## **Gods Work Of Salvation:**

God's Work of Salvation Bert Dominy, 1986      *So Great Salvation* Charles C. Ryrie, 1997-07-01 What is the Gospel Confusion about the Gospel is a serious problem of tremendous magnitude It s not just semantics It s the eternal difference between heaven and hell But there is Good News Follow along in this scholarly yet readable work as Dr Ryrie carefully explains what the Bible has to say about salvation discussing man s hopeless state before meeting Jesus God s grace in saving us and our call to obedience as we walk with Him In *So Great Salvation* Dr Ryrie also addresses many questions raised by those who hold to the lordship salvation position Does Jesus have to be the Lord of every area of our lives before we are saved What about backslidden Christians What is easy believeism Join Dr Ryrie as he studies the important topic of salvation Discover how God s grace is all we need to enter the kingdom of heaven      **Salvation** Lewis Sperry Chafer, Robert J. Choun, Jr., 2004-12-22 A now classic work that clearly and directly defines and explains the scriptural theological and practical aspects of each facet of the salvation Jesus secured for us Originally published in 1917 this book explores atonement grace propitiation forgiveness justification imputation regeneration adoption sanctification redemption and glorification In the end Chafer concludes that salvation is possible because God s love is all that a sinner really needs      **The Holy Spirit's Work In Salvation** Arthur W. Pink, Arthur W Pink 1886 1952 In this booklet A W Pink examines the following aspects of the Holy Spirit s work in salvation regenerating quickening enlightening convicting comforting drawing and working faith His biblical insights regarding the first regeneration and the last faith are particularly valuable today because these two areas are frequently misunderstood by modern evangelicals Regeneration for example is believed by many to be the result of one s decision for Christ But as Pink shows regeneration precedes repentance and belief Likewise and also unlike what many believe today faith is not something that can be produced at will but is a gift of God given by the Holy Spirit It is sometimes lamented that the Holy Spirit is the forgotten member of the Trinity but forgotten or not it is always profitable to study the Spirit s work especially His role in salvation as presented in this booklet      **The Breadth of Salvation** Tom Greggs, 2020-07-21 All too often the Christian understanding of salvation has been one dimensional reducing all that God has done for us to a single conception or idea Tom Greggs one of today s leading theologians offers a brief accessibly written but theologically substantive treatment of the doctrine of salvation Drawing on the broad tradition of the church and the Christian faith in explaining the Christian understandings of salvation Greggs challenges the contemporary church to be captured afresh by the immeasurable height depth and breadth of God s saving actions      **For Our Salvation** Geoffrey Wainwright, 1997 Central to Christianity is the work of Christ as savior of the world In this book Geoffrey Wainwright presents the classical confession of Christ s incarnation and atoning work in ways that allow the gospel message to engage with contemporary culture Amid social tendencies both to disown our physical nature and to be absorbed in it Wainwright first argues that a comprehensively biblical doctrine of the Word made flesh will help to school our bodily senses as befits

earthly creatures with a spiritual destiny The incarnation shows God reaching us through sound sight taste touch and scent and inviting us to a rounded response of intellect affections and action In the second half of the book the traditional description of Christ's saving work in terms of his prophetic priestly and royal offices is brought to bear on current concerns with knowledge and meaning with power and authority and with the pain of alienation and the possibility of redemption Widely known and highly regarded in both the church and the academy Wainwright here draws on his familiarity with doctrinal and liturgical history and his decades of experience in the ecumenical movement to offer two complementary accounts of Christ's saving work that will appeal to all who are committed to the cause of evangelical and catholic Christianity

Salvation, 2006-01-01  
**Supreme God: Body, Will, Wisdom, and Work , Saving the Earth?** E. M. Conradie, 2013 Christians seeking to save the Earth have to relate creation to salvation by doing justice to both themes This study explores the ambiguous legacy of the ways in which this challenge has been approached in the reformed tradition of Swiss Dutch and German origins and in the reception of this tradition in South Africa The book focuses on the diverging interpretations of the category of re-creation in this regard Series Studies in Religion and the Environment Studien zur Religion und Umwelt Vol 8 God's Salvation in

Life Witness Lee, God's salvation in life consists of four major steps regeneration transformation conformation and glorification By regeneration we receive the life of God in addition to our natural life By transformation God works the element of His divine nature into us until we are conformed to the image of the firstborn Son of God Finally in glorification we arrive at the climax of our maturity in the life of God Such a salvation with its glorious consummation is the central revelation of the holy Scriptures In God's Salvation in Life Witness Lee outlines these major steps of God's saving work in the believers As we mature in the divine life this life spreads from our human spirit to our soul and ultimately to our body Thus we become those who have the full and glorious expression of the life and nature of God satisfying His unique heart's desire

**God, Creation, and Revelation** Paul King Jewett, Marguerite Shuster, 1991 A theology that is real readable and relevant such is Paul Jewett's *God Creation and Revelation* Writing from a distinctively evangelical and Reformed viewpoint Jewett offers a general systematic introduction to these doctrines of the Christian church how we know God revelation and Scripture who God is the divine nature what God is like the divine attributes and what God has done creation While upholding the historic Christian faith Jewett's approach to Christian teaching is uniquely neo evangelical in that he seeks to expound and clarify orthodox Christianity for twentieth century Christians Jewett purposely sets forth his systematic theology in light of scientific and social issues that confront the church in the contemporary world Throughout the book Jewett also refers to literary masterpieces and to the church's hymns giving the reader a greater appreciation for the theological treasures in our literature and our hymnody The culmination of nearly forty years of study and teaching this book adeptly balances the philosophical efforts needed in systematic theology with the biblical material in which Christian doctrines are rooted and it covers well the range of theologies from the early fathers to the Scholastics from the Reformers to liberation and feminist theologians Interspersed throughout the text are useful addenda and excursions which provide further detailed treatment of specific topics An unusual feature of *God Creation and Revelation* is Jewett's inclusion of eight sermons by Dr Marguerite Shuster a former student of his Believing that theology and preaching must go together Jewett has strategically placed these sermons throughout the book as creative examples of how to preach Christian doctrines *Theological Dictionary of the New Testament* Gerhard Kittel, Gerhard Friedrich, Geoffrey W. Bromiley, 1985-07-10 Geoffrey W Bromiley has abridged this monumental theological dictionary into a convenient one volume edition that is accessible to all readers

The Bible Exposition Commentary Warren W. Wiersbe, 2003 Volume 6 of the Bible Exposition Commentary 6 volume set

The Order of the Causes of Salvation and Damnation William Perkins, 2012-02-08 This work was first published as *A Golden Chain or A Description of Theology Containing the Order of the Causes of Salvation and Damnation* Perkins covers who God is His works in predestination and reprobation concerning fallen men and what God requires of all men including His church This work is a unique systematic theology of sorts that mines out of the Bible a mountain of theological gold which Perkins forges into an unbreakable Golden Chain of salvation It is focused on the work of Jesus Christ as God's one and

only Son and Redeemer and God's eternal redemptive plan found in the Covenant of Grace This is a classic work not to be missed and has been updated for the modern reader This is not a scan or facsimile and contains an active table of contents for electronic versions

**Christian Life God's Way** Larry Harmsen, 2022-08-01 Larry has come to understand that there are two basic ways that the Bible can be taught The first is the most prevalent It consists of telling the Christian the things that he or she should be doing and the things that he or she should not be doing sometimes accompanied with relatively meaningless ways of doing or not doing these things The second way to teach the Bible is to teach it by revealing what God says in the Bible which we call expository preaching or teaching I am very much in favor of expository teaching If a Christian is taught the Bible not taught about the Bible but actually taught to understand God and God's desire to live in and through us in a fulfilling meaningful way the Christian will be able to determine for him or herself what to do or what not to do as it becomes a part of the person's life rather than just something added to the person's life If living the vibrant Christian life through knowing God and His Word becomes the desire and goal of the Christian life learned from the Holy Spirit through God's Word that inner force becomes an external force far more useful to God than being told what to do or what not to do That desire to teach Christians in a way to build that inner force of God through knowing Him has been mine for many years This book contains Bible studies to help develop that inner force that is only by grace
