Gods Of The Word:

Gods of the Word Margaret Magnus, 1999 In 1993 as part of a computer project I was working on I found myself reading an English dictionary and dividing all the words into prefixes suffixes and roots I had read studies in linguists which suggested that the initial consonants of a word had a set of meanings and the remaining rhyming part also had a set of meanings One sense of str is linearity string strip stripe street etc And one sense of ap is flat cap flap lap map etc If you put them together you get a flat line strap The idea fascinated me and since I was marking all these words anyway I decided to keep an eye out for these classes which have similar meaning and pronunciation both It turns out that it is possible by means of a series of repeatable experiments to show that certain meanings hang out with certain phonemes and others do not I have been working on a dictionary which outlines this data for English in much more detail rather formally and scientifically But I also have many thoughts which I seem to express more openly and cheerfully when I voice them in a separate book My purpose here is therefore not to prove anything but to summarise my most important findings in plain English and to philosophise freely and naively on their significance

A Lay Preacher but Gods Word? A Sinner, 2013-02-18 A Sinner was a 33 year old ordinary English working class man content and happy with his family life One day he curiously attends a Christian Fellowship in a local community centre After many visits and much thought he eventually accepts Christ as his personal saviour Two years later he finds he is given a preaching commitment Here is his lay preachers notes of some 20 years biblical expositions with historical and contemporary commentaries It is a warts and all record not only of serious scriptural sermons but also on church and personal life experiences some humorous some tragic He is critical of much of established religion and the fact he reluctantly uses a pen name tells of his fears of the changing face of his country and shows his belief that much of its freedoms for Christians and free speech in general has been and is being lost He holds no theological exams or college training and does not qualify for what he describes as the hindrance of a dog collar but believes in Gods Holy Spirit that has and does convict man if mans heart is willing to be open to Him So are any or any part of these words Gods word Thats for you with the Holy Spirit to decide

Sparks,2008-03-01 The conclusions of critical biblical scholarship often pose a disconcerting challenge to traditional Christian faith Between the two poles of uncritical embrace and outright rejection of these conclusions is there a third way Can evangelical believers incorporate the insights of biblical criticism while at the same time maintaining a high view of Scripture and a vital faith In this provocative book Kenton Sparks argues that the insights from historical and biblical

criticism can indeed be valuable to evangelicals and may even yield solutions to difficult issues in biblical studies while avoiding pat answers This constructive response to biblical criticism includes taking seriously both the divine and the human aspects of the Bible and acknowledging the diversity that exists in the biblical texts *Gods Word from My Heart to My Lips* Canice Njoku C.S.Sp,2020-02-17 This book is a very brief reflection on the readings of Sundays and solemnities of the churches liturgical calendar year A In order not to make this just a mere weekly homily but a full book for all time the thematic approach has been employed for each homily However these themes are not exhaustive Rather they are simply meant to help us have an idea of what could be the central message of each celebration Brief stories and other biblical passages quotes popular sayings and even personal life experiences have been employed in order to make the message clearer and more comprehensible to all Above all I have tried to keep it short and simple However great care has been taken in doing this by keeping in mind the rules of good biblical interpretation without down playing the meaning and message of the individual readings Hence this book follows both the catechetical and exegetical approach Some comments from readers from <https://wordpress.com> comments all frcanice.com Father your reflections are brief inspiring and challenging Keep on helping us Fr Karoli Lwanga Kisii Diocese Kenya Thank you very much Fr Canice for your rich homilies It is a great help to me as I always read it as I prepare my weekly sermons God bless you and keep up the spirit of Cor unum Fr Aurelian Tumaini C S Sp Father you are great and wonderful Your reflections are highly inspired Please keep it up the Lord is your strength Thanks a lot Fr Samson Ofuonye Police Chaplain Benin City Father I want to thank you so much for your wonderful articulated well researched and organized homilies They are concise and straight to the point God bless you Izuu Iloka Thanks so very much for your reflection Padre Canice May God continue to bless and uphold you in the mission Amen Happy Sunday Fr Odaudu Matthias C S Sp Fr Canice what an inspiring thought you share every week I have been visiting your page since my student days and the flavor has not dwindled Keep it up you inspire me Fr Jude Hello Fr Canice let me appreciate you for the wonderful reflections you have been offering the world I really enjoy it and sometimes help myself with it whenever I am preparing my sermon Bravo Fr God bless you abundantly Fr Tizhe from Maiduguri Nigeria Padre your website makes things easy for us as it presents a rich source of good homilies Thanks and may God help you to keep it up Okenyi Emmanuel Chidobe **Praying God's Word** Beth Moore,2009-09 Beth Moore s most popular trade book releases in paperback for the first time encouraging all to overcome spiritual strongholds by incorporating key Scriptures into daily prayer **The Poor Mans Search in the Field of Gods Word. Or, the Discovery of the Two Seeds, Etc** John White (Citizen of London),1648 God's Word Alone---The Authority of Scripture Matthew Barrett,2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God s people God s Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola

Scriptura is and what it entails clarifying why the doctrine is truth and why it is so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

Memoirs from the Word of God Volume 1 Rev. Ronald Davis, 2020-06-16 This book is a compilation of inspirational encouragement from the word of God messages I have preached and taught over the years in ministry from past to present over thirty something years inspired by the word and Spirit of God words of hope and spiritual enlightenment and revelation I have spent years before the Lord listening to Him getting these messages and words and I really feel they will bless you Amen **Journey into God's Word** J. Scott Duvall, J. Daniel Hays, 2005 Life is a journey and like any journey it requires an accurate reliable roadmap to get us where we need to go God has provided such a guide in his Word But just as a navigator needs to learn how to interpret all the contours and symbols of a map so also we need to be able to understand how the Bible communicates its directions to us Journey Into God's Word helps Bible readers acquire these skills and become better at reading interpreting and applying the Bible to life This abridgment of the bestselling college seminary textbook Grasping God's Word takes the proven principles from that book and makes them accessible to people in the church It starts with general principles of interpretation then moves on to apply those principles to specific genres and contexts Hands on exercises guide readers through the interpretation process with an emphasis on real life application Communicating God's Word in a Complex World Robert Daniel Shaw, Charles Edward van Engen, 2003 The authors say that contemporary proclaimers of God's word can model their approach after that of the writers of scripture who reinterpreted and restated their received texts for their audiences God's Word to Israel Joseph Jensen, 2021-03-15 While many Christians recognize the abiding value of the Old Testament as God's Word they stay away from studying it because they see it as a difficult and forbidding subject In this completely revised and expanded edition of God's Word to Israel Joseph Jensen incorporates the latest scholarship using a

combination of the historical literary and thematic approaches to present a unified treatment one that with even a modest degree of effort will produce rich rewards By selecting the most important matters rather than attempting to cover every aspect of the Old Testament message Jensen has given them the space and emphasis they deserve Living God's Word, Second Edition J. Scott Duvall, J. Daniel Hays, 2021-06-01 Living God's Word is your pathway to read the Bible as it was meant to be read as God's Great Story Many Christians resolve to study the Bible more fervently but often struggle to grasp the progression of Scripture as a whole They encounter various passages each week through unrelated readings studies and sermons and it all feels disconnected But once they see the Bible as God's Great Story they begin to understand how it all fits together and they start see how their own lives fit into what God has done and is doing in the world In Living God's Word Second Edition New Testament scholar J Scott Duvall and Old Testament expert J Daniel Hays help Christians consider how their lives can be integrated into the story of the Bible thus enabling them to live faithfully in deep and important ways Living God's Word explores the entire Bible through broad themes that trace the progression of God's redemptive plan Each section deals with a certain portion of Scripture's story and includes Reading listening preparation Explanation Summary Observations about theological significance Connections to the Great Story Written assignments for further study These features combined with the authors engaging style make Living God's Word an ideal book for those who want to understand the Bible better for introductory college courses Sunday school electives or small group study Readers can further enhance their learning experience with the Living God's Word WORKBOOK sold separately which contains additional questions and exercises to help them reflect on what they are reading in Living God's Word
