commands a gift along with much scriptural knowledge of God's Word. End time events are presented and explained in a manner that you will understand. Exciting and amazing insight into God's plan for us. Dr. Weather's devotion to study and sharing with others is well above average. You will feel the strength and wisdom in each section of this book. You will be excited to share with others what you have just discovered through this person, God's servant. Blessing as you read the following pages. Dr. Linda L. Jones. In my thirty-nine years as a minister of the gospel, I have never experienced such a profound book. God has provided Dr. Richard with outstanding insight of the end times through his studies of the book of Revelation. As the return of our Lord and Savior draws near, the wisdom within the pages of this book is needful for this generation.
