God Made Space Steph Bryant, Lizzie Henderson, 2020-03-20. God has given us lots of clues about how He made space. This is how we think He did it. Discover how the wonders of the universe were made beginning with a huge explosion. Follow the process of how stars, asteroids, comets, moons, and planets were formed. The God made series encourages young children to explore and discover the world around them and tells them about the loving God who made it all. Scientific ideas about how and why everything was created are simply explained through the lively narrative and wonderful illustrations, leaving children marvelling at God's creativity, love, and power. With additional information by the Faraday Institute about Science and the Bible for parents to open up discussion and some simple science experiments to engage budding young scientists.
