**Steven Dietz**

## **Gods Country:**

**God's Country** Sandy Rapp, 2014-07-16 Explore the influence of religion on the privacy rights of U S citizens in this controversial new book Here is a compelling and controversial new book that explores the enormous political influence that some religious groups currently wield **God s Country** focuses particularly on the issue of personal privacy rights and the strategies and rhetoric these religious groups are using to diminish those rights among select segments of society Author Sandy Rapp a grassroots activist shares her experiences in one on one debates with religious fundamentalists who have been on opposite sides of the social issues for which she has so passionately fought in recent years Topics in this fascinating book include privacy rights individual s rights as stated in the constitution AIDS and homophobia the abortion choice global population crisis gay and lesbian reproductive rights effective strategies for lobbying Sandy Rapp traces the patriarchal premises which underlie the twentieth century crusade against homosexuality She integrates various personal and professional perspectives and provides a challenging and comprehensive examination of the physical and psychological devastation inflicted upon women lesbians and gay men due to religious and political control over such personal decisions as the expression of one s sexuality the use of birth control the choice of abortion and privacy rights **God s Country** poses some provocative questions that are certain to spark debate among enlightened religious professionals professors and students of political science government women s history human sexuality and religion Does the government have the right to impose mandatory childbirth upon women Should a gay or lesbian person s sexual orientation weaken his her civil rights Can in a free society the religious beliefs of one denomination or group be imposed on all citizens If freedom for all is to upheld in the United States shouldn t the separation of church and state be maintained **God's Country** Steven Dietz, 1990 Theatrical docu drama about the growing white supremacist movement in America The play focuses on the trial of a paramilitary group called The Order the career and death of Denver s Alan Berg the outspoken controversial Jewish talk radio personality assassinated by The Order and the hate filled career and death of The Order s founder Robert Mathews **God's Country** Samuel Goldman, 2018-02-02 The United States is Israel s closest ally in the world The fact is undeniable and undeniably controversial not least because it so often inspires conspiracy theorizing among those who refuse to believe that the special relationship serves America s strategic interests or places the United States on the right side of Israel s enduring conflict with the Palestinians Some point to the nefarious influence of a powerful Israel lobby within the halls of Congress Others detect the hand of evangelical Protestants who fervently support Israel for their own theological reasons The underlying assumption of all such accounts is that America s support for Israel must flow from a mixture of collusion manipulation and ideologically driven foolishness Samuel Goldman proposes another explanation The political culture of the United States he argues has been marked from the very beginning by a Christian theology that views the American nation as deeply implicated in the historical fate of biblical Israel **God s Country** is the first book to tell the complete story of Christian Zionism in

American political and religious thought from the Puritans to 9 11 It identifies three sources of American Christian support for a Jewish state covenant or the idea of an ongoing relationship between God and the Jewish people prophecy or biblical predictions of return to The Promised Land and cultural affinity based on shared values and similar institutions Combining original research with insights from the work of historians of American religion Goldman crafts a provocative narrative that chronicles Americans attachment to the State of Israel

**God's Country, America's Heartcry** Kay Dee Lilley,2010-06 I Kay Dee Lilley am a concerned wife mother citizen and an American Patriot at heart My heart s desire is for the truth to be told to all Americans that America is God s Country and our foundation is His heart cry to spread His liberties throughout our nation My book will show through our American symbols currency monuments Founding Fathers Presidents and many quotes that America is a Christian nation built on Judeo Christian Principles henceforth the name of this book is God s Country America s Heart Cry God is counting on us to arise stand up speak up to use our voice to declare His choice to restore the foundation of America America s future depends on We The People to come together in agreement to use our God given liberties to defend our freedoms Will you accept the challenge

*Back to God's Country* James Oliver Curwood,2012-10-01 At the height of his literary career Michigan born author James Oliver Curwood was reported to be the highest paid writer in the world The collection *Back to God s Country and Other Stories* brings together some of Curwood s most memorable shorter pieces many of which are set in the rugged wilderness of northwest Canada

**God's Country And the Woman** James Oliver Curwood,2020-09-28

**The Gap in God's Country** Laurie M. Johnson,2024-10-18 Laurie M Johnson argues that America s culture wars may seem to have erupted in the past couple of decades but they go back centuries For those who think that Christian nationalism or right wing populism is the problem to be solved that some people simply need to understand Christianity or politics better and become reasonable read on Christian nationalism and other ideological extremes are symptoms of major economic technological spiritual and psychological shifts that have left too many people uprooted disenchanted and precarious There are no easy answers but Johnson tries to show a path out that enlists not only individuals but also church and state Without leadership and structure provided at the levels of the church and state Christians and those impacted by them will remain part of the problem and not the solution Johnson says to Christians change is not talk it s action and Christian action can only happen with leadership that creates a context where we can work together rather than wasting our time in culture wars

**Trespassing in God's Country** George Theriault,1997-10 George Theriault has been flying in northern Canada since the summer of 1934 When he established his own air service in in 1954 his skills as a bush pilot and sportsman made him one of the most popular outfitters in northern Ontario This series of stories chronicles his many adventures from Alaska to Labrador including seal and whale hunting with native people

**Growing Up in God's Country** El McMeen,2018-09-30 A 1 NEW RELEASE ON AMAZON El McMeen hails from rural Pennsylvania His full name is Elmer Ellsworth McMeen III That s a good name for a kid El says if you want him to learn how to fight in

elementary school El didn't start so well. He wasn't on the gravy train more like in front of it waiting to get run over. He nearly died at birth. He has cerebral palsy. He had a broken home. He was in his own words a miscreant. But his story is one of redemption. El became a Wall Street lawyer, an internationally acclaimed acoustic guitarist, and a Christian minister. He and his wife Sheila have four married children and three grandchildren. The Lord became my GPS. El says, but in my case, He still has to do a lot of recalculating. Join El on his journey. He is a gifted storyteller. The road winds through physical disability, youthful misdeeds, family tragedy, Harvard University, Penn Law School, music, and the intricacies of law practice with a lot of laughs along the way. From small town life to New York City and back. Growing Up in God's Country is unabashedly evangelistic. It shows the amazing ways in which God moves in everyday lives. God has a sense of humor too. If He didn't, El says, where did ours come from?

**God's Country, Uncle Sam's Land** Todd M. Kerstetter, 2006 While many studies of religion in the West have focused on the region's diversity, freedom, and individualism, Todd M. Kerstetter brings together the three most glaring exceptions to those rules to explore the boundaries of tolerance as enforced by society and the U.S. government. God's Country, Uncle Sam's Land analyzes Mormon history from the Utah Expedition and Mountain Meadows Massacre of 1857 through subsequent decades of federal legislative and judicial actions aimed at ending polygamy and limiting church power. It also focuses on the Lakota Ghost Dancers and the Wounded Knee Massacre in South Dakota, 1890, and the Branch Davidians in Waco, Texas, 1993. In sharp contrast to the mythic image of the West as the Land of the Free, these three tragic episodes reveal the West as a cultural battleground. In the words of one reporter, a collision of guns, God, and government. Kerstetter asks important questions about what happens when groups with a deep trust in their differing inner truths meet, and he exposes the religious motivations behind government policies that worked to alter Mormonism and extinguish Native American beliefs.

**Back to God's Country and Other Stories** James Oliver Curwood, 2017-08-08 Back to God's Country opens on an idyllic note at the peaceful Canadian mountain home where the innocent child of nature Dolores LeBeau lives with her doting father Baptiste LeBeau and a legion of animal friends. When a handsome naturalist Peter Burke stops in at their mountain paradise, he is charmed by Dolores, and the pair are soon announcing their engagement to Baptiste. But the always changeable mood of Back to God's Country suddenly shifts from a bucolic love story to a genuine nightmare. A murderous criminal Rydal, hiding out in the mountains and traveling with his half-breed sidekick Spies, Dolores, skinny dipping in a brook, and vows to have her. Back to God's Country was based on a typically sensational James Oliver Curwood short story, Wapi the Walrus. Curwood's prototypical storyline was also used in Back to God's Country, with Dolores finding an abused, vicious black dog, Wapi, her only companion and helpmate in the barren winter landscape where she and Peter are trapped.

**Growing Up in God's Country, Part 2: Still Growing!** El McMeen, 2024-08-05 El McMeen is a renowned musician, a Christian minister, and a humorist. His passions include the three M's: ministry, music, and mirth. Those three subjects reign in this Volume 2 to El's acclaimed memoir from 2018, Growing Up in God's Country. The earlier book starts

with El's birth and a disability cerebral palsy and takes the reader on a captivating ride to what El characterizes with a chuckle as his early dotage. This book covers the ensuing six years during which God at work moments explode in all three M areas. Miracles, surprises, and delights spring up in this book. El's tone ranges from breezy to serious, from humorous to introspective, from self-deprecating to evangelistic. El gives God the credit for the miracles in his life and for the doors God has opened for him. He encourages readers to recognize the doors that are being opened for them and to charge through them.

**God's Country Or Devil's Playground** Barney Nelson, 2002-11-01. The dramatic desert landscapes of the Big Bend country along the Texas-Mexico border reminded historian Walter Prescott Webb of an earth wreck in which a great section of country was shaken down, turned over, blown up, and set on fire. By contrast, naturalist Aldo Leopold considered the region a mountainous paradise in which even the wild Mexican parrots had no greater concern than whether this new day, which creeps slowly over the canyons, is bluer or goldier than its predecessors or less so. Whether it impresses people as God's country or as the devil's playground, the Big Bend typically evokes strong responses from almost everyone who lives or visits there. In this anthology of nature writing, Barney Nelson gathers nearly sixty literary perspectives on the landscape and life of the Big Bend region, broadly defined as Trans-Pecos Texas and northern Chihuahua, Mexico. In addition to Leopold and Webb, the collection includes such well-known writers as Edward Abbey, Mary Austin, Roy Bedichek, and Frederick Olmsted, as well as a wide range of voices that includes explorers, trappers, cowboys, ranch wives, curanderos, college presidents, scientists, locals, tourists, historians, avisadores, and waitresses. Following a personal introduction by Barney Nelson, the pieces are grouped thematically to highlight the distinctive ways in which writers have responded to the Big Bend.

*God's Country* Brad Roth, 2017-09-19. With the poetic force of Kathleen Norris and the pastoral warmth of Eugene Peterson, Kansas pastor Roth sets forth a vision for vibrant rural churches for ministry in congregations that bear a profound sense of both loss and possibility and for harvesting fruits of transformation and renewal. Rooted in stories from Scripture, his own ministry, and interviews with rural church leaders, Roth offers a sturdy theological and practical alternative to church growth strategies that rely on success stories and flashy metrics. Reclaiming God's vision for the rural church, Roth writes, means learning how to praise, abide, watch, pray, grow, work the edges, die, befriend, and dream. In *God's Country*, rediscover the stunning abundance of God's presence in rural communities. Name the ways that the rural church testifies to God's glory and goodness. Learn to live and love and minister right where you are, no matter how small or unassuming it may seem. Winner of the Award of Merit, Christianity Today 2018 Book Awards, The Church Pastoral Leadership category. Free downloadable study guide available [here](#).

*God's Country and My People* Wright Morris, 1981. [Is This God's Country?](#) Robert Audi, 2024. Why think America is God's country? What is a religion? Religion as an engine of law-making. Ethics and democracy: why should a religious nation tolerate irreligion? Public education: why shouldn't public education endorse the religious values of the nation? Religion, democracy, and economic liberty: why can't owners of a business run it as they like? Healthcare in America: why should

government be allowed to override religious preferences The civic responsibilities of citizens do unto others a moral and religious standard Can we integrate morality politics and religion Civil discourse as a challenge for citizens and government Can America be Christian     **For God, Country, and Coca-Cola** Mark Pendergrast,2000-03-17 An illustrated history of the Coca Cola soft drink company     God's Country Earle Astor Shilton,1942     **Escape from God's Country** Tom Crichton,1973     **God's Country and My People** Wright Morris,1968
