Gods My Friend

Richard C. Lamb, Jr.

Gods My Friend:

Is God My Friend? Hannah C. Hall, 2019-10-08 Featuring beloved characters Clive Ian from the bestselling video series What's in the Bible IS GOD MY FRIEND weaves the biblical truth that God is a friend into a fun story with delightful illustrations teaching little learners that they can be close with God God does kind things for us because He is our friend Clive and Ian are playing in the snow Ian thanks God for the fun but cold gift Clive helps his little brother Ian discover why God does such nice things for them like giving them snow for snowball fights and they share neat ideas for how they can grow even closer to God their special friend **My God, My Friend- A Relationship With Jesus** Kerry-Ann

Barrett, 2012-12-28 This project is very personal to the writer as she shares her testimonies and experiences with God Her prayer is that it helps others to look beyond Christianity as just a religion and seek an intimate relationship with Christ For our walk to be successful we must have a relationship with Christ It has to be beyond just knowing of Him or obeying Him We also have to ensure that we maintain our relationship with Him This project looks at these things Being God's Friend

Charles H. Spurgeon, 2017-05-02 You know Him as Abba Father God the Lord the Almighty or even as Daddy But do you know Him as Friend Do you love to spend time with Him Do you look forward to your conversations to your quiet times together David sought God's company morning and night Moses spoke with Him daily and Abraham believing and obeying the Father was called the Friend of God James 2:23 You too can have dynamic fellowship with the Father with greater purpose and power than ever before Experience the closeness of a friendship with God Learn the joys of Being God's Friend today **God Is a Friend of Mine** Dave Noland, 2003-07 **Friend of God Study Guide** John C. Lennox, Joseph McRae Mellichamp, 2024-01-18 Abraham believed God and God counted him as righteous because of his faith He was even called the friend of God James 2:23 Abraham is the only character in the Bible to be described as a friend of God and John C Lennox shows us why Throughout the Bible Abraham is seen as a pivotal figure in God's plan of salvation and in Friend of God Professor Lennox helps us to see through the mists of the past to the real flesh and blood man with all his strengths and weaknesses This study guide to Friend of God is packed with thought provoking suggestions for private reflection or group discussion drawing out the many ways in which the story of Abraham can teach us how to live faithfully in a world of religious doubt and scepticism today **Evil, Anger, and God** Milton Crum, 2008-05 Evil in Scripture denotes both

suffering and behavior that causes it Anger often follows suffering Anger at people is condemned but anger at God is accepted because biblical faith portrays God as inflicting evil This faith calls for an understanding of language about God acting and a biblical theodicy revealing God's goodness both are provided Portrayals of God as inflicting evil do not deny that factually humans inflict it so the witness about human sin is included Final chapters offer biblical deliverances from evil

The Pursuit of God in the Company of Friends Richard C. Lamb, Jr., 2010-03-05 You were not meant to walk alone Many of us struggle to forge deep relationships with God and other people Modern society has isolated us as rugged individuals

deceiving us into thinking we can make it through life on our own Individualism has likewise shaped the pattern of Christian discipleship privatizing faith and separating us from fellow believers But we come to know God best when others help us on the way And our friendships develop best when we seek after God together What would it look like to pursue God not by ourselves but in the company of friends According to the model of the New Testament spiritual transformation takes place in the context of Christian community By unpacking the Gospel narratives of Jesus ministry with his disciples Richard Lamb demonstrates how discipleship develops within the shared community life of groups of Christians He explores a range of topics such as spiritual friendship hospitality leadership service conflict forgiveness and mission in light of Christian community Engaging stories from real life experience show how people can form one another spiritually when their lives are tumbled against one another If you long for more of God deeper friendships or both this book will help you on the journey Discover the transforming power of discipleship in community Join the pursuit of God in the company of friends *It Is the Same Light* Daljit Singh Jawa, 2015-03-28 Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism the worlds fifth largest religion But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets It is more like a collection of divine revelations and hymns expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being along with the similar yearnings and longings of the devotees and saints from all faiths prevalent in Indian subcontinent during those times The beauty of this 1430 page hymnal written in 22 different languages lies in the fact that while it spiritually connects the human mind to the original source of eternal bliss it provides a very practical and effective way to live in love and harmony with other fellow human beings irrespective of their faith color caste creed or race The following are a few examples of the views of eminent writers and scholars regarding Sri Guru Granth Sahib Mankinds religious future may be obscure yet one thing can be foreseen The living higher religions are going to influence each other more than ever before in the days of increasing communications between all parts of the world and branches of the human race In this coming religious debate the Sikh religion and its scriptures the Sri Guru Granth Sahib will have something of special value to say to the rest of the world Arnold Toynbee Historian I have studied the scripture of great religions but I do not find elsewhere the same power of appeal to the heart and mind as I find here in these volumes of Sri Guru Granth Sahib There is something strangely modern about these scriptures They speak to the people of any religion or of none They speak for the human heart and the searching mind Mrs Pearl S Buck Nobel Laureate In Volume five of the *It Is The Same Light* series SGGS pages 801 1000 author Daljit Singh Jawa continues his humble effort to share the beauty of the SGGS with those who have limited familiarity with the language Gurumukhi history or context The following are some of the comments received on the volume 7 pages 1201 1430 of SGGS This translation of Guru Granth Sahib is one of the best English translations in my view as it is in simple understandable English each shabads summary message is given there is connection between the shabads to reveal continuity of thought process in Guru jis message Thanks to S Daljit Singh ji for

the great work which will benefit future generations understand Guru Jis message easily Amarjit Singh M D University at Buffalo Buffalo NY A monumental undertaking reflecting a lifetime of devotion to the Sri Guru Granth Sahib and to the scholarly study of its voluminous texts Both its rendition of the original Gurmukhi script with accompanying English transliteration and its erudite commentary on each of the Granths many hymns mark this work as a stunning achievement which will benefit all serious students of the Sikh religion and of world religions in general Barry Crawford Ph D Washburn Univesity Topeka Kansas *Shepherds of the Steppes* Mark D. Wood,2023-06-01 The evangelical Mongolian church has experienced significant growth since the country opened to the world in 1990 Despite the growth and emergence of the evangelical church in Mongolia relatively little has been written on the church from the perspective of the leaders themselves This ethnographic study seeks to express the experience of male evangelical Mongolian church leaders in their own words The book focuses specifically on the leaders experiences of conversion discipleship navigation of Mongolian culture and traditions and theological education Readers will hear from evangelical church leaders why they became Christians and what their experience with discipleship was like for them The issue of contextualization for evangelical Christians is also a central focus In particular the translation of the term for God in Mongolian and the perspective of the church leaders are explored This book will be of interest to those exploring Christianity in Asia and post socialist contexts as well as seeking to better understand contemporary Mongolian culture *The Credibility and Morality of the Four Gospels ...
