern firms Coca Cola Delta Airlines Walmart FedEx and Bank of America to investigate the environmental impact of our have it now fly by night buy on credit economy Drawing on exclusive interviews with company executives corporate archives and other records Elmore explores the historical economic and ecological conditions that gave rise to these five trailblazing corporations He then considers what each has become an essential presence in the daily workings of the global economy and an unmistakable contributor to the reshaping of the world s ecosystems Even as businesses invest in sustainability initiatives and respond to new calls for corporate responsibility Elmore shows the limits of their efforts to green their operations and offers insights on how governments and activists can push corporations to do better At the root Elmore reveals a fundamental challenge Our lives are built around businesses that connect far flung rural places to urban centers and global destinations This country capitalism that proved successful in the US South has made it possible to satisfy our demands at the click of a button but each click comes with hidden environmental costs This book is a must read for anyone who hopes to create an ecologically sustainable future economy
