**The Word: God's Last Word and Testament** Lee Anthony Looby PhD, 2012-10-01 This book is unprecedented in that it gives personal information guidance and instruction directly from God to you through His messenger In it God explains the reason why you are living how you are guided by angels and spirit guides during your lifetime and what to expect in the afterlife after your soul departs this earthly dimension to take up residence in one of the heavenly realms **God's Last Words** David S. Katz, 2004-02-09 This wide ranging book is an intellectual history of how informed readers read their Bibles over the past four hundred years from the first translations in the sixteenth century to the emergence of fundamentalism in the twentieth century In an astonishing display of erudition David Katz recreates the response of readers from different eras by examining the horizon of expectations that provided the lens through which they read In the Renaissance says Katz learned men rushed to apply the tools of textual analysis to the Testaments fully confident that God's Word would open up and reveal shades of further truth During the English Civil War there was a symbiotic relationship between politics and religion as the practical application of the biblical message was hammered out Science Newtonian and Darwinian as well as the emerging disciplines of anthropology archaeology and geology also had a great impact on how the Bible was received The rise of the novel and the development of a concept of authorial copyright were other factors that altered readers experience Katz discusses all of these and more concluding with the growth of fundamentalism in America which brought *Last Words of Saints and Sinners* Herbert Lockyer, This collection of 700 quotes includes the last words of commoners atheists poets and politicians along with noted Christians and martyrs Ready reference source for the pastor or public speaker Famous Last Words Rev. Marshall L. Hoffman, 2015-08-27 Famous Last Words brings an in depth and heart searching look at the seven last words that Christ spoke from the cross His death burial and resurrection transformed human history A careful look at the richness of these last words will prepare us spiritually to experience God's transforming power From words of forgiveness assurance mystery family to completion the last words of Christ bring hope for personal resurrection to our own lives The last words of Christ reach out from the cross and across the centuries into our lives with new power and meaning in this heartfelt devotional from a pastor's heart The Seven Last Words of Christ Judith Mattison, 1991-01-31 Meditations on each of Jesus's seven last words accompanied by hymns and poetry *Unveiling Final Jesus* Dean C. Knudsen, 2009-06-30 In terms of the written canon of Scripture the Book of Revelation is God's last word Common logic would seem to dictate that a God who is intelligent reasonable and articulate would speak last words that would be easily understood by the vast majority of His audience Unfortunately in the case of The Revelation the reality is quite different For most of the last two millennia of Church history Christians have fussed and fought metaphorically if not physically over the intent intelligibility and interpretation of The Revelation What was given as a source of encouragement unity and hope has become a cause of discouragement division and fear In this book the author presents a series of portraits of Jesus Christ which are revealed in

the successive apocalyptic visions contained in the Book of Revelation These visions were not given to stir fear or confusion but to inspire hope and to give courage to a young Church a Church that was struggling with the harsh realities of living according to the teachings of Christ in the midst of a decidedly non Christian world The author claims that Jesus is the focal point and central figure of this mysterious and final book of the Bible In this manner he seeks to make the message of

Revelation relevant and reasonable to every reader **Dietrich Bonhoeffer's Christmas Sermons** Dietrich

*I Hid in Mine Heart* Vernon Gilbert,2016-01-20 A familiar old hymn begins with When peace like a river attendeth my way Our greatest need is peace during these troubled times When Gods word is hidden in our hearts we are able to instantly retrieve those portions of The Word at the right time that gives us that peace Jesus The Word The Truth The Life The Prince of Peace **Foundational Discipling Principles** Robert Straube,2010-04 After 22 years of prayer study ministry

observation and seeking God s will through it all the burden in my heart to teach disciples and raise up Church leaders who are grounded in solid foundational principles has escalated into a powerful fervor Therefore my spirit has been compelled to put these principles into writing for the edification of the glory of the Lord for His kingdom Many of these things have been taught in various forms and or pieces It has been my longing to put this to an organized instructional tool that will firm up

the believer's heart and mind and establish a solid foundation for disciples to build their calling upon thereby launching the disciple's ministry for the purpose of accomplishing God's will for their lives. Like a drop of water spilled into a pool and rippling outward, it is my expectation that these teachings will ripple out into the world and change many lives. Dr. Robert Doc Straube was born in 1950 in Bethesda, Maryland. Growing up as a US Navy dependant, he lived all around North America, Hawaii, and the Caribbean, finally settling in the Seattle, Washington area. During his early college life, he earned Ph.D.s in Psychology and Business Economics. While teaching and studying at different institutions, Doc continually sought for spiritual truth, studying various religions and philosophies. Finally, through God's grace, he received Jesus Christ as his personal Savior and became a born-again Christian in 1981. The Bible became his one and only source of truth. Desiring to have a complete and full relationship with Jesus Christ, he earned his third doctorate in Divinity. **CHURCH LEADERSHIP** Through the love of Jesus Christ, Doc and his wife Jackie fulfill their call and commitment by helping the Church raise up disciples and training them to fulfill their ministry callings in Jesus Christ. **Resurrection and Moral Order** Oliver O'Donovan, 1994. This seminal work makes a cogent and compelling case for Christian ethics based on the resurrection of Jesus Christ. Drawing on a profound knowledge both of the history of Christian thought and of contemporary ethical theology, Oliver O'Donovan illumines such important concepts as freedom, authority, nature, history, and revelation. This revised edition also includes an extensive new prologue in which the author enters into critical dialogue with four key figures in Christian ethics: John Finnis, Martin Honecker, Stanley Hauerwas, and Karl Barth. *Theology and the Enlightenment* Paul Avis, 2022-11-17. Challenging the common assumption that the Enlightenment of the late seventeenth and the eighteenth centuries was an essentially secular, irreligious, and atheistic movement, this book critiques this standard interpretation as based on a narrow view of Enlightenment sources. Building on the work of revisionist historians, this volume takes the argument squarely into the theological domain, whether Anglican, Dissenting, Lutheran, or deistic, whilst also noting that the Enlightenment deeply affected Roman Catholic and Jewish theologies. It challenges the stereotype of Enlightenment rationalism, and the penultimate chapter brings out the biblical and ecclesial roots of the image of enlightenment and reclaims it for Christian faith.

Preaching Christ from Daniel Sidney Greidanus, 2012-12-19. In *Preaching Christ from Daniel*, Sidney Greidanus shows preachers and teachers how to prepare expository messages from the six narratives and four visions in the book of Daniel. Using the most up-to-date biblical scholarship, Greidanus addresses foundational issues such as the date of composition, the author's, and original audience of the book, its overall message and goal, and various ways of preaching Christ from Daniel. Throughout his book, Greidanus puts front and center God's sovereignty, providence, and coming kingdom. Each chapter contains building blocks for constructing expository sermons and lessons, including useful information on the context, themes, and goals of each literary unit, links between Daniel and the New Testament, how to formulate the sermon theme and goal, contemporary application, and much more. The Path to the Throne of God Sarah Elizabeth Peck, 2014. This study of the

sanctuary aims to give the reader an overall view of the entire sanctuary including the earthly and the heavenly sanctuaries and reaching its climax in the temple eternal the earthly model as constructed by Moses being a type or illustration of both the others It also aims to make plain that the sanctuary symbolizes not only the redemptive work of Christ but also the Christian experience of each of His followers and of the church as a whole

**Jesus and the Message of the New Testament** Joachim Jeremias, This volume brings together some of Jeremias's best known works on historical Jesus research and core issues concerning Gospel tradition It features foundational questions in historical Jesus research plus Aramaic backgrounds of the Gospels

**A Commentary on THE MINOR PROPHETS** David Pawson, 2019-08-22 David Pawson looks at the messages of these so called minor prophets and says I do not like that term To God all prophets are important whether they speak a little or a lot Even if God only gave you three words for somebody else that is prophecy You don't need to do it at length for fifty years as some prophets did There are some prophets in the Old Testament who only speak once and then as far as we know they disappear but they have given a message from God This is all a prophet is someone who has heard a message and passes it on to the right people It is such a simple ministry You don't need to be theologically educated you don't need to be a public speaker In fact God seems to entrust this ministry to those who don't have a gift of oratory It is exciting to hear ordinary folk who would never be able to get up into a pulpit and preach a sermon hear from God and pass on a word from him

**Jesus the Christ** Walter Kasper, 2011-10-06 Here at last is a reissue of Kasper's major work with a brilliant new introduction surveying recent developments in Christology Kasper assesses the Christological enterprise in the Church from the earliest down to the most recent times which can be recommended without hesitation to teacher and serious student The book also provides a solid theological basis for preaching This may also be described as a work of Christian serenity but one which is not indifferent to current problems It is the fruit of the deep peace which all men can gain from contemplation of Jesus the Christ As Karl Rahner has said this book is modern in the very best sense of the word Synthesising biblical philosophical and traditional material the book remains essential reading for specialists and is used widely for courses on Christology the very basis of Christian theology itself
