Gods Presence In My Life:

Finding God's Presence in Our Life Peter M. Kalellis, 2016 Finding God's Presence in Our Life invites us to meet God in person and to sense his presence. It offers the opportunity to look into our hearts and to verify our **God's Presence in My Life** Edward W. Bauman, 1981 *Where I Have Seen God in My Life* Gordon Kunkler, 2020-01-14 I wrote this book for a number of reasons. First of all, God has been very good to me, and I know that he wants me to respond to his love. God has given me many gifts besides the gift of love. For example, faith, hope, family, and the abilities to do his will. With all that he has done for me, I want to let others know that he lives and is very much in touch with each of us. So much so that he sent his Son to die for our sins so that we have become children of God and heirs to the kingdom. All that we need to do is to love others as ourselves and accept his gifts. Scripture has said that he knocks on our doors and that whoever opens the door for him will enter and have supper with them. With the gifts of faith and hope, I can find peace in my future. I would like everyone to know the love that God has for them. However, there are those who say that God is dead or that there is no God. I feel sorry for them for they have no hope for their future when it comes to eternal life with God. This world and all that it holds will never make them happy. I have shared where I have seen God in my life and have had my friends also share God in their lives in hope that others may believe and change their hearts and lives to serve God and others. Jesus told his disciples to go and teach all nations. We can't do this unless we stand up or speak up for our faith and our God. Sharing our faith and by showing our faith is one of the best ways of teaching all nations. We as parents and Christians must teach our children and others to do what Jesus wants us to do. He died for our sins and wants us to finish the job of spreading the truth and the faith that he has given to us. The gifts of faith, hope, love, and forgiveness are too special to waste. We need to use them each chance that we have. If we don't use them, we will become weak in our faith and become like the worthless servant that buries his master's money. We need to invest in our future of eternal life and the future of others. **In the Presence of God** Liam Wangsa, 2025-03-07 *In the Presence of God* is a book by Liam Wangsa where he shares his personal testimonies and experiences of encountering God's presence. Through vivid storytelling, he reveals important insights and revelations that have shaped his faith. The book offers a deep exploration of his spiritual journey, offering readers a glimpse into the transformative power of God's presence in everyday life. [God, The Joy of My Life: A Biography of Saint Teresa of the Andes](#) Michael D. Magnificent Goodness of God and How It Will Transform Your Life Timothy Rowe, 2012-07-10 The goodness of God is one of the most revolutionary truths of the Bible but our generation has lost faith in the goodness of God The image you carry in your heart of God and what He is like will dramatically affect your life character and destiny Do you believe God can be your hero Do you believe God has a good heart Do you believe that God can transform you into the type of Christian that you always wanted to be When we begin to understand and believe what it means when the Bible boldly declares that God is good always our lives will begin a breathtaking transformation as we rise up to be a mighty witness for our Lord Anyone who has been touched with the goodness of God cannot come away the same The goodness of God encompasses everything that God is and is a perfect representation of all His characteristics The goodness of God is the foundation of all His works plans and purposes If we are to understand what God is like we must first know that He is good and not evil The devil works tirelessly to keep the truth of the goodness of God lost in the mindset of this world and marshals all of his forces to cause confusion about the true character of our God The goodness of God is the pinnacle point of the spiritual battle that rages all around us Understanding the goodness of God is first and foremost in spiritual warfare because without this you can never stand for God faithfully **And So It Is** Sheri A. Participating Witness Anthony G. Siegrist, 2013-08-21 At a time when the fractious legacy of the Protestant Reformation is coming under new scrutiny Anthony Siegrist explores the implications of ecumenism for believers baptism Writing from within the tradition of the Radical Reformation he challenges dominant ecclesiological assumptions and argues that this central practice needs to be reconstrued Siegrist works constructively to develop a concrete account of believers baptism that attends closely to the dynamics of divine initiation Siegrist deliberately stretches the traditional Anabaptist conversation to include not just expected voices like Yoder and Marpeck but also luminaries from the broader Christian tradition Barth Bonhoeffer and a variety of ancient sources are creatively engaged The intent of Participating Witness is eminently practical but its argumentation is carried out with theological rigor
