Five Foundations of Human Development Errol A. Gibbs, Philip A. Grey, 2011-06-08 Five Foundations of Human Development FFHD is a philosophical religious and practical discourse on human development based on the following five foundations Spiritual Moral Social Intellectual and Physical The authors proffer that human beings possess the capacity to rise to a higher state of civilization when we allow Spiritual Intelligence to underpin human intelligence as our capable guide The indomitable spirit within human beings that brought civilization out of the Dark Ages and into an Age of Enlightenment demonstrates our capacity to transcend moral hope and optimism for a better world with peaceful coexistence among individuals families and nations This book will help inform enlighten and empower individuals and leaders in such fields as engineering science religion politics the military and other great institutions to engender solutions to the myriad of unsolved problems of past centuries problems of the present and emerging problems of the future Problems such as wars genocide greed and the exploitation of human beings begin within our

destructive spiritual nature and manifest in the physical nature Therefore solutions also lie in the spiritual realm as a counterbalance to the natural realm of human existence FFHD is a blueprint for human survival based on adherence to physical laws and spiritual laws that transcend a belief in an omnipotent all powerful omnipresent everywhere and omniscient all knowing being It will awaken the conscience to comprehend the lifethreatening issues that face humankind The solutions therefore cannot merely be left only to the educated elite the military forces and those in high public and private office The global significance of this book is that it informs a more communal view of our world It is the only perspective that will allow us to enter the global village prepared for the racial social cultural environmental and economic challenges that lie ahead *When the Church Changes, the World Changes!* Seung-woo Byun,2010-05-03 Recommendations by HEIDI BAKER BOB JONES MARC DUPONT BOBBY CONNER SURPRISE SITHOLE RYAN WYATT CHARLIE ROBINSON JOHN SANGER AND WON HO KIM This book tells honestly what kind of church Beloved church is If you read this one book you will be able to grasp the truth about Beloved Church and will be able to evaluate the church correctly Even if you may not be interested you must still read this book That is because this book is a precious book that shows pastors the true way to revival and all believers the right path to Christian life 2006 Questions and Philosophical Thoughts Errol A. Gibbs,Philip A. Grey,2006-10-01 2006 Questions and Philosophical Thoughts A Chronological Listing of Verses taken from FFHD 2006 Questions and Philosophical Thoughts A Chronological Listing of Verses taken from the authors main text Five Foundations of Human Development FFHD It is their way of presenting their primary text to readers in a new and innovative Reading by Verses format This simple to comprehend Body of Knowledge unique analytical compelling and philosophical helps the reader to better understand that human beings are not helpless bystanders watching the past unfold in the present The authors postulate that we are capable of making new history enabled by God s Spiritual Intelligence when we seek it to illuminate our path and guide us Despite the human genius and our scientific progress of the past century nations still struggle to find peaceful co existence Without God s guidance our capacity to exercise patience tolerance and self control will diminish in light of increasing global competition for the world s finite resources Our 21st century visionary leaders have ushered us into the global village unprepared Our vision of a global village could become another fleeting illusion in our eternal quest to govern ourselves and engender hope for all humanity The authors urge the reader not to dismiss this frame of reference as mere idealism Gibbs and Grey predicate their hope for a better world on new understandings of the great inspirational religious enlightenment and philosophical learning discerned from the teachings of Jesus Christ and the great prophets The authors take the reader on an unforgettable journey of discovery of a new hope for humanity with new knowledge to illuminate our path and guide us Their work is nonetheless only a minor contribution to the vast Body of Knowledge penned by notable philosophical giants of yesteryear and the modern age The authors stand on the shoulders of these giants as they PAN take a panoramic view of the 21st century and the new millennium with new hope and optimism for

the future of our world Genre Christianity Religion Inspirational Religion Enlightenment Philosophy General **My House Shall Be a House of Prayer** Lance Lambert,2018-09-07 As the return of the Lord draws near there has never been a time when effective prayer is more strategic necessary and essential than now Will we be a people who will truly watch and pray Will anyone respond to His call and challenge Corporate intercession is almost a lost art and that when we most need it I sought for a man among them that should build up the wall and stand in the gap before me for the land that I should not destroy it but I found none Ezekiel 22 30 This is the call and challenge of the Lord **Apocalypse Not** John

Greer,2011-09-15 For almost 3 000 years apocalypse prophecies have convinced people all over the world that the future is about to give them the world they want instead of the world they ve got All the end time prophecies splashed across the media in every age have had something else in common every one of them has been wrong Apocalypse Not is a lively and engaging survey of predictions about the end of the world along with the failed dreams and nightmares that have clustered around them Among the stories highlighted in Apocalypse Not are the birth of the apocalypse meme out of archaic star myths in the ancient Middle East the failed end time prophecies of Nostradamus Mother Shipton and other famous prophets the long and murky road from the Great Pyramid to today s Rapture beliefs and the real origins of the belief in apocalypse in 2012 hint it s not originally Mayan at all *A Call to Silence* Wesley B. Jones,2011-02 It was in the early hours of the morning when Wesley Jones was suddenly awakened after hearing his name called He was startled because it turned out no one in the house called him Perhaps this has happened to you Maybe you heard your cell phone ring your door bell chime or possibly a knocking on the door but when you got out of bed you found that no one had called nor was there anyone at the door What crossed your mind What did you do Did you go back to sleep What is the mystery behind these experiences Join author Wesley B Jones in *A Call To Silence* as he takes you on a personal journey that will enlighten you on who calls you in the wee hours of the night why you are awakened and what your response should be He will show you the simple methods God uses to attract our attention and how you can have a vibrant meaningful relationship with him through silent communion

Thoughts to Enlighten and Empower the Mind Errol A. Gibbs,Philip A. Grey,2011-06 Thoughts to Enlighten and Empower the Mind is a compilation of two thousand and one questions and philosophical thoughts extracted from the authors seminal work Five Foundations of Human Development These thoughts follow the same chronology of information that helps to promote fulfilling lives through human development from spiritual moral social intellectual and physical perspectives The authors proffer that human beings possess the capacity to rise to a higher state of civilization when we allow our thoughts to permeate our minds with hope and optimism for the future of humanity Gibbs and Grey support the premise put forward by many great writers who contend that our thoughts determine happiness and effectiveness in life Our thoughts and our emotions have a great influence on our carnal impulses and desires We nurture good and bad thoughts and human effort alone is insufficient to properly manage them Negative thoughts establish barriers to communications and harmonious living

Positive thoughts radiate harmony among individuals and nations More importantly those in positions of great power who lead humanity must by their thoughts help to create a better world or inadvertently plunge humanity into great chaos as has been recorded in six thousand years of human history Only a mind that is free of unhealthy thoughts transcends a life of fulfillment Positive thoughts permeate our beings and open up new frontiers of positive leadership for the modern age The global significance of this book is that it informs a more communal view of our world by virtue of the conditioning of our thoughts It will help inform enlighten and empower the minds of leaders to embrace every field of endeavor including engineering science religion politics the military and the environment This will be accomplished with the most vital creative and positive thoughts that rise to a high level of responsibility for the betterment of all humanity **Have You Felt Like Giving Up Lately?** David Wilkerson,2012-02 Through hopeful encouraging stories and scriptural truths this beloved classic shows you how God can heal your wounds restore your faith and give you genuine lasting peace *Get in the Ark* Steve Farrar,2023-12-19 Steve Farrar says If you want to know what is going to happen in the future then you have to look back to the past His recommended reading list for understanding the future through the past The biblical prophets Through his own study of the prophets Farrar is convinced that America is on the brink of judgment He says The problem with America is not the unbelieving world The problem with America is the people of God Our gospel is cancelled by the way we live With *Get In The Ark* Farrar gives Christians the tools they need to victoriously face the coming judgment **Money Comes 2 Money** Man of Letters Jabbar,2022-01-12 Jabbar is at it again with another hot potato that he always speaks to many men and women It s a sin and a crime to be broke **How to Live Happy and Healthy** Cheryl Bass-Foster,1996-09 *American Book Publishing Record* R.R.
