The Heresy of Ham, Revised Edition Joel Edmund Anderson,2024-11-07 One of the most controversial issues in our society today especially within Evangelicalism is that of the creation evolution debate Over the past few decades Fundamentalist apologists like Ken Ham of the young earth creationist organization Answers in Genesis have made a career convincing people that the age of the Earth and the historicity of Genesis 1 11 are not just bedrock fundamental tenets of the Christian faith but are also crucial fronts in the culture war In The Heresy of Ham Joel Edmund Anderson convincingly shows that not only are the YECist claims of Ken Ham unbiblical and unscientific but they have sowed the seeds of strife and division within countless Christian communities He should know he lost his job as a biblical worldview teacher at a small Evangelical school over the issue of YECism Anderson s ultimate message is simple regardless of your position regarding evolution or the interpretation of Genesis 1 11 they are not fundamental to the Christian faith and should not be used as battlefronts in the culture war If you have always had questions about the creation evolution debate the claims of YECism

and the way Genesis 1 11 should be interpreted The Heresy of Ham is a tremendous resource for anyone struggling coming to grips with these issues **The Bible for Blockheads---Revised Edition** Douglas Connelly,2009-05-26 If you have a hard time making sense of the Bible The Bible for Blockheads is for you It will transform what might seem like gobbledygook into incredible significance enough to change your life It can do that because the Bible is more amazing than you've ever dreamed packed with riches and making sense of it is no mystery You'll even have fun as you learn The Bible for Blockheads newly revised and updated helps you to Discover how the Bible's message unfolds from start to finish Learn how the Bible developed over many centuries Familiarize yourself with the main divisions of the Bible and its 66 individual books Find out proven principles for accurately interpreting what you read Acquaint yourself with important people places and events of the Bible Learn key biblical terms and discover the different types of literature represented in the Scriptures Get a handle on the Bible's historical and cultural background Discover why the Bible among all books is called God's Word **Heart's Cry, Revised Edition** Jennifer Kennedy Dean,2011-06-01 The human heart cries out for many reasons But the deepest cry is one of yearning to be filled with God's presence and power Whether we're praying help me to forgive or show me Your will our hearts long to connect with God Jennifer Kennedy Dean will help you learn how to listen for God's answer to your heart's cry In this book she shares principles of heart-changing prayer These principles are not easy steps to making God do what you want but rather they enable you to live fully in God's power giving Him your heart to change as He sees fit The book is made up of 12 chapters each including discussion questions and a meditation and reflection guide A leader's guide is also included in the back to make the book useful for group study **A new uniform edition of the works of the rev.
