And I tell you that you are Peter, and on this rock I will build my church, and the gates of Hades will not overcome it.

Bob Russell, Rusty Russell

Gods Message For A Growing Church:

God's Message for a Growing Church Bob Russell,1990 **Church Growth Our Father God'S Way** Velma Davies,2017-09-26 These are fifty personal letters to Christian pastors and all Holy Bible teachers and fifty prophetic messages from our heavenly Father God Father God says that if they will preach one sermon a week using one of these prophetic messages for reference for fifty weeks in one year their church attendance will double and their church income will double It is based on the leaders souls growth in God As the leaders souls grow in God their sermons will improve and people will be fed more of Jesus and more of the Bible As spiritually hungry people are well fed they will return for more and bring their families and friends Growing God's Church Gary L. McIntosh,2016-01-12 It s no secret that the evangelism methods of yesterday are not yielding the kinds of results they did in the 1970s and 1980s So how are new Christians hearing the Gospel today How are they finding churches And what makes them stay at a church The answers to these questions have the power to dramatically alter the way we do outreach And Dr McIntosh has them Based on ten years of scientific research Growing God s Church shows pastors and church leaders how people are actually coming to faith in the 21st century It covers factors such as our motive for ministry the priorities churches set for themselves the reality of churchless Christians generational and gender based differences in evangelism effectiveness the name of your church the influence of pastors and much more The appendix includes a copy of the survey that provides the basis for McIntosh s arguments and an overview of the study is provided in the first chapter **Leading, Growing, and Sustaining God's Church** Clarence Duff Ph.D.,2021-07-13 Focusing on what facilitates effective leadership church growth and retention this book sets forth a process oriented framework for understanding the dynamics of church growth and what works for and against it The author who is currently serving as the senior pastor of a local church in the City of Brampton Ontario for more than twenty years highlights basic concepts and practices related to church leadership and growth He considers questions such as Why do some churches grow in numbers while others lag What are the dynamic processes strategies and pathways that underlie effective leadership church growth and retention How can the answers to these questions inform endeavors to increase and retain church membership The author also asks if it s true that God is in partnership with his leaders why are so many of our local churches not growing but declining The world the church was established in more than two thousand years ago is not the world we live in today Rethink what it means to lead grow and retain membership in a changing world with this important book **God's Church, God's Money, False Profits** M. L. Petty,2011-09-28 For years I agonized over writing a book to address the many questions concerning God s church today The following are some of those questions and concerns Are you being deceived from the pulpit Does the church use offerings for God s purpose What is the pastor s salary and compensation Does your Pastor conform to or live like those in the world Are detailed financial statements distributed to each member Should you continue to give money to your church Are you sure that your church is the place for you to worship God After much prayer

and study I felt the need to accept the challenge to address these questions in this book entitled *God's Church God's Money False Profits*. It is with some trepidation that I approach these issues because for some the revelations may be uncomfortable to acknowledge or accept. And for others they will find truth that will set them free. John 8:32

Growing the Church in the Power of the Holy Spirit Brad Long, Paul K. Stokes, Cindy Strickler, 2009-12-01

Is something crucial missing from your congregation's programs? Beneath the surface of churches' programs and activities lies the fundamental question of how leaders and churches can be enabled to discern and obediently cooperate with the guidance of the Holy Spirit. This biblically grounded book asserts that many leaders overlook the necessary precondition of cooperating with the empowering will of the Holy Spirit before putting their plans into action. *Growing the Church in the Power of the Holy Spirit* is a highly practical guide for nurturing relations between believers and the Holy Spirit, a process facilitated by seven dynamics: Love that draws us into engagement; Faith and obedience; Receiving divine guidance; Exercising spiritual discernment; Welcoming the gifts and manifestations of the Holy Spirit; Intercessory prayer that shapes the future; Seeing and responding to kairos moments. Advanced by the church leadership and brought into being by the Holy Spirit, these factors help congregations preach and teach, worship, heal, govern, make disciples of converts, and evangelize.

The Grown Up Church Earl Lambdin, 2014

This book is dedicated to the

unrelenting pursuit of Biblical truth concerning our apostolic founders vision of Christ s interactive maturing church As the early apostles were committed to the growing up of each individual disciple of the Body of Christ so this book is written to challenge and exhort all believers and followers of Christ to not settle for the same old predictable church style of stale hierarchal leadership with mediocre followers and results If the reader would be willing to humble oneself and dare to become boldly unchained and unafraid of embracing what is presented in this book through scriptural truth then a much greater understanding of the goals of early Christian discipleship could be greatly realized for the full stature and steely strength of united saints in these most desperate of latter times Around the Year in Children's Church Barbara

Church Growth From the Ground Up Bishop Derrick Dortch, 2010-03-25 Before I started pastoring I knew the call of God was on my life Like most young pastors I felt it was my time or my season as some say Like most young pastors God had given me great confirmation and assurance that this was his leading in my life However once I got into the deep waters of pastoring I quickly realized I did not know how to swim It almost appeared that God was not fair blessing some but allowing others to suffer Well now I know that's not true Many pastors waste precious years learning not knowing what to do Due to a lack of training tutoring and teaching they are stuck in the week to week cycle of just going to church Join me for a journey in church growth principles giving you the ABCs of church growth All you need is a little information

'I Am' 'The Church' of the Great "I Am" Dr. Jim McClinton, 2021-06-24 Do you believe that the essence of our Salvation is Spiritual Maturity We are spiritually mature when we grow in grace and in the knowledge of our Lord and Saviour Jesus Christ 2 Peter 3:18 KJV Do you know that wisdom and knowledge are related but not synonymous Wisdom is the ability to discern or judge what is true right or lasting The Gospel Knowledge is information gained through experience reasoning or acquaintance No one none of us is born wise we must acquire and can only acquire wisdom from God The Bible urges us often to seek wisdom above all things The beginning of wisdom is this Get wisdom and whatever you get get insight Proverbs 4:7 ESV Knowledge can exist without wisdom but wisdom cannot exist with knowledge One can be knowledgeable without being wise Knowledge is when you know you should hear the word and the importance of it Wisdom is hearing and knowing how and when to use it Word and how to live it In order for us to obey Him and be in obedience God wants us to have knowledge of Him and His commands as of His word Our knowledge begins when we fear God If we lack or despise wisdom we are foolish and not knowledgeable Wisdom is a gift from God Scriptures tell us If any of you lacks wisdom let him ask God who gives generously to all without reproach and it will be given him James 1:5 ESV Just knowing the Bible and facts about God is not all there is to wisdom God blesses us with wisdom for us to use the knowledge we have of Him in order for

us to glorify Him The fear of the Lord is the beginning of knowledge but fools despise wisdom and instruction Proverbs 1 7 KJV In our Spiritual Maturity let us fear God and let us not be foolish but wise and knowable pleasing God This book teaches us giving one an understanding and affords us the opportunity to be blessed and favored with wisdom It expresses and confirms who we are in Christ Jesus I Am The Church Of The Great I AM To God be the Glory Church Growth Today Clayton Pepper,1998

Church Transfusion Neil Cole,Phil Helfer,2012-09-19 Just as our life is in our blood the life for Christ s body is in His blood Changing a church is more than a new goal or direction Our churches need more than an organizational transition we need a full transfusion of Jesus blood His life within every disciple Anything less than that will only perpetuate more of the dysfunction and unhealthy church practices that have already plagued us for too long We are in desperate need of the internally transforming power of the gospel of grace and the presence of Christ so that our salvation is then worked out in a way the rest of the world will notice It isn t enough that we believe in the facts contained in the gospel we must allow the gospel itself to infect our souls and transform us from within The DNA of Jesus lifeblood is needed in our churches and nothing shy of a full transfusion that touches every cell will be sufficient In this book Neil Cole author of Organic Church Church Transfusion and Journeys to Significance and Phil Helfer co founders of Church Multiplication Associates will first point out that change is possible with God but only with God In the second half of the book they will lay out some of the actual practical considerations to weigh if you want to release real organic health in your church Using multiple examples of very different kinds of churches that have been through the process the authors present ways that leadership and practices need to change in order to release organic church movements from their midst Chapters cover Leadershifts necessary Detoxification from dependence issues How to ignite change virally How to grandparent movements How to measure success in movements This book another in the Leadership Network series applies organic life principles to established churches with practical help that is holistic and natural The content in this book will be helpful whether you are pastor of an established church or wanting to revitalize a small organic church Jesus didn t die and rise from the dead so that we can be like everyone else in the world Our faith is more than just a better doctrine or a bigger goal with a capital giving campaign it is a better life Jesus is the difference and what a difference he makes don t be satisfied with less
