Essays on Apostolic Themes Paul Elbert, 2007-02-01 This collection of studies prepared in honor of one of the church's distinguished teachers and pastoral servants Dr Howard M Ervin attempts to address some of the pressing theological issues of our day Important matters of biblical interpretation in the evangelical and charismatic scenes are treated by three of the contributors including one by the honoree himself The role of the Holy Spirit in interpretation is critiqued by professor Horner while professors F F Bruce and J D G Dunn offer some penetrating insights into the work of the Spirit in Paul's churches and into

the nature of the New Testament believer as understood by the great apostle Professor Rea gives us his timely observations on the nature of spiritual experience in the lives of Old Testament believers drawing out appropriate lessons for today We trust further that Essays on Apostolic Themes may have something to offer to the discipline of historical theology with five essays ranging from prophetic type phenomena in Iranaeus's church and charismatic motifs in Calvin's thoughts to critical assessments of Lewi Pethrus and Donald Gee who are within their own cultures appraised as being dynamic figures of leadership in the pentecostal tradition Similarly based on his earlier book of the eighteenth century pioneer of pentecost Dr Strachan presents a stimulating piece on the development of Edward Irving's thought The early reception in America of the charismatic movement is sagaciously surveyed by Dr Connelly and productive ideas on the mystical presence of Christ in our Lord's supper are advanced by professor Gelpi Essays concludes with a contribution to the much discussed issues of church growth wherein practical suggestions are tabled based on the potential implied by Luke's text of the book of Acts Overall the editor and respective authors submit this anniversary volume to their colleague and friend Dr Howard M Ervin and to its readers everywhere in the hope that these fourteen studies may make a useful international contribution to scholarship and that Essays may be found helpful to preachers teachers and students of God's word

Urban Ministry Manuel Ortiz, Harvie M. Conn, 2025-06-06 No 3 in the Academy of Parish Clergy Top Ten Books of the Year The city presents serious challenges that cry out for answers poverty racism human exploitation and government corruption How can the church move ahead in the midst of these demands with the gospel of hope Here in one comprehensive volume Harvie Conn and Manuel Ortiz two noted scholars and proven practitioners of urban ministry address the vital work of the church in the city Their dual goal to understand the city and God's work in it Through four great waves of development Conn and Ortiz trace the history of the city around the world Then they tackle the critical issue of a biblical basis for urban mission How does the Bible view the city Are we closer to God in the country than the city Does the Bible have an anti urban bias These questions are given a thorough analysis that unveils God's urban mandate as reflected in both Old and New Testaments From this foundation the authors unpack the multifaceted nature of the city as place as process as center as power and as a place of change and stability They move us beyond fragmented stereotypes to a new way of seeing that is holistic enough for a fully biblical ministry to develop In addition Conn and Ortiz lay out what the social sciences have to offer urban mission including ethnographic and demographic studies and they focus on the particular issues and needs of urban leadership including a plan for developing and mentoring leaders while equipping the laity for ministry in the city This is the essential text for bringing God's kingdom to the city through the people of God

(trans),1974 **Beyond Fragmentation** Bernhard Ott,2011-06-17 Beyond Fragmentation is an inquiry into the development of mission studies in evangelical theological education in Germany and German speaking Switzerland between 1960 1995 This is carried out by a detailed examination of the paradigm shifts which have taken place in recent years in both the theology of mission and the understanding of theological education David Bosch s proposal of an emerging ecumenical mission paradigm is examined with reference to the schools in membership with the Konferenz Bibeltreuer Ausbildungsstätten KBA The KBA schools have been greatly influenced by the work of Peter Beyerhaus and the Frankfurt Declaration 1970 and as such defend a conservative theological position and resist the challenge of Bosch s mission paradigm shift the key issue being that of hermeneutics Ott further explores the emerging new paradigm of theological education in both the Western and Two Thirds World contexts While the evangelical Bible school movement has historically embodied many of the features of this new paradigm they nevertheless have jeopardized these by their pursuit of academic accreditation Ott believes that theological conservatism has caused the KBA schools to resist changes in the areas of contextual and inductive learning Finally Ott studies the schools pattern of change and change resistance through combining the insights of Thomas Kuhn Hans Kung and Alasdair MacIntyre to hermeneutical and epistemological issues

Congregation James F. Hopewell, In a unique full scale study of congregational life Hopewell shows that it is narrative the oral tradition that knits a congregation together **Ten Stupid Things That Keep Churches from Growing** Geoff Surratt,2009 Based on interviews with pastors of growing churches as well as personal experience this book identifies the most common mistakes pastors make that keep otherwise healthy churches from reaping the harvest God has prepared Each chapter spotlights a common mistake gives real life examples uses a generous dose of humor and provides a practical course of action to recover from the error The book draws from the experience of Seacoast Church as well as pastors such as Craig

Groeschel Chris Hodges Perry Nobel Mark Batterson Dave Ferguson Scott Chapman Dino Rizzo Ron Hamilton and Dave Browning Church leaders will be encouraged to realize that they are not the only ones who struggle and that turning their situation around may not be as daunting a task as they think This is a field guide for the common pastor based on actual churches of all sizes *How to Judge God'S Way* Ron Fandrick,2014-12-05 At last Christian churches and colleges throughout the United States can begin the basic training of their church judges and helpers as the training manual *How to Judge Gods Way* clearly describes how church judges fulfill all of their necessary tasks according to Gods values This book defines the key components of each task guides the judges through typical scenarios warns of common errors and teaches self evaluation methods in order to maintain Gods highest standards constantly This book lays out the biblical foundation for the salvation and sanctification ministries of the church and offers practical ways to apply Gods message into the churchs daily activities As a bonus this book includes handouts and forms so that churches and church judges can expediently expand their God directed and God pleasing sanctification ministry *Evangelism Explosion* D. James Kennedy,1996 Comprehensive manual for developing a workable program for lay witnessing Chapters include Training Laymen for Evangelism A presentation of the Gospel and The Proper Use of Testimony *The Nine Levels of Anointing Power for Christian Growth* Dr. Richard E. Weathers,2014-01-15 This book deals with the rites of passage into adult Christian living To pass through these powers of anointing by the Holy Spirit all of us must take a journey from babyhood new birth in Christ to growing in spiritual maturity into that perfect man or woman of God Ephesians 4 1112 This will not come overnight or quickly in our walk with the Lord it will take time and many will have to sacrifice the things of this world to achieve it But it can be done by all who are willing to follow the Lord in this world One hundred percent of us must start by passing through the first level of power that the Holy Spirit bestows upon all who believe in Christ Jesus Everything in our lives will begin at the cross of Calvary and from there we will all go on a trip with the Holy Spirit that will forever change our lives every day The Holy Spirit will become our teacher and guide John 16 13 and depending on how much of him we want will determine the level of growth we achieve as Christians in this world It will not come because of traditions of men or preachers proclaiming to have absolute truth but only by the Holy Spirit himself as he teaches and witnesses with your spirit the revelations of Gods Word that only he can give Romans 8 16 I invite you to travel with me through the pages of this writing and discover the truths that are within I take no credit for what the Holy Spirit of God has revealed only he has the wisdom and revelations to open our eyes to his Word And only he has the anointing power to grow us up from level to level as we progress in his knowledge and power But here is a truth you must know the Holy Spirit will not take you any further in spiritual growth than you are willing to allow him to Matthew 7 11 At every level of anointing you have to pass through to grow and go on to the next level you will have to ask of him and be willing to sacrifice what needs to be given in order to achieve it Many who are tied up in religion and bondage to denominationalisms will try to keep you from this growth Very

few in the body of Christ will ever reach full maturity in our Lord Most already believe that they have achieved this level because they are good Christians they go to Church give their tithes help a few people work in the church and say their prayers every day Outwardly this may seem like the perfect saint of God but the Lord is seeking more from us to pick up our cross for him and follow him This will require commitment a soldout attitude sacrifices and even death if thats what it takes Twelve apostles willingly lived their lives for him and gave their lives in death The question today is How far do you want to grow in Christ and Do you want to live your life for him or continue to play church on earth This book will change the way you see yourself with Christ it will help you come out of organized religion and walk with your Lord the way he meant it to be Only the Holy Spirit can show you these things to come I hope this book will challenge you to become the mature Christians God intends for all of us to become In Christs love Dr Richard E Weathers PsyD Successful Living God's Way Patricia E. Daye, 2011-02-04 Discover the model for how to live a successful life in God You may be intrigued as I was to learn that the Proverbs 31 woman is also a description of the bride of Christ the church Her characteristics and attributes apply to all Christians male and female as we ourselves are the church our bodies the temple of the Holy Spirit Though historically only applied to women the Holy Spirit gives insight into this role as it applies to the entire church while she awaits the return of her bridegroom Our lives represent our investment of the gifts Christ left as evidence of his promised return Follow the model and wisely invest God created you for success **The Ministry of Helps** Rev. Lawrence C. Spencer, 2017-02-09 Have you ever had that sinking feeling that you were missing out on something very valuable in your ministry but just couldnt put your finger on it Well these resources for adventures in service to God for the church are valuable assets to those seeking a dynamic experience in Gods Kingdom work To invest yourself in Larry Spencers Ministry of Helps Manual and Workbook can enhance your ministry and greatly format your service with usable hands on tools that complete your tool chest Bring these practical things home and put them to work Great results have already been seen from individuals who respect Gods Word and value what it can bring to the Board room as well as to the church service You will not be sorry you invested in this training for you and your ministry team Rev Lloyd Tremain Paradise Community Church of the Nazarene A thorough practical and much needed Biblically sound treatment Wish it had been available 20 years ago when I could have use it to a great positive effect Dan Wilderman Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today John Steffensen Radio Host Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore or church maintenance or the myriad other duties needed to keep a church going The result was that the church stayed the same size Some leave others enter But no growth was apparent despite the considerable preaching talents of the pastor God is apparently making sure he has only the amount of people that he can handle We learn

that the ancient church had some of the same challenges we face today Acts 6 14 says Now in those days when the number of the disciples was multiplying there arose a complaint against the Hebrews by the Hellenists because their widows were neglected in the daily distribution Then the twelve summoned the multitude of the disciples and said It is not desirable that we should leave the word of God and serve tables Read this as doing manual labor Therefore brethren seek out from among you seven men of good reputation full of the Holy Spirit and wisdom whom we may appoint over this business the manual labor but we will give ourselves continually to prayer and to the ministry of the word It was even bringing strife to the local body What did they do And what was the result The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties the manual labor This freed up the apostles so they could minister the Word of God Wow Gods way is so simple and our grandiose plans just waste time and get nothing done Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them
