Gods Promise To Abraham:

Because God Made a Promise to Abraham Buddy Selman, 2011-01-31 Because God made a promise to Abraham concerning inheriting the land of Israel a question arises To which line of Abrahams descendants was the Promise made Thats important because they worship different Gods This poses the problem who is the true God This is the question of the ages concerning all claims of Deity All things of life and death depend on that answer This book addresses questions from the perspective that the God of the Bible through Abraham Isaac and Jacob is the true God and the God of true Christianity It distinguishes between true and counterfeit Christianity The war that started with Satans attempt to dethrone God and elevate himself to the Almighty is the defining factor of conflict Association is made between spiritual determinations and earthly happenings The next earthly event distinguishing where we are in time is the Russian invasion of Israel The only remaining possibility for Satans success is stopping God from keeping His promise to Abraham The mid east peace problem is not just about ownership of land but about who is God Also addressed doctrines and theories taught in error Dispensations covenants and promises are defined How Revelation is structured and plays out is explained ne purpose of the book is to cause the reader to think Not just about things termed religious but in truth how all things are related especially political Hopefully it gives insight on how to prepare mentally spiritually and materially for what Scripture says will happen Evidence shows we are the generation that experiences the Biblical end times and the fulfillment of Gods promise to Abraham America must choose follow the true God or the Satanic one world government The book challenges the true Church to reestablish scripture as our highest authority and be about our task

God's Promise and the Future of Israel Don Finto,2006-01-13 God s promise and timing have intersected in our day Witness the Jewish return to Israel the rise of Messianic Jewish believers and the shifting of the church s power center from the West to Asia Africa and Latin America the fastest growing segments of the Body of Christ in our day This has brought about many questions as the church comes to grips with these sweeping changes What does Scripture say about the future of the nation of Israel What is right and wrong about the Messianic Jewish movement Where do the Arab nations fit in to God s plan How does this all affect the church and how can the church fulfill its role in this end time scenario Don Finto explores these questions and shows how to navigate the new landscape in this illuminating book **The Promises of God** Kevin P. Conway,2014-10-29 This study is the first to investigate why Paul makes exclusive use of epangelia for the divine pledge when referring to the Abrahamic covenant a usage of the term never found in the OT LXX After examining Jewish writings and Greek literature of the classical and Hellenistic periods this study demonstrates that Paul is rather unique in his exclusive use of the epangelia word group for the divine pledge and for using the term predominantly in reference to the Abrahamic promises This exclusive usage is further deemed unexpected in that the horkos and omnymi lexemes are by far the terms most commonly associated with God s promises to Abraham in the OT the literature with which Paul was most familiar The study then moves to explain why Paul has chosen this path of discontinuity where it is argued that Paul s exclusive choice of epangelia for the divine promise is driven by its conceptual and linguistic correspondence with the euangelion one of the terms Paul adopted from the early church that forms the core of his ministry This conceptual word study of the divine promise will benefit Pauline scholars interested in Paul s use of the OT as well as his association of the euangelion and epangelia word groups **America** ,196? *According to Thy Word* ,1951 *Count the Stars!* Patricia L. Prophet Promised in World Scriptures Ali Unal, Harun Gultekin, 2013-08-07 This well researched and comprehensive book by Ali Unal details the numerous prophecies about the advent of the Prophet Muhammad in various world scriptures Unal argues that numerous prophecies of the coming of the Prophet Muhammad are found in the New and Old Testaments the Zoroastrian Hindu and Buddhist Scriptures He then closely examines these prophecies through a comparative and verse by verse analysis and explains the rationale for his conclusions This book will appeal to readers from all faiths and backgrounds that have an interest in major world religions and their sacred scriptures **Abraham—Called by God** Witness

Lee, 2024-01-19 Abraham was the same as we are today He never dreamed of being called by God Suddenly while he and his relatives were in Chaldea worshipping other gods the God of glory appeared to him This appearing was a great attraction enabling him to come out of his fallen background and accept God's calling Although Abraham answered God's call he did not do so immediately nor absolutely Although he learned to live by faith he had serious failures along the way He followed God in a way not unlike us all Eventually he was brought to know grace for the fulfillment of God's purpose In a remarkable commentary on the life of Abraham from the book of Genesis Witness Lee presents Abraham as a genuine man not unlike us all fallen but called by God Like him we have seen the glory of God in the face of Jesus Christ and have been attracted to follow Him Like him we must learn the lessons of faith through trials testing and failure in order to enter into the promises and blessings of God Abraham Called by God taken from the Life study of Genesis presents a unique and vital view of the father of our faith A Walk Thru the Life of Abraham (Walk Thru the Bible Discussion Guides), 2010-07-01

Christians all over the world trust Walk Thru the Bible to help them deepen their spiritual lives through a greater understanding of God's Word The Walk Thru the Bible small group Bible study series uncovers the richness of the Scriptures Each guide explores a book of the Bible a prominent Bible character or an important biblical theme offering rich insights and practical life application These discussion guides are perfect for Bible study groups Sunday schools small groups and individuals who want a deeper understanding of the Bible *Abraham, Israel and the Nations* Paul R. Williamson, 2001-03-01 The divine promises to Abraham have long been recognized as a key to the book of Genesis as a whole But their variety often noted also raises literary and theological problems Why do they differ each time and how are they related to each other and to the story of Abraham Williamson focuses on the promises in Genesis 15 and 17 and concludes that they are concerned with two distinct but related issues Genesis 15 guarantees God's promise to make Abraham into a great nation while Genesis 17 focuses chiefly on God's promise to mediate blessing through Abraham to the nations The two chapters are connected however by the theme of an individual royal descendant who will come from the nation Israel and mediate blessing to all the nations of the earth
