Gods Got A Better Idea:

God in the White House: A History Randall Herbert Balmer, 2008-01-22 Bush White House historian Balmer explores the role religion plays in the personal and political lives of Americas presidents 16 page b w photo insert God Idea vs. Good Idea Kevin L. Cann, 2024-12-04 Kevin Cann s book is about understanding God ideas vs Good ideas God gives each person His ideas The difficult part is determining if the idea is from our Spirit or Soul I want to help the Body of Christ find their God idea and share it with the world **Successful Christianity** Dr. Roger Price, 2008-05-23 The world is full of religions espousing mans ideas of how to get to their particular gods or goddesses and to gain their favor These people seem to be in a continuous state of failure Successful Christianity explores the Christian faith in which there are those also who struggle to be on top of things in life This book gives multiple avenues of overcoming what is seen by some as a persons fate in life From failures in finances to poor health I point out that there has to be a change in our thinking if we are to ever be successful in our walk with the Lord Proposing that God wants us to be successful in life Scripture is called upon to point out the various avenues in which we please God by our faith and actions that back up that faith which will bring success Our focus on a growing relationship with our Lord and His Word I am convinced is the avenue of success for the Christian That is my experience and I pray you find it true also **Lectures Vol. 1** Swami Vivekananda, Swami Vivekananda was an Indian Hindu monk and chief disciple of the 19th century saint Ramakrishna He was a key figure in the introduction of the Indian philosophies of Vedanta and Yoga to the Western world and is credited with raising interfaith awareness bringing Hinduism to the status of a major world religion during the late 19th century This book includes the following of his brilliant lectures Soul God And Religion The Hindu Religion What Is Religion Vedic Religious Ideals The Vedanta Philosophy Reason And Religion Vedanta As A Factor In Civilisation The Spirit And Influence Of Vedanta and many more **Accidental Preacher** Will Willimon, 2019-07-16 The lively inspiring memoir of an eminent Christian preacher and leader In this book one of today s best known Christian leaders recounts with his signature wit and humor memorable moments from his rich and full preaching life A personal and vocational memoir Will Willimon s Accidental Preacher portrays the adventure of a life caught up in the purposes of a God who calls unlikely people to engage in work greater than themselves Beginning with his childhood in a segregated South and moving through his student years Willimon gives candid inspiring and humorous testimony to his experiences as a seminary professor rural pastor globe trotting preacher bishop and popular theologian and writer Above all he shows how God has constantly had a call on his life By turns poignant hilarious and thought provoking but always irresistibly engaging Accidental Preacher is sure to join the well remembered classic memoir of our time *The Great X-Cape* Angel Brown, 2010-04 PSALMS 71 2 DELIVER ME IN THY RIGHTEOUSNESS AND CAUSE ME TO ESCAPE INCLINE THINE EAR UNTO ME AND SAVE ME I titled this book The Great X Cape because I always thought of myself as invincible as most of us do and some more than others The Bible says that as a man thinketh in his heart so is he Proverbs 23

7 Not in this case Imagine having Aquaman as your hero but he can't even swim or Superman and Batman and they can't fly I had my own self made cape that I wore everywhere I went being my own superhero I had much faith in myself in my abilities my talents my intelligence and all of the things that failed me in my time of need Today I am a retired superhero surrendering my cape to the One who rightfully deserves to wear it The One who does not fail in our time of need who truly is my Hero and has saved me from the biggest enemy I've ever had myself There are many things in my life that God has allowed me to escape from and by the end of my book I will have listed a lot of them but truly I just can't tell it all By coming to the end of faith in myself I found faith in Him By coming to the end of my own life I finally found His and that is truly the greatest escape that we can ever make Psalms George Rawlinson,1896 **God's Spy** Juan Gómez-Jurado,2008-02-26
