God's Workmanship Frank E. Lasater, Jr., 2014-08-21 We cannot know God in depth without recognizing and acknowledging His absolute glorious sovereignty over all things in all times and in every aspect of our lives He is Lord and His will reigns supreme When we finally come to this conclusion when our thoughts prayers and daily actions finally align at last with the teachings of Scripture on this most important matter we will know Him better As a consequence the good works to which we were ordained in the new birth will glorify God in His sovereignty God's Workmanship Rev. Charles Life-Study of Ephesians Witness Lee, 1991-10 Reflections of God's Work Paul McLean, 2010-08-23 This Paisley, work by Paul McLean is a deep weekly devotional that is both introspective and interactive It is a weekly study as opposed to a daily reading in order to involve the reader on a more contemplative journey into focused biblical issues By use of a weekly instead of a daily study this devotional allows an opportunity to go deeper with God by narrowing the reader s focus on particular biblical principles that impact his or her personal sphere McLean vigorously maintains that Bible study deep personal analysis and prayer are critical anchors in weathering any of life s storms while at the same time producing Christian growth and maturity They are also the pillars from which growth life balance and fulfillment are achieved This book is interactive through the use of journaling thoughts impressions and messages received through connecting with God's word Bible during the week Essentially the reader evaluates his or her life by answering in journalistic form pointed and personal life questions McLean believes that prayer and contemplative study play critical roles in the process of hearing from God This devotional can also be used as a study guide for group sharing and personal growth Each chapter touches on insights and personal experiences McLean has encountered in his work as a probation officer and from his involvement in prison ministry He discovered that by witnessing the transforming power of Jesus Christ in the lives of criminal offenders he was changed and shaped by God for a higher purpose The Conflicts, Progress, and Final Triumph of God's Work in the World Sermon Delivered at the Opening of the General Assembly of the Church of Scotland, 1876 James Sellar, 1876

Peterson, 2010 There is no question that bringing men and women to new birth in Christ is essential But argues Eugene Peterson isn t it obvious that growth in Christ is equally essential Yet the American church does not treat Christian growth and character formation with equivalent urgency We are generally uneasy with the guiet obscure conditions in which growth takes place Building maturity in Christ is too often relegated to footnote status in the text of our lives In Practice Resurrection Peterson brings the voice of Scripture especially Paul's letter to the Ephesians and the voice of the contemporary Christian congregation together in understanding what is involved in the practice of becoming mature growing up to the stature of What the Bible says to the Believer ,2011 Christ **The Great Commission** Charles Henry Mackintosh, 2024-04-06 The Great Commission is a book written by Charles Henry Mackintosh a Christian preacher and author first published in the 19th century The book explores the biblical passage known as the Great Commission found in the Gospel of Matthew where Jesus instructs his disciples to go and make disciples of all nations Mackintosh's work delves into the significance of this commandment and its implications for believers in spreading the message of Christianity throughout the world Drawing from biblical exegesis and personal reflection he offers insights into the responsibilities and challenges faced by Christians in fulfilling this mission Through a combination of theological analysis and practical guidance Mackintosh encourages readers to embrace their role as ambassadors of Christ and to actively engage in evangelism and discipleship He emphasizes the importance of faithfulness perseverance and reliance on the Holy Spirit in carrying out the Great Commission The Great Commission serves as a call to action for Christians to heed Jesus command to spread the gospel and make disciples of all nations It continues to inspire believers to fulfill their missionary mandate and share the message of salvation with others making it a foundational text in Christian literature Work Ben Witherington III, Ben Witherington, 2011-01-15 Most Christians spend most of their waking hours working yet many regard work as at best a necessary evil just one more unfortunate by product of humanity s fall from grace Not so says Ben Witherington III and in Work A Kingdom Perspective on Labor he considers work as neither the curse nor the cure of human life but rather as something good that God has given us to do In this brief primer on the biblical theology and ethics of work Witherington carefully unpacks the concept of work considering its relationship to rest play worship the normal cycle of human life and the coming Kingdom of God Work as calling work as ministry work as a way to make a living and the notably unbiblical notion of retirement Witherington's Work engages these subjects and more combining scholarly acumen with good humor common sense cultural awareness and biblically based insights from Genesis to Revelation Ben Witherington has given the whole people of God something
