## Gods Voice:

Hearing God's Voice Henry T. Blackaby, Richard Blackaby, 2002-09-15 Based on classic Experiencing God principles Hearing God's Voice is for those who are ready to listen Beloved author Henry Blackaby and his son Richard help those who are listening to discern the voice of God to identify ways He speaks and to respond to His revelations of His will God speaks to individuals in ways that are personal and unique to each person God will never say anything that contravenes what He has said in the Bible and usually He confirms what He has said After you learn to listen to God hearing from God will be as natural as communicating with a close friend      *How to hear God's Voice* Mark Virkler, 2006-01-28 But blessed are your eyes because they see and your ears because they hear Matthew 13 16 You can hear the voice of your Lord He is always speaking to you In fact every believer is called to have a one on one relationship with God because He longs to share sweet times of intimacy with all His children How to Hear God's Voice will teach you to discern His voice from all the other voices that clamor for your attention This book Gives vital keys to increase the intimacy of your prayer time Teaches you how to be still before the Lord Helps you recognize His speech as spontaneous thoughts Encourages you to seek vision while praying and use a journal to record revelation Your communion with God will become a flow of His words springing forth from your heart You will experience a depth of relationship you never thought possible      God's Voice Riaan Engelbrecht, 2023-10-12 There is this strange notion these days that God no longer speaks to His people It is said that God spoke in the Old Testament and that God today only speaks these days through His Word Yes it is true that God does speak through His Word but the wonderful and glorious news is that God does speak to His children He has a voice we have ears and there is definite communication Some even say that one is crazy to think one hears from God voices in the head apparently speak of a deep seated disorder Others claim it is purely your imagination This is sad because God is an incredibly personal God who wants to communicate with His children He wants to talk to us and He wants us to talk to Him Just because someone has not heard from God does not mean He doesn't speak Think about it The Creator of all actually speaks to us He does not just speak to the apostles or the prophets but to each and every believer This is the God whom we serve An awesome God who is not distant but a God who wants a personal relationship with us Yes we can hear from God as His children There is no simple formula but it boils down to relationship fellowship intimacy and willing to follow and listen      **How to Hear from God** Joyce Meyer, 2004-03-15 In the hustle and bustle of today's busy world sometimes it's hard enough to hear yourself think much less take a minute to stop and listen for the voice of God But learning to recognize God's voice and the many ways in which He speaks is vital for following His plan In How to Hear from God Joyce Meyer shows readers that God reaches out to people every day seeking a partnership with them to offer guidance and love She reveals the ways in which God delivers His word and the benefits of asking God for the sensitivity to hear His voice Joyce asks the question Are you listening and shares how to do just that      *Hearing God's Voice For Yourself* Marilyn Parmelee, 2008-03-17 Are you searching for God's voice

Pope Shenouda III,2012-02-15 When I thought of printing the collection So Many Years with the Problems of People I found before me thousands of questions I had answered throughout more than twenty years I classified them into sections according to topics This Second Part includes theological and dogmatic questions that occupy the minds of the people We tried to tackle them in an easy way as far as possible so that everyone may understand them However we still have enough theological and biblical questions for many books We hope that this collection will be beneficial and convey the message especially among the youth in the service and to the students of the religious institutes as well as to whoever wants to know the answers to these questions Pope Shenouda III
