Gods Word For The 21st Century:

Faith and God's Word in a Wondering World of the 21st Century Merilyn Huggins Holcombe, 2025-06-03 The author wrote four sections called books The first section or book points out the need to give more up to date interpretation to the early chapters of Genesis There is a very strong parallel of the first chapters of Genesis and science s steps of creation and this is set down in the first section Four thousand years before scientists could plot the ages of very ancient life before telescopes and microscopes were invented and DNA to help study ancient mankind this amazing book had a record of this history and it was written down in God s Holy Scripture In Book Two the author set down a precise list of the parts of a strong faith How would the reader picture God What image of God did God give His human creation Why did God create the Universe the Earth and all life For success in Christian living a person must know God s Word the Bible So the author wrote a simple commentary of each of the books of the bible This provides a clear foundation of understanding on which to build a lifetime of Bible study

The Kingdom of God in the 21st Century Ty Allen Ed. D, 2017-07-24 The kingdom of God is the called out people of God Col 1 13-14 from the world of darkness as the spiritual family of Christ The kingdom of God is bound up in the age of grace and truth and is the fulfillment of Gods promise to Abraham to bless all nations of people The kingdom of God in prophecy started during the Roman rule Dan 2 44 with the Jews at Pentecost in Jerusalem ca 33 AD and then to the Gentile world to include our present age Jesus reigns as Lord and Christ over His church the kingdom of God in the twenty first century and continues to call people of every nation to walk with Him by faith repentance and baptism in His name until the consummation of all things and His second return The Christian Age is the eschatology Last Day events of Jesus reign under the leadership of the Holy Spirit through the preached Word The salvation of the Gentile nations is the final work of God to restore what was lost in heaven through Satan and his angels Rev 12 7-10 When Jesus appears his reign ends and the spiritual family and the church of Christ kingdom of God will go home

21st CENTURY MINISTRY Benjamin Maira, 2014 The Ministry of God For All People Since early days of 21st Century I have desired to write a book about 21st Century Ministry I am glad this book on the ministry of God is out and you are holding it in your hands This book is a ministry tool for the service of God Everything God does is by his Holy Spirit his power and the gospel The Holy Spirit touches people by His presence and power In 21st Century Ministry like the days of Jesus Christ and the apostles 1st Century people need to know the Holy Spirit and the word of God The world today need to see the Holy Spirit at work and hear the word of God If you read the books of Luke and Acts of apostles by Luke you will see the ministry of Jesus Christ and apostles was successful and effective because of the Holy Spirit and the word of God to the people The 21st Century is special time for the ministry of God to the people In 21st Century Ministry you will realize five points for the ministry of God to the people of the world in the day that we are living Ministry Source Jesus Christ is the source of the ministry Ministry and Church people must find ministry in the church A to Z of the Ministry of God these are ministry insights in alphabetical order Ministry Reference all

key terms to do with ministry are explained from Bible How to minister to a person you will learn divine ways to minister to a person In 21st Century it is the ministry of God that works and strategic for today Ministry is real In reading 21st Century Ministry book you will agree the ministry of God brings results God always start ministry and do it to any generation and culture by Jesus Christ and his grace Also in reading 21st Century Ministry you will agree many servants and ministers of God were used for his glory For example men like Moses Samuel Elijah Peter Paul Silas and Apollos were all called empowered and used by God in a special way And today God wants to use you In 21st Century the time has come to serve God and minister to people by the Holy Spirit and the word In this present world both sinners and saints need the ministry of the Holy Spirit and the word of God I have written this book 21st Century Ministry so that the people of the world may know God and his ministry No man angel or a thing is the source of the ministry but the Lord Jesus Christ *A 21st Century Christian's Quest for Truth* Lowell JK Davis,2010-08-20 Any book that attempts to assert basic truth about the origins nature and relationship of humankind with the Earth and universe we live in is inherently controversial Throughout human history truth claims have been based on authority faith and observed evidence Each of these sources of truth have changed truth claims over time Only about 500 years ago any fool could observe that the earth was a flat surface not a sphere spinning at about 700 miles per hour at the equator with a sun that traveled above the surface of the earth about every 24 hours 23 hrs and 56 min In a very short period of human history our evidence or observation based truth claims have expanded exponentially as we have advanced our unaided human observations Examples include space based instruments that transmit vast amounts of information about an unimaginably large universe atom smashers that provide knowledge of the smallest element or force within an unimaginably small atom seismographic instruments that can analyze and map deep inside the Earth glacial ice core analysis that tell us a lot about annual climates and major earth events on a year by year basis over hundreds of thousands of years in the past recent advances in radiocarbon and radiometric and other dating methods that provide a reliable chronology of Earth and plant and animal life over the past 4 65 billion years oceanographic vehicles that explore the extreme depths of the oceans that cover the majority of the earth s surface and instruments that allow humans to study the very basic sub microscopic elements DNA that make up plant and animal life This book does not claim to be a fully documented scientific or religious text It is based on one persons extensive research of authoritative sources Even research requires evaluation of sources and subsequent conclusions Thus this book is proposed as an editorial opinion based on one person s quest for truth in the 21st Century **Ancient Wisdom for the 21st Century** Burt Wilson,2008-10-01 The Ancient Wisdom is a body of pure knowledge of God and creation that has existed for millenniums It has been in existence since time began long before the appearance of any of today s major religions Although ancient in source it has a philosophical integrity that is as relevant in today s life as it has been in every previous period of time No irreconcilable leaps of faith are required No mysteries All is knowable The wisdom contained herein is that which has always been previously

communicated to interested spiritual aspirants who sought it out This book continues that tradition *John Wesley for the 21st Century* John O. Gooch, 2019-02-15 Health care Public education War and peace Science and religion The economy Christian social action Spiritual growth 21st century political talking points Hardly just that John Wesley an 18th century British clergyman addressed these very issues in his own time His creative answers may open your eyes to new responses for our own frenzied postmodern concerns Gooch opens the fascinating character of Wesley by looking at these strikingly current topics He shows how Wesley s ministry grew out of his desire to live a holy life and to invite others to walk in Christian discipleship His message of grace and salvation led Wesley to suggest innovative solutions to problems of his time including poverty education and a host of other issues Wesley cared deeply about issues not just in themselves but because of their impact on persons created in the image of God writes Gooch We need to care deeply about them as well It s not just talking the talk but about walking the talk John Wesley for the 21st Century addresses matters very much in the news today from a theological foundation Each chapter includes questions for reflection making this book a great study for individuals and small groups
