Godspells Written Spells Spoken Spells Spell Enhancers O:

Godspells William A. Oribello, 2012-08-29 We live in a day and age when people are beginning to understand words like spells and magic sometimes spelt with a k as in magick to separate it from the common word used to describe stage illusions Now at the dawn of the New Age many people are becoming their own scientists and priests looking to the universe within for the answers They now realise that the mystical science is a great power not of the devil unless it is used for evil purposes but the heritage of all humankind Between the lines of sacred scriptures such as the Holy Bible we find many cryptic messages to establish this fact Even the word Gospel is taken from ancient words meaning God Spell and with that thought

the author gives you the gift of wisdom in this book
