**Gods of Air and Darkness** Richard E. Mooney,1975      **Finishing the Mysteries of Gods and Symbols** Seven Star Hand,2010-09-17 Here is comprehensive proof that the symbolism of many ancient texts canons and concepts is an advanced and extremely ancient spiritual and philosophical technology that predates all extant religions and mystery schools Consequently here is proof beyond disproof that all three so called Faiths of Abraham are purposeful deceptions Accordingly related esoterica mystery schools and the New Age are rife with error caused by undue reliance upon the assertions of these religions and their leaders Throughout this book I present verifiable proof that ancient sages and prophets opposed religion and wisely never trusted religious leaders As comprehensive validation of this they redundantly encoded stunning proof of why throughout pivotal symbolic narratives and related concepts The ancient sages and prophets hid vital secrets from religious leaders throughout the previous several millennia When these decoded details are compared to the history words and deeds of these religions and their leaders they finally prove the truth about many long hidden things These religions have always purposely imposed ignorance based on the deceptive recasting of earlier symbolic concepts and narratives that also expertly encoded the keys to ancient wisdom as redundant proofs of the truth Arrogant religious leaders while hypocritically lecturing others about morality have long overlooked that the ancient sages and prophets were painfully aware of their then current and future misdeeds and deceptions and patiently and expertly prepared for them      **Days of Air and Darkness**

**Gods of Air and Darkness** Richard E. Mooney,1975      **Dust of Gods** Alexander Pullar,2018-05-08 Dust of Gods is not a book for the professional the archaeologist or the historian they can read their own books It has been written for the enthusiastic nonacademic Its for the serious novice who may wish to ramble through our past where often history and religion merge into one Hopefully a more meaningful perspective may be cast upon ones understanding of mankind s complex roots how we arrived at our present state and where our journey may yet take us From an agglomeration of uncertainties this book attempts to lift the shroud of mystery and free the truth behind mankind s success      **World, Underworld,**

**Overworld, Dreamworld** Mike Hockney,2014-09-12 Ancient cultures were faced with two immense problems Why is there something rather than nothing and why is the universe ordered rather than chaotic To answer these questions they invented

cosmologies which were also the basis of their religious beliefs A person s cosmological and religious beliefs are always interdependent The ordered universe of the ancients was divided into four 1 the World that we inhabit 2 the Overworld the sky and heavens that the gods inhabit 3 the Underworld that the dead inhabit and 4 Dreamworld the mysterious zone between sleep and death that connects the living dead and the gods This is the incredible story of these four worlds and how they have influenced the development of all human thought right up to the present day
