## Gods New Creation:

**Creation and New Creation** Sean M McDonough, 2016-04-01 In keeping with the Scriptural witness and the theological heritage this remarkable book examines the doctrine of creation alongside new creation The connection between the two creation and new creation has drawn renewed attention in the last several decades but the burden of Sean McDonough's argument is that this emphasis on creation and new creation has been a feature of the doctrine since the beginning whether in the eschatological reading of Genesis 1 that predominated at least until early modern times or the intertwining of the narratives of creation and redemption in thinkers from Irenaeus to Barth Whilst covering the traditional elements of the doctrine McDonough treats the important subject with a special emphasis on how these unfold in the story of what Gunton has called God's creation project

*God's Workmanship* Frank E. Lasater Jr., 2014-08-21 We cannot know God in depth without recognizing and acknowledging His absolute glorious sovereignty over all things in all times and in every aspect of our lives He is Lord and His will reigns supreme When we finally come to this conclusion when our thoughts prayers and daily actions finally align at last with the teachings of Scripture on this most important matter we will know Him better As a consequence the good works to which we were ordained in the new birth will glorify God in His sovereignty

**The New Creation** Herbert McCabe, 2010-10-28 A reissue of McCabe's study of the sacraments and what it means to live in the Church and the Church's world The New Creation explores how human beings can reach real unity with one another and the world around them through the Spirit of Christ The New Creation engages with themes like the Word of God the Son of God the meaning of community and communion and the sacraments as mysteries of human unity the place of physical healing in the redeemed world and the Old Testament and pagan religious foundations upon which modern Christianity is built There is a humane simplicity in McCabe's insights into all of these subjects similar to that found in the Gospels which provides the reader with clarity on inherently complex theological issues Christ is present to us in so far as we are present to each other as McCabe tells us and this book plainly and vividly encourages us to find the company of both

**The New Creation** Felipe Guzman,2019-10-22 We are born into this world as a triune being with a body soul and spirit Our physical body allows us to live within the physical realm and our soul is the director of all our mental and physical labor It is our spirit that gives life or allows us to be alive which in turn allows our conscious soul and physical body to live breathe and move Upon death our physical body remains in this physical realm however our soul and spirit will continue on for all eternity within the spiritual realm Our spirit and soul are two separate immaterial entities and need to be separated for the purpose of the human spirit to become the gateway for the entrance of God s Holy Spirit into the human spirit This is the born again experience that leads a person to become a new creation of God The spiritual rebirth of the human spirit is the only way one can enter God s heavenly kingdom and the only way the human spirit can go through the spiritual rebirth is by allowing God s Holy Spirit entrance into their spirit The only way that God s Holy Spirit will enter a person s spirit is by that person believing that Jesus Christ God incarnate died for their sins and the sins of the world thus removing the penalty of judgment of God s wrath upon those who chose to believe and accept Jesus Christ as their personal Lord and Savior This book gives biblical support for the reality of the triune composition of humanity and the function and destiny of each

Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

**Overview of Commentary Organization**

Introduction covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes:

- Pericope Bibliography**: a helpful resource containing the most important works that pertain to each particular pericope.
- Translation**: the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English.
- Notes**: the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation.
- Form/Structure/Setting**: a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope.
- Rhetorical or compositional features**: important to understanding the passage, are also introduced here.
- Comment**: verse by verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research.
- Explanation**: brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels:
  1. within the context of the book itself
  2. its meaning in the OT or NT
  3. its place in the entire canon
  4. theological relevance to broader OT or NT issues
- General Bibliography**: occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

*The Ministry, Vol. 09, No. 02* Various Authors, 2005-02-01

This issue of *The Ministry* contains a complete record of the nine messages given in Auckland, New Zealand, during the International Training for Elders and Responsible Ones in October 2004. The general subject of these messages is the uniqueness of the Lord's recovery. See *The Ministry* February 2004 and June 2004. The burden for these messages can be summarized in the following fellowship from Message One, from excerpts of *Practical Talks to the Elders* by Witness Lee: "We don't know how long the coming days will be; only the Lord knows. But for as long as the Lord carries the recovery, it will be on this earth. With these future days and future new ones especially in mind, I feel there needs to be a basic vision or basic knowledge of the Lord's recovery. Just five years ago a distraction came in which confused some dear ones who were concerned for the Lord's recovery. Since such a thing could happen in the past, right before our eyes, how can we have the assurance that such a thing will not be repeated in the future? Thus while the Lord still grants me the days I would like to do as much as I can to put things clearly into writing. Then the dear ones who are in and who will be brought into the Lord's recovery can have a clear view about what it is." pp. 51-52. God is unique. His plan is unique.

His work is unique His way to carry out His work is unique And the very instrument used for His way is the ministry Thus this ministry is also unique In the New Testament there is the unique Christ the unique way and the unique focus to carry out the unique circumference the church by the unique ministry p 57 In the Lord s recovery we are doing one work carrying out one ministry We are serving one Lord worshipping one God We are in His unique plan in His unique economy in His unique work in His unique way We minister His unique focus p 60 If we are not in the focus and if we do not experience what we preach to others we face two perils One sooner or later there will be divisions Two if we don t practice the focal points the saints have no way to practice them The things we teach will eventually become doctrines in the Lord s recovery There will be no reality The recovery will be just empty If we don t care for the Lord s recovery by paying heed to all these unique points then we will care for the spreading of our work To care for the spread of our work is dangerous It will produce different works to build up different ministries Then division will result I am fearful and trembling of these two perils the peril of different works being produced to cause division and the peril of emptiness pp 62 63 May the Lord speak to us in these messages to show us the uniqueness of His recovery May the Lord keep us secure in this vision and may He keep His recovery from division and from emptiness Last of all in the sections regarding reports and announcements we include a schedule of the upcoming conferences and trainings in Europe for 2005

*Living as God's Holy People* Kent Brower, 2014-08-08 In this readable and enlightening book based on his 2008 Didsbury Lectures Kent Brower opens up Paul s theology of holy living as community in the power of the Spirit At the heart of Paul s practical theology is God s call of Israel to be holy as God is holy But his conviction is that the call to be God s holy people now encompasses all Jews and Gentiles who follow Jesus the Messiah This new community of God is to embody the holiness of God wherever they live just as Israel was to embody it This is a central theological concern in all of Paul s epistles His ethics are always theological ethics his theology is always practical theology Abreast of other scholarly studies and written in a very accessible style this engaging book makes a contribution in inverse relation to its modest size Larry Hurtado Professor of New Testament Language Literature and Theology University of Edinburgh

*Paul and Matthew Among Jews and Gentiles* Ronald Charles, 2020-12-10 Terence L Donaldson s scholarship in the field of New Testament studies is vital as he has pressed scholars to pay closer attention to the complex relations between early Christ followers who were mostly non Jews and the Jewish matrix from which the narrative of the Christian proclamation comes from This volume allows prominent New Testament scholars to engage Donaldson s contributions both to sharpen some of his conclusions and to honour him for his work These essays are located at the intersections of three bodies of literature Matthew Paul and Second Temple Jewish Literature and themes and questions that have been central to Donaldson s work Christian Judaism and the Parting of the Ways Gentiles in Judaism and early Christianity Anti Judaism in early Christianity With contributions ranging from remapping Paul within Jewish ideologies and Paul among friends and enemies to socio cultural readings of Matthew and construction of Christian Identity through stereotypes of the Scribes and

Pharisees this book provides a multi scholar tribute to Donaldson s accomplishments *God's Insurance* Moses O. Cook,2002 With the passing of time and the development of significant cultural changes the Reformed Church in America has continued to examine its perspectives on Christian teaching Here the contemporary doctrinal positions of the RCA as presented by its Commission on Theology are gathered into one convenient reference work The papers included here are divided into chapters according to six categories scripture faith sacraments ministry witness and sexuality Within these documents are important statements on such topics as Christian witness in today s pluralistic society the role and authority of women in ministry Christian witness to Muslims and the church and homosexuality Feasting on the Word: Year C, Volume 2 David L. Bartlett,Barbara Brown Taylor,2009-10-12 With this new lectionary commentary series Westminster John Knox offers the most extensive resource for preaching on the market today When complete the twelve volumes of the series will cover all the Sundays in the three year lectionary cycle along with movable occasions such as Christmas Day Epiphany Holy Week and All Saints Day For each lectionary text preachers will find four brief essays one each on the theological pastoral exegetical and homiletical challenges of the text This gives preachers sixteen different approaches to the proclamation of the Word on any given occasion The editors and contributors to this series are world class scholars pastors and writers representing a variety of denominations and traditions And while the twelve volumes of the series will follow the pattern of the Revised Common Lectionary each volume will contain an index of

biblical passages so that nonlectionary preachers as well as teachers and students may make use of its contents **The Resurrected God** John L. Drury, 2014-06-02 The Resurrected God is an exciting innovative examination of the resurrection of Christ and its relationship to the doctrine of the Trinity in the mature work of Karl Barth particularly across the three parts of Volume IV of Church Dogmatics John Drury argues that for Barth the subject and basis of Christ's resurrection is the triune God The volume demonstrates that Barth explicated the doctrine of Christ's resurrection through a unique Trinitarian grammar and grounds the event of the resurrection in the eternal triune being of God Closely expositing and analyzing Barth's deployment of this Trinitarian grammar in the fourth volume the author turns to a constructive reconsideration of Barth's earlier doctrine of the Trinity in the first volume examining that material in light of the concept of God operative in the later work Thinking with and beyond Barth the author concludes that resurrection is inextricably linked with the Triune life of the God who raises and is raised God, Salvation, and the Problem of Spacetime Emily Qureshi-Hurst, 2022-11-10 Much has been written on the relationship between the nature of temporal reality and the God of Classical Theism Despite the popularity of this general area what the physics and metaphysics of spacetime might mean for specific theological doctrines has received less attention Recently however interest in this rich and dynamic interplay of ideas has seen rapid growth This Element provides both an introduction to the physics and metaphysics of spacetime and a jumping off point for understanding how these can and in fact should inform both Christian theology and the philosophy of religion more generally The author will argue that the nature of spacetime raises particular and pressing problems for Christianity specifically the interrelated doctrines of salvation and eschatology and explore whether adequate solutions to these problems are available The Cat and the Toaster Douglas A. Hall, Judy Hall, Steve Daman, 2010-01-01 Living system ministry is an approach to Christian ministry in the Western world that recognizes the differences between cats the world God created and toasters the world we create using our technology and our capacities limited as they are The church is the Body of Christ a living system Neighborhoods cities and cultures too are complex and interrelated living social systems Why then would we try to do God's work in a church or social system using tools and methods designed for non living systems We do it because our culture is very organizationally and technologically centered We have grown accustomed to thinking of our social contexts not as living systems but as things we can easily measure and control Embracing both perspective and procedure Living System Ministry is about doing better ministry by seeing a better picture of what exists in the total system Like farmers rather than technicians we learn to be involved in and to be in tune with what causes fruitfulness We never cause fruit to happen God does But as our work becomes better aligned with what God is already doing in his complex living system environment there is an explosion of life We discover the fruit that remains Writing from his forty five years of experience as an urban ministry practitioner in Boston Dr Doug Hall introduces us to an approach to missions that recognizes the lead role of God's larger living social systems as powerful engines for doing far more in our world than we can even begin to imagine **The**

**Collected Works of Witness Lee, 1963, volume 4** Witness Lee, 2021-05-28 The Collected Works of Witness Lee 1963 volume 4 contains the messages and fellowship given by Brother Witness Lee from September 4 through December 31 1963 In the first part of September Brother Lee spent a few days ministering to the saints in Las Vegas Nevada There are indications that he also passed through Albuquerque New Mexico for a few days afterward however there is no record of his speaking during that time On the weekend of September 20 and 21 he ministered to the saints in Tyler Texas and toward the end of the month he traveled to New York City where he ministered for more than two weeks In the month of November Brother Lee returned to Texas for a week to release messages in Tyler and Dallas The following weekend he stopped briefly in Los Angeles and then traveled up the West Coast to Sacramento and San Francisco California giving weeklong conferences in both cities In December Brother Lee again returned to Los Angeles where he ministered until the end of the year sometimes speaking two or three times a day The contents of this volume are divided into twelve sections as follows 1 Four messages given in Las Vegas on September 4 through 7 These messages were published under the title Contacting the Lord Being Filled in Spirit and Having Proper Christian Meetings for the Accomplishment of God's Eternal Purpose There are indications but no solid evidence that the last message was given in Albuquerque New Mexico 2 Three messages given at a conference in Tyler on September 20 and 21 These messages are included in this volume under the title Experiencing Christ as Life for Our Transformation into His Image Records indicate that originally four messages were given but the last two which were given on the same day and at the same location were combined into one message 3 Four messages given at a conference in New York City from September 29 through October 6 These messages are included in this volume under the title The Practical Way to Fulfill God's Eternal Purpose 4 Four messages given at a conference in New York City on October 11 through 13 These messages were published under the title The Exercise of Our Spirit for the Release of the Spirit 5 A series of twelve messages given in the Tyler and Dallas area on November 7 through 15 These messages are included in this volume under the title Being Transformed for the Practice of the Church Life 6 Three messages given in Tyler at various times during the month of November These messages are included in this volume under the title The Fulfillment of God's Purpose and the Defeat of God's Enemy 7 Six messages given at a conference in Sacramento on November 22 through 25 These messages were published under the title Experiencing Christ as the Inner Life 8 Eleven messages given in San Francisco from November 28 through December 1 These messages were published under the title The Relationship of God with Man in God's New Creation 9 Messages given on two Lord's Days November 17 and December 15 in Los Angeles These messages are included in this volume under the title Lord's Day Messages in Los Angeles The second message was divided into two parts 10 Three messages constructed from personal notes of Brother Lee's fellowship with the leading ones on December 14 and 20 in Los Angeles These messages are included in this volume under the title Fellowship with the Leading Ones 11 Sixteen messages given at a conference in Los Angeles on December 22 through 31 These messages were published

under the title The Life and Way for the Practice of the Church Life 12 One message given at a meeting in Los Angeles on December 28 This message is included in this volume under the section title Fellowship concerning the Body of Christ There are indications that this message was one in a series of informal talks that Brother Lee gave during the conference held on December 22 through 31 Records of the other talks were not available for publication      **Kingdom Theology** G. Carlton Moore, 2024-06-18 What this book argues for in today's twenty first century church was a hallmark doctrine of old school Presbyterianism of the nineteenth century the doctrine of the spirituality of the church Which eschatological approach one uses will affect one's understanding of the nature and practice of missions Mission creep the expansion of the church's original objective's is a real concern for the contemporary church and how one understands eschatology affects one's focus on missions The mission of the church is narrow Matt 28 18 20 and the calling of individual believers is broad Rom 12 1 2 If we fail to make this crucial distinction the church's mission will lose its biblical emphasis And if the church's mission is lost then the authority structure instantiated in the offices and officers of the church devolves into illegitimacy because the church is no longer advancing the kingdom ends she was mandated to do by King Jesus If the institutional church fails to do this we will be relinquishing and abdicating and abandoning our most singular and particular and peculiar kingdom of God vocation the harvesting gathering and perfecting of the saints
