Goethe Wilhelm Meisters Apprenticeship:

Wilhelm Meister's Apprenticeship Johann Wolfgang von Goethe, 2024-06-18 An authoritative English translation of one of the most important works in the history of the novel Wilhelm Meister's Apprenticeship 1795 1796 Goethe's second novel is a foundational work in the history of the genre perhaps the first Bildungsroman a coming of age story focusing on the growth and self realization of the main character The story centers on Wilhelm a young man living in the mid 1700s who strives to break free from the restrictive bourgeois world of his upbringing and seek fulfillment as an actor and playwright Goethe's novel had a huge impact on the Romantics Hegel Schelling Novalis and Schopenhauer considered it one of the most important novels yet written Schlegel famously called it one of the three tendencies of the age along with the French Revolution and the philosophy of Fichte And Beethoven Schubert and Schumann set poems from the novel to music It also had a major influence on nineteenth century British writers including Thomas Carlyle who was its first English translator and George Eliot Drawn from Princeton's authoritative collected works of Goethe and featuring a new introduction by David Wellbery this is the definitive English version of a landmark of world literature

works appears with multifarious intercalations giving a great expansion both of size and of scope Not pedagogy only and husbandry and art and religion and human conduct in the nineteenth century but geology astronomy cotton spinning metallurgy anatomical lecturing and much else are typically shadowed forth in this second form of the Travels which however continues a fragment like the first significantly pointing on all hands towards infinitude not more complete than the first was or indeed perhaps less so It will well reward the trustful student of Goethe to read this new form of the Travels and see how in that great mind beaming in mildest mellow splendor beaming if also trembling like a great sun on the verge of the horizon near now to its long farewell all these things were illuminated and illustrated but for the mere English reader there are probably in our prior edition of the Travels already novelties enough for us at all events it seemed unadvisable to meddle with it further at present

Wilhelm Meisters Apprenticeship (1901) Johann Wolfgang Von Goethe, 2014-08-07 This Is A New Release Of The Original 1901 Edition *Wilhelm Meister's Apprenticeship and Travels* Johann Wolfgang von Goethe, 2020-09-28 The play was late in breaking up old Barbara went more than once to the window and listened for the sound of carriages She was waiting for Mariana her pretty mistress who had that night in the afterpiece been acting the part of a young officer to the no small delight of the public Barbara's impatience was greater than it used to be when she had nothing but a frugal supper to present on this occasion Mariana was to be surprised with a packet which Norberg a young and wealthy merchant had sent by the post to show that in absence he still thought of his love As an old servant as confidant counsellor manager and housekeeper Barbara assumed the privilege of opening seals and this evening she had the less been able to restrain her curiosity as the favor of the open handed gallant was more a matter of anxiety with herself than with her mistress On breaking up the packet she had found with unfeigned satisfaction that it held a piece of fine muslin and some ribbons of the newest fashion for Mariana with a quantity of calico

two or three neckerchiefs and a moderate rouleau of money for herself Her esteem for the absent Norberg was of course unbounded she meditated only how she might best present him to the mind of Mariana best bring to her recollection what she owed him and what he had a right to expect from her fidelity and thankfulness The muslin with the ribbons half unrolled to set it off by their colors lay like a Christmas present on the small table the position of the lights increased the glitter of the gilt all was in order when the old woman heard Mariana s step on the stairs and hastened to meet her But what was her disappointment when the little female officer without deigning to regard her caresses rushed past her with unusual speed and agitation threw her hat and sword upon the table and walked hastily up and down bestowing not a look on the lights or any portion of the apparatus
